JOURNAL OF THE HOUSE

VETO SESSION

Second Regular Session, 102nd General Assembly

FIRST DAY, WEDNESDAY, SEPTEMBER 11, 2024

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Because Thou art my God, Thy gentle spirit shall lead me into the way of life. (Psalm 143:10)

Almighty God, may this day of past infamy now be radiant with the reality of Your presence as we address ourselves to the tasks before us. Bless all in the People's House that they may set themselves to meet the challenges with confidence and courage.

We do not pray to escape responsibilities, but to be made equal to them; not for removal of task, but to be made ready for them; not for burdens to be lifted from our hands, but to be lightened by the strength of Your spirit.

We pray for our citizens. May this beloved state of ours be the channel through which Your blessings come, and strengthen every heart and keep it free from terror.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Charlie Smith.

There was a moment of silence in remembrance of September 11, 2001.

MESSAGES FROM THE GOVERNOR

June 28, 2024

TO THE SECRETARY OF STATE
OF THE STATE OF MISSOURI
102nd GENERAL ASSEMBLY
SECOND REGULAR SESSION

Herewith I return to you **Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2002** entitled:

AN ACT

To appropriate money for the expenses, grants, refunds, and distributions of the State Board of Education and the Department of Elementary and Secondary Education, and the several divisions and programs thereof, to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the period beginning July 1, 2024, and ending June 30, 2025.

Section 2.046

I hereby veto \$10,000,000 Department of Elementary and Secondary Education Federal Emergency Relief 2021 Fund for the Close the Gap Program. Given the short-term nature of this funding source, it is not prudent to start a new program cycle, therefore, funding is limited to existing obligations from the Fiscal Year 2024 budget. Further, expenditures under this program should prioritize tutoring services provided to eligible children and not technology equipment purchases.

From \$25,000,000 to \$15,000,000 from Department of Elementary and Secondary Education Federal Emergency Relief 2021 Fund.

From \$25,000,000 to \$15,000,000 in total for the section.

Section 2.047

I hereby veto \$50,000 general revenue for a summer enrichment program grant. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly.

From \$100,000 to \$50,000 from General Revenue Fund.

From \$100,000 to \$50,000 in total for the section.

Section 2.061

I hereby veto \$100,000 general revenue for a teacher recruitment and retention organization. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, this program has been previously funded with one-time federal relief funds. This Administration has been clear it is not financially responsible to continue funding programs with State funds that were originally funded with federal relief funding that is now expiring.

Said section is vetoed in its entirety from \$100,000 to \$0 from General Revenue Fund.

From \$100,000 to \$0 in total for the section.

Section 2.062

I hereby veto \$100,000 general revenue for a teacher residency program. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, this program has been previously funded with one-time federal relief funds. This Administration has been clear it is not financially responsible to continue funding programs with State funds that were originally funded with federal relief funding that is now expiring.

Said section is vetoed in its entirety from \$100,000 to \$0 from General Revenue Fund.
From \$100,000 to \$0 in total for the section.

Section 2.097

I hereby veto \$700,000 general revenue for a turn-key program focused on STEM. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly.

Said section is vetoed in its entirety from \$700,000 to \$0 from General Revenue Fund.
From \$700,000 to \$0 in total for the section.

Section 2.098

I hereby veto \$250,000 general revenue for a nonprofit computer training technology and robotics program. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. Maintaining a balanced budget that keeps future obligations in mind allows the State to maintain a AAA bond rating. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly.

Said section is vetoed in its entirety from \$250,000 to \$0 from General Revenue Fund.
From \$250,000 to \$0 in total for the section.

Section 2.111

I hereby veto \$750,000 general revenue for a six-month study of a school safety software program. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, my Administration is concerned about the feasibility of such a time-limited study given the unpredictable nature of the events this study is meant to address. Further, this provides ongoing funds for a study that is specifically designated for a six-month time period.

Said section is vetoed in its entirety from \$750,000 to \$0 from General Revenue Fund.
From \$750,000 to \$0 in total for the section.

Section 2.142

I hereby veto \$100,000 general revenue for a literacy enrichment program. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, the State funded this project last fiscal year with the intention that it was a one-time investment.

Said section is vetoed in its entirety from \$100,000 to \$0 from General Revenue Fund.
From \$100,000 to \$0 in total for the section.

Section 2.165

I hereby veto \$1 Lottery Proceeds Fund for an online skills evaluation platform to help students navigate career pathways. I also hereby veto the words “eleventh or twelfth grade” as well as “and lead to a nationally recognized work-readiness credential that is used by site selectors to rank states for site selection and economic development.” Although the language does not identify a specific vendor, this appropriation appears to describe a specific vendor's platform. The department is subject to State purchasing laws set forth in Chapter 34, RSMo, and must follow those laws when selecting a vendor rather than contracting with a particular vendor.

From \$1,200,000 to \$1,199,999 from Lottery Proceeds Fund.
From \$2,500,000 to \$2,499,999 in total for the section.

Section 2.166

I hereby veto \$1,000,000 general revenue for the Missouri Career Advising Initiative. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly.

From \$3,500,000 to \$2,500,000 from General Revenue Fund.

From \$3,500,000 to \$2,500,000 in total for the section.

Section 2.202

I hereby veto \$250,000 general revenue for homeless student impact centers. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. Said section is vetoed in its entirety from \$250,000 to \$0 from General Revenue Fund.

From \$250,000 to \$0 in total for the section.

Section 2.387

I hereby veto \$3,000,000 general revenue for a turn-key STEM intervention program for middle school students. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. From \$2,300,000 to \$1,000,000 in total for the section.

Section 3.103

I hereby veto \$1,043,401 general revenue for the Missouri Returning Heroes Program. This veto will not impact the tuition paid by veterans who qualify for the Returning Heroes program in any way. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Further, higher education institutions currently fund this program and the budget approved by the General Assembly for the public institutions included a 3 percent increase, totaling over \$32.5 million.

Said section is vetoed in its entirety from \$1,043,401 to \$0 from General Revenue Fund.
From \$1,043,401 to \$0 in total for this section.

Section 3.170

I hereby veto \$1,340,500 general revenue for Missouri State University-West Plains for expansion of the Nursing and Allied Health Program. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, in 2023, Missouri State University-West Plains was awarded a grant to help fund expansion of its nursing program as part of a special appropriation to the Missouri State Board of Nursing.

The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, this provides one-time funding to support ongoing program costs, which could jeopardize the program's future sustainability. Further, this item provides additional funding for the University of Missouri Extension, which is the responsibility of the University of Missouri's budget. The Fiscal Year 2025 budget approved by the General Assembly includes a 3 percent increase for public four-year institutions of higher education, totaling over \$27.1 million.

In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, the budget already includes a 3.2% cost of living increase for State Historical Society employees, which matches the increase given to State employees.

From \$5,207,879 to \$4,596,472 from General Revenue Fund.
From \$5,207,879 to \$4,596,472 in total for the section.

Sufficient appropriation authority for sales and use tax refunds is already included in other refund lines within the budget. Additionally, this line item may violate Article III, Section 38(a) of the Missouri Constitution.

Section 4.455

I hereby veto \$2,197,200 general revenue for repairs, maintenance, and expansion of Route N in Jasper County. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly.

While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, this is a local responsibility and is not on the State's highway system. Further, the bill language prohibits a local match. State funding for local projects should at a minimum be a shared responsibility between the State and local entity.

From \$500,000 to \$0 from General Revenue Fund.

From \$44,047,200 to \$41,350,000 in total for the section.

The General Assembly grossly overappropriated Budget Stabilization Funds. Additionally, this is a local responsibility and is not on the State's highway system. Further, this appropriation prohibits a local match. State funding for local projects should at a minimum be a shared responsibility between the State and local entity.

For the maintenance, repair, and upgrades to Long Branch Drive located in Macon County.
From \$2,750,000 to \$0 from Budget Stabilization Fund.

I hereby veto \$3,400,000 Budget Stabilization Fund for an environmental impact study relating to improvements on I-70. The General Assembly grossly overappropriated Budget Stabilization Funds. Additionally, the State is currently investing \$2.8 billion for improvements to Interstate 70.

Section 5.010

I hereby veto \$750,000 general revenue for the electronic monitoring program. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Further, this budget currently includes \$4 million for this program which is sufficient funding to support this service.

In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. This funding allows for the completion of a number of major projects on I-44, while also providing cost savings for the next Administration and General Assembly to use in offsetting a number of projects included in this budget that were funded with Budget Stabilization Funds, which was overappropriated.

From \$363,750,000 to \$213,750,000 from General Revenue Fund.

In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. From \$1,000,000 to \$0 from General Revenue Fund.

I hereby veto \$500,000 general revenue for a non-profit organization in St. Louis City that focuses on increasing the number of young community leaders. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General

Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, the State funded this project last fiscal year with the intention that it was a one-time investment. Further, this appropriation prohibits a local match. State funding for local projects should at a minimum be a shared responsibility between the State and local entity.

For a non-profit organization that focuses on increasing the number of young community leaders.
From \$500,000 to \$0 from General Revenue Fund.

I hereby veto \$100,000 general revenue fund for a small business accelerator in Kansas City. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, funding for similar activities is already included in this budget for the Kansas City area.

For a small business accelerator.
From \$100,000 to \$0 from General Revenue.

I hereby veto \$250,000 Budget Stabilization Fund for a community development corporation that works to strengthen and attract investment that creates and maintains vibrant neighborhoods and commercial districts in St. Louis City. The State funded this project last fiscal year with the intention that it was a one-time investment. Additionally, the General Assembly grossly overappropriated Budget Stabilization Funds.

For a 501(c)(3) community development corporation.
From \$250,000 to \$0 from Budget Stabilization Fund.

From \$7,849,662 to \$5,999,662 in total for the section.

Section 7.025

I hereby veto \$1,000,000 Missouri Technology Investment Fund for a public-private partnership located in Kirksville. The State funded this project last fiscal year with the intention that it was a one-time investment.

For a public-private partnership.
From \$1,000,000 to \$0 from Missouri Technology Investment Fund.
From \$9,500,000 to \$8,500,000 in total for the section.

Section 7.031

I hereby veto \$7,000,000 general revenue for a non-profit innovation community in St. Louis City that focuses on accelerating inclusive economic growth. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their

Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, this program was appropriated \$7,000,000 in the Fiscal Year 2024 budget which has been included in House Bill 2017 and reappropriated in Fiscal Year 2025.

Said section is vetoed in its entirety from \$7,000,000 to \$0 from General Revenue Fund.
From \$7,000,000 to \$0 in total for the section.

Section 7.048

I hereby veto \$1,000,000 Budget Stabilization Fund for economic development and infrastructure projects in Noel. The General Assembly grossly overappropriated Budget Stabilization Funds. Additionally, the Department of Economic Development's (DED) Regional Engagement Division has responded to the Tyson closure, including engaging with the community, working with the Department of Higher Education and Workforce Development, and coordinating with local partners and leaders in the response. DED also met with local employers to determine the benefits of job fairs and hiring opportunities to absorb some of Tyson's employees. Additionally, DED worked with the Missouri Partnership, which has strategically marketed the Tyson Plant site after an outreach to 1,877 consultants and 1,133 companies. Beyond all of these efforts, the State has been unable to determine the intended use of these specific funds.

Said section is vetoed in its entirety from \$1,000,000 to \$0 from Budget Stabilization Fund.
From \$1,000,000 to \$0 in total for the section.

On June 28, 2024 I approved said **Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2007**, except for those items specifically vetoed and not approved.

TO THE SECRETARY OF STATE
OF THE STATE OF MISSOURI
102nd GENERAL ASSEMBLY
SECOND REGULAR SESSION

Herewith I return to you **Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2008** entitled:

AN ACT

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Public Safety and Department of National Guard and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the period beginning July 1, 2024, and ending June 30, 2025.

Section 8.005

I hereby veto \$1 Crime Victims' Compensation Fund for a commercial, real-time automated victim notification system. I also hereby veto the words "commercial," "Missouri Sheriffs, and Missouri Department of Corrections", "a single time", and "; the contracted commercial entity shall house and maintain information necessary to provide automated victim notifications and provide a 24/7 call center for victim support." This language is overly restrictive and may conflict with subsection 650.310.3, RSMo. The Department of Public Safety will continue to coordinate with Missouri Sheriffs and the Missouri Department of Corrections to provide crime victim notifications.

For the purpose of providing funding to procure a victim notification system.
From \$1,400,000 to \$1,399,999 from Crime Victims' Compensation Fund.
From \$45,025,393 to \$45,025,392 in total for the section.

Section 8.006

I hereby veto \$3,500,000 general revenue to procure a commercial off-the-shelf automated, modernized crime victim notification software that interfaces with the Department of Public Safety system servicing the Department of Corrections. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, this program provides one-time funding to support ongoing program costs, which could jeopardize the program's future sustainability. Further, it appears this item is duplicative of similar information that is already offered through the State.

To procure a commercial off-the-shelf automated, modernized crime victim notification software.
From \$3,500,000 to \$0 from General Revenue Fund.

I hereby veto \$250,000 general revenue for a minority police officer recruitment and retention program in St. Louis. I also hereby veto the words ", office and administration costs." The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, the remaining funding of \$250,000 for this program is still an increase of \$100,000 over Fiscal Year 2024 funding.

For a minority police officer recruitment and retention program.
From \$500,000 to \$250,000 from General Revenue Fund.

I hereby veto \$100,000 Budget Stabilization Fund for the Raytown Fire Protection District mobile integrated healthcare and community paramedic program. The General Assembly grossly overappropriated Budget Stabilization Funds. Additionally, this program provides one-time funding to support ongoing program costs, which could jeopardize the program's future sustainability.

For a fire protection district.
From \$100,000 to \$0 from Budget Stabilization Fund.

I hereby veto \$2,500,000 general revenue for firearm detection software in schools. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, although the language does not identify a specific vendor, this appropriation appears to describe a specific vendor's platform. The Department of Public Safety (DPS) is subject to State purchasing laws set forth in Chapter 34, RSMo, and must follow those laws when selecting a vendor rather than contracting with a particular vendor. Further, DPS is without the knowledge or expertise needed to determine each of the exact criteria described in this section. Finally, this program provides one-time funding to support ongoing program costs, which could jeopardize the program's future sustainability.

For procurement of firearm detection software in schools.
From \$2,500,000 to \$0 from General Revenue Fund.

I hereby veto \$50,000 general revenue for a speed limit enforcement device in Raytown. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Further, funding is already available for this purpose through existing State programs aimed at addressing highway safety, such as the Missouri Department of Transportation's Highway Safety Grant Program.

For a speed limit enforcement device.
From \$50,000 to \$0 from General Revenue Fund.

I hereby veto \$300,000 Budget Stabilization Fund for a cybercrime task force in Jasper County. The General Assembly grossly overappropriated Budget Stabilization Funds. Additionally, the Department of Public Safety's State Cyber Crime Grant already distributes funding to local cybercrime task forces.

For a cybercrime task force in Jasper County.
From \$300,000 to \$0 from Budget Stabilization Fund.

From \$6,950,000 to \$250,000 in total for the section.

Section 8.215

I hereby veto \$230,000 Boiler and Pressure Vessels Safety Fund for boiler inspectors. The State is unable to determine the specific use of this funding. Without detailed information, it would be irresponsible for the State to use taxpayer dollars to fund this increase.

Personal Service by \$195,500 from \$758,805 to \$563,305 from Boiler and Pressure Vessels Safety Fund.
Expense and Equipment by \$34,500 from \$98,443 to \$63,943 from Boiler and Pressure Vessels Safety Fund.
From \$857,248 to \$627,248 in total from Boiler and Pressure Vessels Safety Fund.

I hereby veto \$1,000,000 general revenue for the construction and renovation of a fire station in Eminence. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. This line is being reduced to more accurately reflect the estimated cost of the project.

For the construction and renovation of a fire station located in Eminence.
From \$2,000,000 to \$1,000,000 from General Revenue Fund.

From \$12,326,110 to \$11,096,110 in total for the section.

Section 8.231

I hereby veto \$1,000,000 Budget Stabilization Fund for a grant to a veteran-only, non-profit, homeless shelter in Columbia. The General Assembly grossly overappropriated Budget Stabilization Funds. Further, over the last two years, the State has invested \$7.5 million for homeless services in the Columbia area, including \$1.5 million targeted for veterans.

Said section is vetoed in its entirety from \$1,000,000 to \$0 from Budget Stabilization Fund.
From \$1,000,000 to \$0 in total for the section.

Section 8.501

I hereby veto \$6,000,000 general revenue for the defense of the southern border. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Further, I already recommended and the General Assembly approved, \$2,000,000 in the Fiscal Year 2024 supplemental budget for this purpose. The National Guard's deployment to the southern border has since concluded. The Fiscal Year 2025 budget already includes funding that could be used to support another short-term mission if there is need to deploy the National Guard again in support of our nation's border security.

For the defense of the southern border of the United States by the National Guard.
From \$8,000,000 to \$2,000,000 from General Revenue Fund.

I hereby veto \$500,000 general revenue for technology assistance for National Guard suicide prevention. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion

dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, the Fiscal Year 2025 budget invests over \$3 million to support and enhance infrastructure, communications and marketing, evaluation, and specialized training for the 988 Program as well as another \$7 million to support the mental health needs of first responders, veterans, and other vulnerable groups. My Administration will use that funding to target national guardsmen, veterans, first responders, and members of our armed forces. Further, it appears this item is duplicative of existing services provided within the Missouri National Guard.

For technology assistance to prevent National Guard members suicides or members in need of assistance with traumatic issues or members in need of life coaching.
From \$500,000 to \$0 from General Revenue Fund.

From \$8,500,000 to \$2,000,000 in total for the section.

On June 28, 2024 I approved said **Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2008**, except for those items specifically vetoed and not approved.

TO THE SECRETARY OF STATE
OF THE STATE OF MISSOURI
102nd GENERAL ASSEMBLY
SECOND REGULAR SESSION

Herewith I return to you **Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2010** entitled:

AN ACT

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Mental Health, the Department of Health and Senior Services, and the several divisions and programs thereof, and the Missouri Health Facilities Review Committee to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the period beginning July 1, 2024, and ending June 30, 2025.

Section 10.093

I hereby veto \$5,000,000 general revenue for the planning, design, construction, expansion, and operation of a behavioral health facility on the campus of North Kansas City Hospital. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025

recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, the total cost of this project is expected to be approximately \$15.4 million. State funding for local and regional projects should at a minimum be a shared responsibility between the state and local entity.

From \$15,000,000 to \$10,000,000 from General Revenue Fund.
From \$15,000,000 to \$10,000,000 in total for the section.

Section 10.100

I hereby veto \$75,000 Department of Mental Health Federal Fund for staff to administer and oversee the Innovation and Behavioral Health Model Grant. The addition of new FTEs beyond my recommended budget has been limited to a minimal increase.

Personal Service by \$75,000 from \$1,761,304 to \$1,686,304 from Department of Mental Health Federal Fund.
From \$3,646,837 to \$3,571,837 in total from Department Mental Health Federal Fund.
From \$6,525,512 to \$6,450,512 in total for the section.

Section 10.105

I hereby veto \$220,000 Opioid Addiction Treatment and Recovery Fund for a nonprofit organization to provide substance abuse recovery publications, programs, recovery materials, services, housing, detoxifying emergency care, and education to treat and prevent addiction and substance use and abuse in Missouri. Not enough information is available about the intended recipient of this funding to ensure this is a responsible use of the Opioid Addiction Treatment and Recovery Fund.

For a nonprofit organization to provide substance abuse recovery publications, programs, recovery materials, services, housing, detoxifying emergency care, and education to treat and prevent addiction and substance use and abuse in Missouri.

From \$220,000 to \$0 from Opioid Addiction Treatment and Recovery Fund.
From \$30,008,948 to \$29,788,948 in total for the section.

Section 10.109

I hereby veto \$3,200,000 Opioid Addiction Treatment and Recovery Fund for the expansion of services at recovery community centers. While this funding would support an important cause in offering resources to individuals recovering from opioid use disorder, the legislative intent for this funding conflicts with the allowable uses of the Opioid Addiction Treatment and Recovery Fund. As per the national opioid settlement terms and Section 196.1050, RSMo, these funds must be expended only on opioid-related services and expenses. My recommended budget included general revenue for this item since these centers provide services other than opioid recovery programs. The State could not reimburse these centers for non-opioid services using these funds and therefore funds would lapse unnecessarily. Additionally, vetoing this item ensures the Opioid Addiction Treatment and Recovery Fund can be preserved for other allowable uses to help Missourians and our communities address the opioid crisis.

From \$4,400,000 to \$1,200,000 from Opioid Addiction Treatment and Recovery Fund.
From \$8,802,527 to \$5,602,527 in total for the section.

Section 10.110

I hereby veto \$2,000,000 Opioid Addiction Treatment and Recovery Fund for opioid prevention, treatment, and recovery expansion services. While this supports the important goal of helping individuals and communities struggling with opioid addiction, these are new services. It is important to ensure these programs are effective in helping to address the opioid crisis before expanding to an investment of this magnitude.

For treatment of alcohol and drug abuse.

From \$7,993,184 to \$5,993,184 from Opioid Addiction Treatment and Recovery Fund.

I hereby veto \$500,000 Budget Stabilization Fund for the operations of a nonprofit organization providing housing supportive services to individuals and their families affected by HIV/AIDS. The General Assembly grossly overappropriated Budget Stabilization Funds. The State funded this project last fiscal year with the intention that it was a one-time investment.

For the purpose of funding a program that aims to contain HIV/AIDS healthcare costs.

From \$500,000 to \$0 from Budget Stabilization Fund.

From \$334,714,765 to \$332,214,765 in total for the section.

Section 10.122

I hereby veto \$1,300,000 Opioid Addiction Treatment and Recovery Fund for the creation of a statewide substance use disorder data analytics platform. The Department of Mental Health can utilize existing resources to achieve the goal of this funding and preserve Opioid Addiction Treatment and Recovery Funds for other allowable uses to help Missourians and our communities address the opioid crisis.

Said section is vetoed in its entirety from \$1,300,000 to \$0 from Opioid Addiction Treatment and Recovery Fund.

From \$1,300,000 to \$0 in total for the section.

Section 10.125

I hereby veto \$980,000 Opioid Addiction Treatment and Recovery Fund for improvements to the housing facilities of Recovery Lighthouse. The State funded this project last fiscal year with the intention that it was a one-time investment. Additionally, vetoing this item preserves Opioid Addiction Treatment and Recovery Funds for other allowable uses to help Missourians and our communities address the opioid crisis.

For repair and renovation of an organization that provides transitional living and supportive housing for individuals in recovery from alcohol and drugs.

From \$980,000 to \$0 from Opioid Addiction Treatment and Recovery Fund.

From \$21,583,697 to \$20,603,697 in total for the section.

Section 10.400

I hereby veto \$350,000 general revenue for an Environmental Accessibility Adaption Program. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, the Department of Mental Health already has partnerships in place to meet this need.

Expense and Equipment by \$350,000 from \$409,671 to \$59,671 from General Revenue Fund.

From \$2,157,181 to \$1,807,181 in total from General Revenue Fund.

From \$3,288,440 to \$2,938,440 in total for the section.

Section 10.410

I hereby veto \$9,432,860, including \$3,254,337 general revenue for a rate increase for the Division of Developmental Disabilities Day Habilitation care providers. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, these providers were given rate increases in previous years that exceeded those recommended by recent rate studies.

For community programs.

From \$834,156,209 to \$830,901,872 from General Revenue Fund.

From \$1,529,540,020 to \$1,523,361,497 from Department of Mental Health Federal Fund.

From \$2,419,408,793 to \$2,409,975,933 in total for the section.

Section 10.710

I hereby veto \$5,500,000 Opioid Addiction Treatment and Recovery Fund for statewide fentanyl testing of water at schools. While I am supportive of efforts to help address drug use in schools, this is a new program. A smaller pilot project allows for a closer look at the effectiveness of the testing program without being fiscally irresponsible. This item can be revisited once the program is able to demonstrate effectiveness.

For statewide fentanyl testing of water at schools.

From \$7,500,000 to \$2,000,000 from Opioid Addiction Treatment and Recovery Fund.

From \$23,672,526 to \$18,172,526 in total for the section.

Section 10.720

I hereby veto \$875,000 Budget Stabilization Fund for a communications and logistics platform for emergency service responders and providers. The General Assembly grossly overappropriated Budget Stabilization Funds.

For the Department to enter into an agreement with an organization that administers funds derived from 190.800 to establish a HIPAA-compliant communication and patient logistics platform.

From \$1,750,000 to \$875,000 from Budget Stabilization Fund.

From \$17,093,216 to \$16,218,216 in total for the section.

Section 10.760

I hereby veto \$200,000 general revenue for the Elks Mobile Dental Clinic. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly.

For the Elks Mobile Dental Clinic.
From \$600,000 to \$400,000 from General Revenue Fund.
From \$4,131,137 to \$3,931,137 in total for the section.

Section 10.770

I hereby veto \$100,000 Budget Stabilization Fund for the implementation of a doula registration process. The General Assembly grossly overappropriated Budget Stabilization Funds. Additionally, the General Assembly did not truly agree and finally pass legislation to create a statewide doula insurance registry. Further, this budget includes multiple items totaling \$975,000 in ongoing funding to support doulas and doula training services. Finally, this appropriation provided funding for salaries as a one-time State expense; whereas staffing is an ongoing cost and could jeopardize the program's future sustainability leading to job losses if the funding were not to be provided in the future.

For the implementation of a pregnancy and postpartum doula registration process.
Personal Service from \$52,016 to \$0 from Budget Stabilization Fund.
Expense and Equipment from \$47,984 to \$0 from Budget Stabilization Fund.
From \$100,000 to \$0 in total from Budget Stabilization Fund.
From \$21,271,353 to \$21,171,353 in total for the section.

Section 10.830

I hereby veto \$10,000,000 Department of Health and Senior Services Federal Stimulus – 2021 Fund for distributions to Area Agencies on Aging. While this supports the important goal of helping seniors throughout the State, there is insufficient funding from the appropriated source to support this item.

For distributions to the Area Agencies on Aging.
From \$10,000,000 to \$0 from Department of Health and Senior Services Federal Stimulus – 2021 Fund.

I hereby veto \$2,500,000 Department of Health and Senior Services Federal Fund for the Long-term Care Ombudsman Program. While this supports the important goal of helping seniors throughout the State, there is insufficient funding from the appropriated source to support this item.

For the Ombudsman Program operated by the Area Agencies on Aging or their service providers.
From \$2,500,000 to \$0 from Department of Health and Senior Services Federal Fund.

From \$100,275,141 to \$87,775,141 in total for the section.

Section 10.900

I hereby veto \$317,000 Budget Stabilization Fund for grants to promote emergency medical services instruction. The General Assembly grossly overappropriated Budget Stabilization Funds. Additionally, training is already required to be provided prior to high school graduation for all students in Missouri, and is thus the responsibility of local schools.

For grants to promote EMS instruction in CPR and AED.
From \$317,000 to \$0 from Budget Stabilization Fund.
From \$43,170,506 to \$42,853,506 in total for the section.

On June 28, 2024 I approved said **Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2010**, except for those items specifically vetoed and not approved.

Respectfully submitted,

TO THE SECRETARY OF STATE
OF THE STATE OF MISSOURI
102nd GENERAL ASSEMBLY
SECOND REGULAR SESSION

Herewith I return to you **Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2011** entitled:

AN ACT

To appropriate money for the expenses, grants, refunds, and distributions of the Department of Social Services and the several divisions and programs thereof to be expended only as provided in Article IV, Section 28 of the Constitution of Missouri, and to transfer money among certain funds for the period beginning July 1, 2024, and ending June 30, 2025.

Section 11.106

I hereby veto \$450,000 general revenue for a program to support employees engaged in direct care to vulnerable populations. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly.

Said section is vetoed in its entirety from \$450,000 to \$0 from General Revenue Fund.
From \$450,000 to \$0 in total for the section.

Section 11.160

I hereby veto \$660,000 general revenue for an organization whose mission is to improve the quality of life in our communities and enhance educational and economic opportunities for all in St. Louis City. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, it appears this item is duplicative of similar services provided within the Departments of Corrections and Social Services.

For an organization whose mission is to improve the quality of life in our communities and enhance educational and economic opportunities for all.

From \$660,000 to \$0 from General Revenue Fund.

From \$27,766,800 to \$27,106,800 in total for the section.

Section 11.232

I hereby veto \$200,000 general revenue for a nonprofit organization founded in 1979 in Kansas City. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, the State is unable to determine specific use of this funding. Without detailed information, it would be irresponsible for the State to use taxpayer dollars to fund this increase.

Said section is vetoed in its entirety from \$200,000 to \$0 from General Revenue Fund.
From \$200,000 to \$0 in total for the section.

Section 11.233

I hereby veto \$200,000 general revenue for an alternative education program in St. Louis County. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, the adjusted total is similar to that of comparable projects.

For an alternative education program.
From \$700,000 to \$500,000 from General Revenue Fund.
From \$950,000 to \$750,000 in total for the section.

Section 11.235

I hereby veto \$2,000,000 general revenue for a nonprofit organization that provides educational and health services. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, State funding for local projects should at a minimum be a shared responsibility between the State and local entity. The information provided to my Administration suggests that the local entity does not have sufficient matching funds to support the total amount appropriated. Finally, the adjusted total is more in line with that of similar projects.

For a nonprofit organization in Kansas City that operates a center that provides educational and health services, and hands-on training in fine arts and digital literacy for underserved urban youth.

From \$3,000,000 to \$1,000,000 from General Revenue Fund.

From \$22,980,000 to \$20,980,000 in total for the section.

Section 11.251

I hereby veto \$1,904,000 Temporary Assistance for Needy Families Federal Fund for a cooperatively owned grocery store in St. Louis County. My Administration has previously vetoed this project, and our position has not changed.

This is a local responsibility with minimal statewide impact. Other funding mechanisms should be pursued in lieu of earmarked State funding for this project. Additionally, the information provided to my Administration demonstrates that this project may not be eligible for Temporary Assistance for Needy Families Federal Funding.

Said section is vetoed in its entirety from \$1,904,000 to \$0 from Temporary Assistance for Needy Families Federal Fund.

From \$1,904,000 to \$0 in total for the section.

Section 11.261

I hereby veto \$7,000,000 Temporary Assistance for Needy Families Federal Fund to restore a building for a not-for-profit organization in Kansas City to establish programs for non-traditional students. The plain language of the appropriations bill requires that these funds be spent towards “planning, design, purchase, renovations, maintenance, repair, and capital improvements.” Temporary Assistance for Needy Families Federal Funding cannot be disbursed for capital improvement projects.

Said section is vetoed in its entirety from \$7,000,000 to \$0 from Temporary Assistance for Needy Families Federal Fund.

From \$7,000,000 to \$0 in total for the section.

Section 11.410

I hereby veto \$1,025,000 general revenue for Family Resource Centers. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State’s fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Additionally, a majority of these funds were intended to cover staffing costs for this nonprofit organization, which is not an appropriate use of one-time State funding support.

For a Family Resource Center with a primary office location in Independence.

From \$3,798,434 to \$3,498,434 from General Revenue Fund.

For a Family Resource Center with a primary office location in Jefferson City.

From \$4,009,828 to \$3,534,828 from General Revenue Fund.

For a Family Resource Center with a primary office location in St. Louis County.

From \$3,245,302 to \$2,995,302 from General Revenue Fund.

From \$29,675,955 to \$28,650,955 in total for the section.

Section 11.745

I hereby veto \$441,815, including \$152,426 general revenue and \$289,389 Title XIX-Federal Fund for an air ambulance rate increase. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. This will reduce this rate increase from 90% to 80% of Medicare rates, which is in line with Medicaid rates for other providers.

For all other non-institutional services.

From \$98,831,413 to \$98,678,987 from General Revenue Fund.

From \$224,986,635 to \$224,697,246 from Title XIX-Federal Fund.

From \$392,512,575 to \$392,070,760 in total for the section.

Section 11.760

I hereby veto \$132,272, including \$45,634 general revenue and \$86,638 Title XIX-Federal Fund for an air ambulance rate increase. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. This will reduce this rate increase from 90% to 80% of Medicare rates, which is in line with Medicaid rates for other providers.

For payment to comprehensive prepaid health care plans.

From \$456,643,391 to \$456,597,757 from General Revenue Fund.

From \$1,360,518,444 to \$1,360,431,806 from Title XIX-Federal Fund.

From \$2,189,664,646 to \$2,189,532,374 in total for the section.

Section 11.771

I hereby veto \$5,000,000 Budget Stabilization Fund for the construction of a hospital in Dunklin County. The General Assembly grossly overappropriated Budget Stabilization Funds. Additionally, without the results of a feasibility study, it is unclear if the county can support the construction and operation of a new hospital.

For a nonprofit healthcare foundation.

From \$10,000,000 to \$5,000,000 from Budget Stabilization Fund.

From \$53,686,000 to \$48,686,000 in total for the section.

Section 11.830

I hereby veto \$320,025 federal funds for an air ambulance rate increase. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. This will reduce this rate increase from 90% to 80% of Medicare rates, which is in line with Medicaid rates for other providers.

For program distributions related to Section 36(c) of Article IV of the Missouri Constitution.

From \$274,068,527 to \$274,036,524 from FMAP Enhancement-Expansion Fund.

From \$2,593,062,774 to \$2,592,774,752 from Title XIX-Adult Expansion Federal Fund.

From \$3,081,588,542 to \$3,081,268,517 in total for the section.

On June 28, 2024 I approved said **Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2011**, except for those items specifically vetoed and not approved.

The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. The remaining \$2,000,000 will provide sufficient resources to establish this new program and allows the State to collect performance data in order to evaluate the need and effectiveness of the program.

Section 12.505

I hereby veto \$300,000 general revenue for House contingent expenses. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund

balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly.

For House Contingent Expenses.

From \$18,044,319 to \$17,744,319 from General Revenue Fund.

From \$28,478,466 to \$28,178,466 in total from General Revenue Fund.

From \$28,523,466 to \$28,223,466 in total for the section.

Section 12.510

I hereby veto \$236,033 general revenue for payment of organizational dues for the House of Representatives. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly.

From \$530,664 to \$294,631 General Revenue Fund.

From \$530,664 to \$294,631 in total for the section.

Section 12.515

I hereby veto \$102,000 general revenue for an additional attorney for the Joint Committee on Legislative Research. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly.

For the Legislative Research Administration.

From \$697,148 to \$595,148 from General Revenue Fund.

From \$2,330,027 to \$2,228,027 in total from General Revenue Fund.

From \$2,330,027 to \$2,228,027 in total for the section.

Section 12.530

I hereby veto \$497,250,000 Missouri State Capitol Commission Capitol Preservation Fund for transfer to the State Capitol Commission Fund. Without a detailed plan for the next phase of renovations of the Capitol Building, the full transfer is not needed at this time.

From \$597,250,000 to \$100,000,000 from Missouri State Capitol Commission Capitol Preservation Fund.

From \$597,250,000 to \$100,000,000 in total for the section.

Section 12.535

I hereby veto \$8,000,000 State Capitol Commission Fund for the planning, design, construction, acquisition, maintenance, and repairs of the State Capitol Complex. This leaves adequate funding for the planning and design of the next phase of renovations to the Capitol Building.

From \$10,000,000 to \$2,000,000 from State Capitol Commission Fund.
From \$10,000,000 to \$2,000,000 in total for the section.

On June 28, 2024 I approved **Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2012**, except for those items specifically vetoed and not approved.

This facility was appropriated \$2 million in the Fiscal Year 2024 budget which has been reappropriated in Fiscal Year 2025. Further, this appropriation prohibits a local match. State funding for local projects should at a minimum be a shared responsibility between the State and local entity.

Said section is vetoed in its entirety from \$2,000,000 to \$0 from Budget Stabilization Fund.
From \$2,000,000 to \$0 in total for the section.

I hereby veto \$3,500,000 general revenue for planning, design, maintenance, repair, acquisition, and capital improvements to the Camden County fairgrounds. The passage of SB 727 (2024) will cost the State an estimated \$400 million more annually for K-12 education once fully implemented. Fully funding the K-12 foundation formula alone in Fiscal Year 2026 is currently estimated to cost an additional \$300 million over the Fiscal Year 2025 appropriation level. Beyond this addition of nearly one billion dollars in annual obligated funding through 2031, the General Assembly spent nearly \$300 million more general revenue than my Fiscal Year 2025 recommended budget in their Truly Agreed and Finally Passed budget. My Administration has consistently prioritized the State's fiscal stability – not only for today, but for years to come. While the State may have a fund balance this fiscal year, we must maintain a balanced budget that keeps future obligations in mind, ensuring the State can maintain a AAA bond rating and continue to meet its statutory and constitutional obligations in the years to come. In light of all these factors, I have vetoed this provision in an effort to help ensure the financial stability of Missouri beyond my Administration and the current General Assembly. Further, this adjusted total is more in line with that of similar projects.

From \$4,000,000 to \$500,000 from General Revenue Fund.
From \$4,000,000 to \$500,000 in total for the section.

On June 28, 2024 I approved said **Senate Substitute for Senate Committee Substitute for House Committee Substitute for House Bill No. 2020**, except for those items specifically vetoed and not approved.

Respectfully submitted,

/s/ Michael L. Parson
Governor

Missouri House of Representatives

Jefferson City, MO 65101

Dear Ms. Miller:

Pursuant to Article III, Section 30 of the Missouri Constitution, I do hereby object to the signing of **SS SCS HCS HB 2010**.

The House did not do its work by leaving so many needs in our state unfunded. These are costs all legislators know the state will need to pay for. By not correctly funding the budget in these areas, Missourians will need a supplemental budget bill passed. Most likely this will happen in a special legislative session before the end of the calendar year, yet after the primary election in August. The special session will result in a substantial unnecessary cost to Missouri taxpayers.

Examples include:

- \$59M Cut to Consumer Directed Services
- \$27M Cut to Home and Community Based Services
- \$64M Cut providing home servicers to our developmentally disabled (DD) communities
- \$113M Cut for shift differentiation for our DD providers
- \$54M Cut for COVID-19 mitigation for our homeless and shelter communities

Please note said objection in the House Journal and annex it to **SS SCS HCS HB 2010** to be considered by the Governor in connection therewith as mandated by Article III, Section 30.

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SEVENTY-THIRD DAY, MONDAY, MAY 13, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Representative Brad Hudson.

Dear Heavenly Father,

Thank You. As we begin this final week of regular session may we do so with grateful hearts. What a privilege it is to live in a state and nation where the people choose those who will make their laws. How blessed we are to have been chosen for this time to be the people's lawmakers.

Dear God, we need wisdom. Not a single one of us can know the answers to every problem we currently face, but You do.

We need discernment. It is impossible for us to be aware of everything that is going on in the hearts of everyone we come into contact with, but You do.

We need love and humility. In ourselves none of us is capable of selflessly giving our all for the good of others, but in the person of Your Son, You already have.

Please be with us, keep Your hand upon us, and help us to finish strong.

In Jesus's name I pray, and the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the seventy-second day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SEVENTY-FOURTH DAY, TUESDAY, MAY 14, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Representative Bennie Cook.

Heavenly Father,

We thank You for granting us another day to represent the citizens of Missouri. Grant us wisdom, courage, and integrity as we carry out our responsibilities. May we seek Your guidance in every decision, striving to serve the people with fairness and justice. Bless us with the strength to face the challenges ahead. Let our actions reflect Your love and compassion, and may our work contribute to the prosperity and well-being of all citizens of Missouri.

Heavenly Father,

We thank You for the brave men and women who serve in law enforcement across our nation. We ask for Your protection over them today and every day as they perform their duties, often placing themselves in harm's way to ensure our safety.

Heavenly Father,

Today and every day we honor the service and sacrifice of those law-enforcement officers killed in the line of duty while protecting our communities. We ask that You continue to bless the families that have lost loved ones who have paid the ultimate sacrifice.

In Jesus's name we pray. And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Elin Schnelting and Laird Schnelting.

The Journal of the seventy-third day was approved as printed.

"Security interest" does not include the special property interest of a buyer of goods on identification of those goods to a contract for sale under section 400.2-401, but a buyer may also acquire a "security interest" by complying with article 9. Except as otherwise provided in section 400.2-505, the right of a seller or lessor of goods under article 2 or 2A to retain or acquire possession of the goods is not a "security interest", but a seller or lessor may also acquire a "security interest" by complying with article 9. The retention or reservation of title by a seller of goods notwithstanding shipment or delivery to the buyer under section 400.2-401 is limited in effect to a reservation of a "security interest". Whether a transaction in the form of a lease creates a "security interest" is determined pursuant to section 400.1-203.

(36) "Send", in connection with a ~~[writing,]~~ record~~;~~ or ~~[notice]~~ notification, means:

(A) to deposit in the mail ~~[or]~~, deliver for transmission, or transmit by any other usual means of communication, with postage or cost of transmission provided for ~~[and properly addressed and, in the case of an instrument, to an address specified thereon or otherwise agreed, or if there be none],~~ addressed to any address reasonable under the circumstances; or

(B) ~~[in any other way to cause to be received any record or notice within the time it would have arrived if properly sent]~~ to cause the record or notification to be received within the time it would have been received if properly sent under subparagraph (A).

(37) ~~["Signed" includes using any symbol executed or adopted with present intention to adopt or accept a writing]~~ **"Sign" means with present intent to authenticate or adopt a record:**

(A) execute or adopt a tangible symbol; or

(B) attach to or logically associate with the record an electronic symbol, sound, or process.

"Signed", "signing", and "signature" have corresponding meanings.

(38) "State" means a State of the United States, the District of Columbia, Puerto Rico, the United States Virgin Islands, or any territory or insular possession subject to the jurisdiction of the United States.

(39) "Surety" includes a guarantor or other secondary obligor.

(40) "Term" means a portion of an agreement that relates to a particular matter.

(41) "Unauthorized signature" means a signature made without actual, implied, or apparent authority. The term includes a forgery.

(42) "Warehouse receipt" means a receipt issued by a person engaged in the business of storing goods for hire.

(43) "Writing" includes printing, typewriting, or any other intentional reduction to tangible form.

"Written" has a corresponding meaning.

400.1-204. Except as otherwise provided in articles 3, 4, ~~and~~ 5, **and 12**, a person gives value for rights if the person acquires them:

(1) in return for a binding commitment to extend credit or for the extension of immediately available credit, whether or not drawn upon and whether or not a charge-back is provided for in the event of difficulties in collection;

(2) as security for, or in total or partial satisfaction of, a preexisting claim;

(3) by accepting delivery under a preexisting contract for purchase; or

(4) in return for any consideration sufficient to support a simple contract.

400.1-301. (a) Except as otherwise provided in this section, when a transaction bears a reasonable relation to this state and also to another state or nation the parties may agree that the law either of this state or of such other state or nation shall govern their rights and duties.

(b) In the absence of an agreement effective under subsection (a), and except as provided in subsection (c), this chapter applies to transactions bearing an appropriate relation to this state.

(c) If one of the following provisions of this chapter specifies the applicable law, that provision governs and a contrary agreement is effective only to the extent permitted by the law so specified:

(1) section 400.2-402;

(2) sections 400.2A-105 and 400.2A-106;

(3) section 400.4-102;

(4) section 400.4A-507;

(5) section 400.5-116;

(6) section 400.8-110;

(7) sections 400.9-301 through 400.9-307;

(8) section 400.12-107.

400.1-306. A claim or right arising out of an alleged breach may be discharged in whole or in part without consideration by agreement of the aggrieved party in ~~[an authenticated]~~ **a signed** record.

400.2-102. ~~(1) Unless the context otherwise requires, [this article applies to transactions in goods; it does not apply to any transaction which although in the form of an unconditional contract to sell or present sale is intended to operate only as a security transaction nor does this article impair or repeal any statute regulating sales to consumers, farmers or other specified classes of buyers] and except as provided in subsection (3), this Article applies to transactions in goods and, in the case of a hybrid transaction, it applies to the extent provided in subsection (2).~~

(2) In a hybrid transaction:

(a) If the sale-of-goods aspects do not predominate, only the provisions of this Article which relate primarily to the sale-of-goods aspects of the transaction apply, and the provisions that relate primarily to the transaction as a whole do not apply.

(b) If the sale-of-goods aspects predominate, this Article applies to the transaction but does not preclude application in appropriate circumstances of other law to aspects of the transaction which do not relate to the sale of goods.

(3) This Article does not:

(a) Apply to a transaction that, even though in the form of an unconditional contract to sell or present sale, operates only to create a security interest; or

(b) Impair or repeal a statute regulating sales to consumers, farmers, or other specified classes of buyers.

400.2-106. (1) In this article unless the context otherwise requires "contract" and "agreement" are limited to those relating to the present or future sale of goods. "Contract for sale" includes both a present sale of goods and a contract to sell goods at a future time. A "sale" consists in the passing of title from the seller to the buyer for a price (section 400.2-401). A "present" means a sale which is accomplished by the making of the contract.

(2) Goods or conduct including any part of a performance are "conforming" or conform to the contract when they are in accordance with the obligations under the contract.

(3) "Termination" occurs when either party pursuant to a power created by agreement or law puts an end to the contract otherwise than for its breach. On "termination" all obligations which are still executory on both sides are discharged but any right based on prior breach or performance survives.

(4) "Cancellation" occurs when either party puts an end to the contract for breach by the other and its effect is the same as that of "termination" except that the cancelling party also retains any remedy for breach of the whole contract or any unperformed balance.

(5) "Hybrid transaction" means a single transaction involving a sale of goods and:

(a) the provision of services;

(b) a lease of other goods; or

(c) a sale, lease, or license of property other than goods.

400.2-201. (1) Except as otherwise provided in this section a contract for the sale of goods for the price of five hundred dollars or more is not enforceable by way of action or defense unless there is ~~[some writing]~~ **a record** sufficient to indicate that a contract for sale has been made between the parties and signed by the party against whom enforcement is sought or by ~~[his]~~ **the party's** authorized agent or broker. A ~~[writing]~~ **record** is not insufficient because it omits or incorrectly states a term agreed upon but the contract is not enforceable under this ~~[paragraph]~~ **subsection** beyond the quantity of goods shown in ~~[such writing]~~ **the record**.

(2) Between merchants if within a reasonable time a ~~[writing]~~ **record** in confirmation of the contract and sufficient against the sender is received and the party receiving it has reason to know its contents, it satisfies the requirements of subsection (1) against ~~[such]~~ **the party** unless ~~[written]~~ **notice in a record** of objection to its contents is given within ten days after it is received.

(3) A contract which does not satisfy the requirements of subsection (1) but which is valid in other respects is enforceable

(a) if the goods are to be specially manufactured for the buyer and are not suitable for sale to others in the ordinary course of the seller's business and the seller, before notice of repudiation is received and under circumstances which reasonably indicate that the goods are for the buyer, has made either a substantial beginning of their manufacture or commitments for their procurement; or

(b) if the party against whom enforcement is sought admits in his pleading, testimony or otherwise in court that a contract for sale was made but the contract is not enforceable under this provision beyond the quantity of goods admitted; or

(c) with respect to goods for which payment has been made and accepted or which have been received and accepted (section 400.2-606).

400.2-202. Terms with respect to which the confirmatory memoranda of the parties agree or which are otherwise set forth in a ~~[writing]~~ **record** intended by the parties as a final expression of their agreement with respect to such terms as are included therein may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement but may be explained or supplemented

(a) by course of dealing or usage of trade (section 400.1-205) or by course of performance (section 400.2-208); and

(b) by evidence of consistent additional terms unless the court finds the ~~[writing]~~ **record** to have been intended also as a complete and exclusive statement of the terms of the agreement.

400.2-203. The affixing of a seal to a ~~[writing]~~ **record** evidencing a contract for sale or an offer to buy or sell goods does not constitute the ~~[writing]~~ **record** a sealed instrument and the law with respect to sealed instruments does not apply to such a contract or offer.

400.2-205. An offer by a merchant to buy or sell goods in a signed ~~[writing]~~ **record** which by its terms gives assurance that it will be held open is not revocable, for lack of consideration, during the time stated or if no

time is stated for a reasonable time, but in no event may such period of irrevocability exceed three months; but any such term of assurance on a form supplied by the offeree must be separately signed by the offeror.

400.2-209. (1) An agreement modifying a contract within this article needs no consideration to be binding.

(2) A signed agreement which excludes modification or rescission except by a signed writing **or other signed record** cannot be otherwise modified or rescinded, but except as between merchants such a requirement on a form supplied by the merchant must be separately signed by the other party.

(3) The requirements of the statute of frauds section of this article (section 400.2-201) must be satisfied if the contract as modified is within its provisions.

(4) Although an attempt at modification or rescission does not satisfy the requirements of subsection (2) or (3) it can operate as a waiver.

(5) A party who has made a waiver affecting an executory portion of the contract may retract the waiver by reasonable notification received by the other party that strict performance will be required of any term waived, unless the retraction would be unjust in view of a material change of position in reliance on the waiver.

400.2A-102 (1) This Article applies to any transaction, regardless of form, that creates a lease **and, in the case of a hybrid lease, it applies to the extent provided in subsection (2).**

(2) **In a hybrid lease:**

(a) **If the lease-of-goods aspects do not predominate:**

(i) **Only the provisions of this Article which relate primarily to the lease-of-goods aspects of the transaction apply, and the provisions that relate primarily to the transaction as a whole do not apply;**

(ii) **Section 400.2A-209 applies if the lease is a finance lease; and**

(iii) **Section 400.2A-407 applies to the promises of the lessee in a finance lease to the extent the promises are consideration for the right to possession and use of the leased goods; and**

(b) **If the lease-of-goods aspects predominate, this Article applies to the transaction, but does not preclude application in appropriate circumstances of other law to aspects of the lease which do not relate to the lease of goods.**

400.2A-103 (1) In this article unless the context otherwise requires:

(a) "Buyer in ordinary course of business" means a person who in good faith and without knowledge that the sale to him or her is in violation of the ownership rights or security interest or leasehold interest of a third party in the goods buys in ordinary course from a person in the business of selling goods of that kind but does not include a pawnbroker. "Buying" may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a preexisting contract for sale but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(b) "Cancellation" occurs when either party puts an end to the lease contract for default by the other party.

(c) "Commercial unit" means such a unit of goods as by commercial usage is a single whole for purposes of lease and division of which materially impairs its character or value on the market or in use. (d) "Conforming" goods or performance under a lease contract means goods or performance that are in accordance with the obligations under the lease contract.

(e) "Consumer lease" means a lease that a lessor regularly engaged in the business of leasing or selling makes to a lessee who is an individual and who takes under the lease primarily for a personal, family, or household purpose, if the total payments to be made under the lease contract, excluding payments for option to renew or buy, do not exceed fifty thousand dollars.

(f) "Fault" means wrongful act, omission, breach, or default.

(g) "Finance lease" means a lease with respect to which:

(B) the lessee's approval of the contract by which the lessor acquired the goods or the right to possession and use of the goods is a condition to effectiveness of the lease contract;

(C) the lessor (aa) informs the lessee in writing of the identity of the supplier, unless the lessee has selected the supplier and directed the lessor to purchase the goods from the supplier, (bb) informs the lessee in writing that the lessee may have rights under the contract evidencing the lessor's purchase of the goods, and (cc) advised the lessee in writing to contact the supplier for a description of any such rights, or

(D) the lease contract discloses all warranties and other rights provided to the lessee by the lessor and supplier in connection with the lease contract and informs the lessee that there are no warranties or other rights provided to the lessee by the lessor and supplier other than those disclosed in the lease contract.

(h) "Goods" means all things that are movable at the time of identification to the lease contract, or are fixtures as defined in Section 400.2A-309, but the term does not include money, documents, instruments, accounts, chattel paper, general intangibles, or minerals or the like, including oil and gas, before extraction. (j) "Lease" means a transfer of the right to possession and use of goods for a term in return for consideration, but a sale, including a sale on approval or a sale or return, or retention or creation of a security interest is not a lease. Unless the context clearly indicates otherwise, the term includes a sublease.

(k) "Lease agreement" means the bargain, with respect to the lease, of the lessor and the lessee in fact as found in their language or by implication from other circumstances including course of dealing or usage of trade or course of performance as provided in this Article. Unless the context clearly indicates otherwise, the term includes a sublease agreement.

(l) "Lease contract" means the total legal obligation that results from the lease agreement as affected by this Article and any other applicable rules of law. Unless the context clearly indicates otherwise, the term includes a sublease contract.

(m) "Leasehold interest" means the interest of the lessor or the lessee under a lease contract.

"Leasing" may be for cash or by exchange of other property or on secured or unsecured credit and includes receiving goods or documents of title under a preexisting lease contract but does not include a transfer in bulk or as security for or in total or partial satisfaction of a money debt.

(p) "Lessor" means a person who transfers the right to possession and use of goods under a lease. Unless the context clearly indicates otherwise, the term includes a sublessor.

(q) "Lessor's residual interest" means the lessor's interest in the goods after expiration, termination, or cancellation of the lease contract.

(r) "Lien" means a charge against or interest in goods to secure payment of a debt or performance of an obligation, but the term does not include a security interest.

(t) "Merchant lessee" means a lessee that is a merchant with respect to goods of the kind subject to the lease.

(u) "Present value" means the amount as of a date certain of one or more sums payable in the future, discounted to the date certain. The discount is determined by the interest rate specified by the parties if the rate was not manifestly unreasonable at the time the transaction was entered into; otherwise, the discount is determined by a commercially reasonable rate that takes into account the facts and circumstances of each case at the time the transaction was entered into.

(v) "Purchase" includes taking by sale, lease, mortgage, security interest, pledge, gift, or any other voluntary transaction creating an interest in goods.

(w) "Sublease" means a lease of goods the right to possession and use of which was acquired by the lessor as a lessee under an existing lease.

(4) In addition article 1 contains general definitions and principles of construction and interpretation applicable throughout this article.

400.2A-107 Any claim or right arising out of an alleged default or breach of warranty may be discharged in whole or in part without consideration by a ~~written~~ waiver or renunciation in a signed ~~and~~ record delivered by the aggrieved party.

400.2A-201 (1) A lease contract is not enforceable by way of action or defense unless:

- (a) the total payments to be made under the lease contract, excluding payments for options to renew or buy, are less than one thousand dollars; or
- (b) there is a ~~writing~~ record, signed by the party against whom enforcement is sought or by that party's authorized agent, sufficient to indicate that a lease contract has been made between the parties and to describe the goods leased and the lease term.

(2) Any description of leased goods or of the lease term is sufficient and satisfies subsection (1)(b), whether or not it is specific, if it reasonably identifies what is described.

(3) A ~~writing~~ record is not insufficient because it omits or incorrectly states a term agreed upon, but the lease contract is not enforceable under subsection (1)(b) beyond the lease term and the quantity of goods shown in the ~~writing~~ record.

(4) A lease contract that does not satisfy the requirements of subsection (1), but which is valid in other respects, is enforceable:

- (a) if the goods are to be specifically manufactured or obtained for the lessee and are not suitable for lease or sale to others in the ordinary course of the lessor's business, and the lessor, before notice of repudiation is received and under circumstances that reasonably indicate that the goods are for the lessee, has made either a substantial beginning of their manufacture or commitments for their procurement;

(b) if the party against whom enforcement is sought admits in that party's pleading, testimony or otherwise in court that a lease contract was made, but the lease contract is not enforceable under this provision beyond the quantity of goods admitted; or

(c) with respect to goods that have been received and accepted by the lessee.

(5) The lease term under a lease contract referred to in subsection (4) is:

(a) if there is a **[writing] record** signed by the party against whom enforcement is sought or by that party's authorized agent specifying the lease term, the term so specified;

(b) if the party against whom enforcement is sought admits in that party's pleading, testimony, or otherwise in court a lease term, the term so admitted; or

(c) a reasonable lease term.

400.2A-202 Terms with respect to which the confirmatory memoranda of the parties agree or which are otherwise set forth in a **[writing] record** intended by the parties as a final expression of their agreement with respect to such terms as are included therein may not be contradicted by evidence of any prior agreement or of a contemporaneous oral agreement but may be explained or supplemented:

(a) by course of dealing or usage of trade or by course of performance; and

(b) by evidence of consistent additional terms unless the court finds the **[writing] record** to have been intended also as a complete and exclusive statement of the terms of the agreement.

400.2A-203 The affixing of a seal to a **[writing] record** evidencing a lease contract or an offer to enter into a lease contract does not render the **[writing] record** a sealed instrument and the law with respect to sealed instruments does not apply to the lease contract or offer.

400.2A-205 An offer by a merchant to lease goods to or from another person in a signed **[writing] record** that by its terms gives assurance it will be held open is not revocable, for lack of consideration, during the time stated or, if no time is stated, for a reasonable time, but in no event may the period of irrevocability exceed three months. Any such term of assurance on a form supplied by the offeree must be separately signed by the offeror.

400.2A-208 (1) An agreement modifying a lease contract needs no consideration to be binding.

(2) A signed lease agreement that excludes modification or rescission except by a signed **[writing] record** may not be otherwise modified or rescinded, but, except as between merchants, such a requirement on a form supplied by a merchant must be separately signed by the other party.

(3) Although an attempt at modification or rescission does not satisfy the requirements of subsection (2), it may operate as a waiver.

(4) A party who has made a waiver affecting an executory portion of a lease contract may retract the waiver by reasonable notification received by the other party that strict performance will be required of any term waived, unless the retraction would be unjust in view of a material change of position in reliance on the waiver.

400.3-104. (a) Except as provided in subsections (c) and (d), "negotiable instrument" means an unconditional promise or order to pay a fixed amount of money, with or without interest or other charges described in the promise or order, if it:

(1) is payable to bearer or to order at the time it is issued or first comes into possession of a holder;

(2) is payable on demand or at a definite time; and

(3) does not state any other undertaking or instruction by the person promising or ordering payment to do any act in addition to the payment of money, but the promise or order may contain (i) an undertaking or power to give, maintain, or protect collateral to secure payment, (ii) an authorization or power to the holder to confess judgment or realize on or dispose of collateral, ~~or~~ (iii) a waiver of the benefit of any law intended for the advantage or protection of an obligor, **(iv) a term that specifies the law that governs the promise or order, or (v) an undertaking to resolve in a specified forum a dispute concerning the promise or order.**

(b) "Instrument" means a negotiable instrument.

(c) An order that meets all of the requirements of subsection (a), except paragraph (1), and otherwise falls within the definition of "check" in subsection (f) is a negotiable instrument and a check.

(d) A promise or order other than a check is not an instrument if, at the time it is issued or first comes into possession of a holder, it contains a conspicuous statement, however expressed, to the effect that the promise or order is not negotiable or is not an instrument governed by this Article.

(e) An instrument is a "note" if it is a promise and is a "draft" if it is an order. If an instrument falls within the definition of both "note" and "draft," a person entitled to enforce the instrument may treat it as either.

(f) "Check" means (i) a draft, other than a documentary draft, payable on demand and drawn on a bank or (ii) a cashier's check or teller's check. An instrument may be a check even though it is described on its face by another term, such as "money order."

(g) "Cashier's check" means a draft with respect to which the drawer and drawee are the same bank or branches of the same bank.

(h) "Teller's check" means a draft drawn by a bank (i) on another bank, or (ii) payable at or through a bank.

(i) "Traveler's check" means an instrument that (i) is payable on demand, (ii) is drawn on or payable at or through a bank, (iii) is designated by the term "traveler's check" or by a substantially similar term, and (iv) requires, as a condition to payment, a countersignature by a person whose specimen signature appears on the instrument.

(j) "Certificate of deposit" means an instrument containing an acknowledgement by a bank that a sum of money has been received by the bank and a promise by the bank to repay the sum of money. A certificate of deposit is a note of the bank.

(k) "Demand draft", a writing not signed by the customer that is created by a third party under the purported authority of the customer for the purpose of charging the customer's account with a bank. A demand draft shall contain the customer's account number and may contain any or all of the following:

- a. The customer's printed or typewritten name;
- b. A notation that the customer authorized the draft; or
- c. The statement "No signature required" or words to that effect.

A demand draft shall not include a check purportedly drawn by and bearing the signature of a fiduciary, as defined in paragraph (1) of subsection (a) of section 400.3.-307.

400.3-105. (a) "Issue" means:

(1) the first delivery of an instrument by the maker or drawer, whether to a holder or nonholder, for the purpose of giving rights on the instrument to any person; or

(2) **if agreed by the payee, the first transmission by the drawer to the payee of an image of an item and information derived from the item that enables the depository bank to collect the item by transferring or presenting under federal law an electronic check.**

(b) An unissued instrument, or an unissued incomplete instrument that is completed, is binding on the maker or drawer, but nonissuance is a defense. An instrument that is conditionally issued or is issued for a special purpose is binding on the maker or drawer, but failure of the condition or special purpose to be fulfilled is a defense.

(c) "Issuer" applies to issued and unissued instruments and means a maker or drawer of an instrument.

400.3-401. ~~[(a)]~~ A person is not liable on an instrument unless (i) the person signed the instrument, or (ii) the person is represented by an agent or representative who signed the instrument and the signature is binding on the represented person under Section 400.3-402.

~~[(b) A signature may be made (i) manually or by means of a device or machine, and (ii) by the use of any name, including a trade or assumed name, or by a word, mark, or symbol executed or adopted by a person with present intention to authenticate a writing.]~~

400.3-604. (a) A person entitled to enforce an instrument, with or without consideration, may discharge the obligation of a party to pay the instrument (i) by an intentional voluntary act, such as surrender of the instrument to the party, destruction, mutilation, or cancellation of the instrument, cancellation or striking out of the party's signature, or the addition of words to the instrument indicating discharge, or (ii) by agreeing not to sue or otherwise renouncing rights against the party by a signed ~~[writing]~~ record. **The obligation of a party to pay a check is not discharged solely by destruction of the check in connection with a process in which information is extracted from the check and an image of the check is made and, subsequently, the information and image are transmitted for payment.**

(b) Cancellation or striking out of an endorsement pursuant to subsection (a) does not affect the status and rights of a party derived from the endorsement.

400.4A-103 (a) In this Article:

(1) "Payment order" means an instruction of a sender to a receiving bank, transmitted orally~~]~~ ~~electronically]~~ or in ~~[writing]~~ a record, to pay, or to cause another bank to pay, a fixed or determinable amount of money to a beneficiary if:

(i) the instruction does not state a condition to payment to the beneficiary other than time of payment;

(ii) the receiving bank is to be reimbursed by debiting an account of, or otherwise receiving payment from, the sender; and

(iii) the instruction is transmitted by the sender directly to the receiving bank or to an agent, funds-transfer system, or communication system for transmittal to the receiving bank;

(2) "Beneficiary" means the person to be paid by the beneficiary's bank;

(3) "Beneficiary's bank" means the bank identified in a payment order in which an account of the beneficiary is to be credited pursuant to the order or which otherwise is to make payment to the beneficiary if the order does not provide for payment to an account;

(4) "Receiving bank" means the bank to which the sender's instruction is addressed;

(5) "Sender" means the person giving the instruction to the receiving bank.

(b) If an instruction complying with subsection (a)(1) is to make more than one payment to a beneficiary, the instruction is a separate payment order with respect to each payment.

(c) A payment order is issued when it is sent to the receiving bank.

400.4A-201 "Security procedure" means a procedure established by agreement of a customer and a receiving bank for the purpose of (i) verifying that a payment order or communication amending or cancelling a payment order is that of the customer, or (ii) detecting error in the transmission or the content of the payment order or communication. A security procedure may **impose an obligation on the receiving bank or the customer and** require the use of algorithms or other codes, identifying words ~~[or]~~, numbers, **symbols, sounds, biometrics**, encryption, callback procedures, or similar security devices. Comparison of a signature on a payment order or communication with an authorized specimen signature of the customer **or requiring a payment order to be sent from a known email address, IP address, or telephone number** is not by itself a security procedure.

400.4A-202 (a) A payment order received by the receiving bank is the authorized order of the person identified as sender if that person authorized the order or is otherwise bound by it under the law of agency.

(b) If a bank and its customer have agreed that the authenticity of payment orders issued to the bank in the name of the customer as sender will be verified pursuant to a security procedure, a payment order received by the receiving bank is effective as the order of the customer, whether or not authorized, if (i) the security procedure is a commercially reasonable method of providing security against unauthorized payment orders, and (ii) the bank proves that it accepted the payment order in good faith and in compliance with **the bank's obligations under** the security procedure and any ~~[written]~~ agreement or instruction of the customer, **evidenced by a record**, restricting acceptance of payment orders issued in the name of the customer. The bank is not required to follow an instruction that violates ~~[a written]~~ **an agreement with the customer, evidenced by a record**, or notice of which is not received at a time and in a manner affording the bank a reasonable opportunity to act on it before the payment order is accepted.

(c) Commercial reasonableness of a security procedure is a question of law to be determined by considering the wishes of the customer expressed to the bank, the circumstances of the customer known to the bank, including the size, type, and frequency of payment orders normally issued by the customer to the bank, alternative security procedures offered to the customer, and security procedures in general use by customers and receiving banks similarly situated. A security procedure is deemed to be commercially reasonable if (i) the security procedure was chosen by the customer after the bank offered, and the customer refused, a security procedure that was commercially reasonable for that customer, and (ii) the customer expressly agreed in ~~[writing]~~ **a record** to be bound by any payment order, whether or not authorized, issued in its name and accepted by the bank in compliance with the **bank's obligations under** the security procedure chosen by the customer.

(d) The term "sender" in this Article includes the customer in whose name a payment order is issued if the order is the authorized order of the customer under subsection (a), or it is effective as the order of the customer under subsection (b).

(e) This section applies to amendments and cancellations of payment orders to the same extent it applies to payment orders.

(f) Except as provided in this section and in section 400.4A-203(a)(1), rights and obligations arising under this section or section 400.4A-203 may not be varied by agreement.

400.4A-203 (a) If an accepted payment order is not, under section 400.4A-202(a), an authorized order of a customer identified as sender, but is effective as an order of the customer pursuant to section 400.4A-202(b), the following rules apply:

(1) By express ~~[written]~~ agreement **evidenced by a record**, the receiving bank may limit the extent to which it is entitled to enforce or retain payment of the payment order.

(2) The receiving bank is not entitled to enforce or retain payment of the payment order if the customer proves that the order was not caused, directly or indirectly, by a person (i) entrusted at any time with duties to act for the customer with respect to payment orders or the security procedure, or (ii) who obtained access to transmitting facilities of the customer or who obtained, from a source controlled by the customer and without authority of the receiving bank, information facilitating breach of the security procedure, regardless of how the information was obtained or whether the customer was at fault. Information includes any access device, computer software, or the like.

(b) This section applies to amendments of payment orders to the same extent it applies to payment orders.

400.4A-207 (a) Subject to subsection (b), if, in a payment order received by the beneficiary's bank, the name, bank account number, or other identification of the beneficiary refers to a nonexistent or unidentifiable person or account, no person has rights as a beneficiary of the order and acceptance of the order cannot occur.

(b) If a payment order received by the beneficiary's bank identifies the beneficiary both by name and by an identifying or bank account number and the name and number identify different persons, the following rules apply:

(1) Except as otherwise provided in subsection 3 of this section, if the beneficiary's bank does not know that the name and number refer to different persons, it may rely on the number as the proper identification of the beneficiary of the order. The beneficiary's bank need not determine whether the name and number refer to the same person.

(2) If the beneficiary's bank pays the person identified by name or knows that the name and number identify different persons, no person has rights as beneficiary except the person paid by the beneficiary's bank if that person was entitled to receive payment from the originator of the funds transfer. If no person has rights as beneficiary, acceptance of the order cannot occur.

(c) If (i) a payment order described in subsection (b) is accepted, (ii) the originator's payment order described the beneficiary inconsistently by name and number, and (iii) the beneficiary's bank pays the person identified by number as permitted by subsection (b)(1), the following rules apply:

(1) If the originator is a bank, the originator is obliged to pay its order.

(2) If the originator is not a bank and proves that the person identified by number was not entitled to receive payment from the originator, the originator is not obliged to pay its order unless the originator's bank proves that the originator, before acceptance of the originator's order, had notice that payment of a payment order issued by the originator might be made by the beneficiary's bank on the basis of an identifying or bank account number even if it identifies a person different from the named beneficiary. Proof of notice may be made by any admissible evidence. The originator's bank satisfies the burden of proof if it proves that the originator, before the payment order was accepted, signed a ~~writing~~ **record** stating the information to which the notice relates.

(d) In a case governed by subsection (b)(1), if the beneficiary's bank rightfully pays the person identified by number and that person was not entitled to receive payment from the originator, the amount paid may be recovered from that person to the extent allowed by the law governing mistake and restitution as follows:

(1) If the originator is obliged to pay its payment order as stated in subsection (c), the originator has the right to recover;

(2) If the originator is not a bank and is not obliged to pay its payment order, the originator's bank has the right to recover.

400.4A-208 (a) This subsection applies to a payment order identifying an intermediary bank or the beneficiary's bank only by an identifying number:

(1) The receiving bank may rely on the number as the proper identification of the intermediary or beneficiary's bank and need not determine whether the number identifies a bank.

(2) The sender is obliged to compensate the receiving bank for any loss and expenses incurred by the receiving bank as a result of its reliance on the number in executing or attempting to execute the order.

(b) This subsection applies to a payment order identifying an intermediary bank or the beneficiary's bank both by name and an identifying number if the name and number identify different persons.

(1) If the sender is a bank, the receiving bank may rely on the number as the proper identification of the intermediary or beneficiary's bank if the receiving bank, when it executes the sender's order, does not know that the name and number identify different persons. The receiving bank need not determine whether the name and number refer to the same person or whether the number refers to a bank. The sender is obliged to compensate the receiving bank for any loss and expenses incurred by the receiving bank as a result of its reliance on the number in executing or attempting to execute the order.

(2) If the sender is not a bank and the receiving bank proves that the sender, before the payment order was accepted, had notice that the receiving bank might rely on the number as the proper identification of the intermediary or beneficiary's bank even if it identifies a person different from the bank identified by name, the rights and obligations of the sender and the receiving bank are governed by subsection (b)(1), as though the sender were a bank. Proof of notice may be made by any admissible evidence. The receiving bank satisfies the burden of proof if it proves that the sender, before the payment order was accepted, signed a ~~writing~~ **record** stating the information to which the notice relates.

(3) Regardless of whether the sender is a bank, the receiving bank may rely on the name as the proper identification of the intermediary or beneficiary's bank if the receiving bank, at the time it executes the sender's

order, does not know that the name and number identify different persons. The receiving bank need not determine whether the name and number refer to the same person.

(4) If the receiving bank knows that the name and number identify different persons, reliance on either the name or the number in executing the sender's payment order is a breach of the obligation stated in section 400.4A-302(a)(1).

400.4A-210 (a) A payment order is rejected by the receiving bank by a notice of rejection transmitted to the sender orally~~[-electronically,]~~ or in ~~[writing]~~ **a record**. A notice of rejection need not use any particular words and is sufficient if it indicates that the receiving bank is rejecting the order or will not execute or pay the order. Rejection is effective when the notice is given if transmission is by a means that is reasonable in the circumstances. If notice of rejection is given by a means that is not reasonable, rejection is effective when the notice is received. If an agreement of the sender and receiving bank establishes the means to be used to reject a payment order, (i) any means complying with the agreement is reasonable and (ii) any means not complying is not reasonable unless no significant delay in receipt of the notice resulted from the use of the noncomplying means.

(b) This subsection applies if a receiving bank other than the beneficiary's bank fails to execute a payment order despite the existence on the execution date of a withdrawable credit balance in an authorized account of the sender sufficient to cover the order. If the sender does not receive notice of rejection of the order on the execution date and the authorized account of the sender does not bear interest, the bank is obliged to pay interest to the sender on the amount of the order for the number of days elapsing after the execution date to the earlier of the day the order is cancelled pursuant to section 400.4A-211(d) or the day the sender receives notice or learns that the order was not executed, counting the final day of the period as an elapsed day. If the withdrawable credit balance during that period falls below the amount of the order, the amount of interest is reduced accordingly.

(c) If a receiving bank suspends payments, all unaccepted payment orders issued to it are deemed rejected at the time the bank suspends payments.

(d) Acceptance of a payment order precludes a later rejection of the order. Rejection of a payment order precludes a later acceptance of the order.

400.4A-211 (a) A communication of the sender of a payment order cancelling or amending the order may be transmitted to the receiving bank orally~~[-electronically,]~~ or in ~~[writing]~~ **a record**. If a security procedure is in effect between the sender and the receiving bank, the communication is not effective to cancel or amend the order unless the communication is verified pursuant to the security procedure or the bank agrees to the cancellation or amendment.

(b) Subject to subsection (a), a communication by the sender cancelling or amending a payment order is effective to cancel or amend the order if notice of the communication is received at a time and in a manner affording the receiving bank a reasonable opportunity to act on the communication before the bank accepts the payment order.

(c) After a payment order has been accepted, cancellation or amendment of the order is not effective unless the receiving bank agrees or a funds-transfer system rule allows cancellation or amendment without agreement of the bank.

(1) With respect to a payment order accepted by a receiving bank other than the beneficiary's bank, cancellation or amendment is not effective unless a conforming cancellation or amendment of the payment order issued by the receiving bank is also made.

(2) With respect to a payment order accepted by the beneficiary's bank, cancellation or amendment is not effective unless the order was issued in execution of an unauthorized payment order, or because of a mistake by a sender in the funds transfer which resulted in the issuance of a payment order (i) that is a duplicate of a payment order previously issued by the sender, (ii) that orders payment to a beneficiary not entitled to receive payment from the originator, or (iii) that orders payment in an amount greater than the amount the beneficiary was entitled to receive from the originator. If the payment order is cancelled or amended, the beneficiary's bank is entitled to recover from the beneficiary any amount paid to the beneficiary to the extent allowed by the law governing mistake and restitution.

(d) An unaccepted payment order is cancelled by operation of law at the close of the fifth funds-transfer business day of the receiving bank after the execution date or payment date of the order.

(e) A cancelled payment order cannot be accepted. If an accepted payment order is cancelled, the acceptance is nullified and no person has any right or obligation based on the acceptance. Amendment of a payment order is deemed to be cancellation of the original order at the time of amendment and issue of a new payment order in the amended form at the same time.

(f) Unless otherwise provided in an agreement of the parties or in a funds-transfer system rule, if the receiving bank, after accepting a payment order, agrees to cancellation or amendment of the order by the sender or is bound by a funds-transfer system rule allowing cancellation or amendment without the bank's agreement, the sender,

whether or not cancellation or amendment is effective, is liable to the bank for any loss and expenses, including reasonable attorney's fees, incurred by the bank as a result of the cancellation or amendment or attempted cancellation or amendment.

(g) A payment order is not revoked by the death or legal incapacity of the sender unless the receiving bank knows of the death or of an adjudication of incapacity by a court of competent jurisdiction and has reasonable opportunity to act before acceptance of the order.

(h) A funds-transfer system rule is not effective to the extent it conflicts with subsection (c)(2).

400.4A-305 (a) If a funds transfer is completed but execution of a payment order by the receiving bank in breach of section 400.4A-302 results in delay in payment to the beneficiary, the bank is obliged to pay interest to either the originator or the beneficiary of the funds transfer for the period of delay caused by the improper execution. Except as provided in subsection (c), additional damages are not recoverable.

(b) If execution of a payment order by a receiving bank in breach of section 400.4A-302 results in (i) noncompletion of the funds transfer, (ii) failure to use an intermediary bank designated by the originator, or (iii) issuance of a payment order that does not comply with the terms of the payment order of the originator, the bank is liable to the originator for its expenses in the funds transfer and for incidental expenses and interest losses, to the extent not covered by subsection (a), resulting from the improper execution. Except as provided in subsection (c), additional damages are not recoverable.

(c) In addition to the amounts payable under subsections (a) and (b), damages, including consequential damages, are recoverable to the extent provided in an express ~~written~~ agreement of the receiving bank, **evidenced by a record**.

(d) If a receiving bank fails to execute a payment order it was obliged by express agreement to execute, the receiving bank is liable to the sender for its expenses in the transaction and for incidental expenses and interest losses resulting from the failure to execute. Additional damages, including consequential damages, are recoverable to the extent provided in an express ~~written~~ agreement of the receiving bank, **evidenced by a record**, but are not otherwise recoverable.

(e) Reasonable attorney's fees are recoverable if demand for compensation under subsection (a) or (b) is made and refused before an action is brought on the claim. If a claim is made for breach of an agreement under subsection (d) and the agreement does not provide for damages, reasonable attorney's fees are recoverable if demand for compensation under subsection (d) is made and refused before an action is brought on the claim.

(f) Except as stated in this section, the liability of a receiving bank under subsections (a) and (b) may not be varied by agreement.

400.5-104. A letter of credit, confirmation, advice, transfer, amendment or cancellation may be issued in any form that is a **signed** record ~~and is authenticated:~~

~~(i) By a signature; or~~

~~(ii) In accordance with the agreement of the parties or the standard practice referred to in section 400.5-108(e).~~

400.5-116. (a) The liability of an issuer, nominated person or adviser for action or omission is governed by the law of the jurisdiction chosen by an agreement in the form of a record signed ~~or otherwise authenticated~~ by the affected parties ~~in the manner provided in section 400.5-104~~ or by a provision in the person's letter of credit, confirmation or other undertaking. The jurisdiction whose law is chosen need not bear any relation to the transaction.

(b) Unless subsection (a) applies, the liability of an issuer, nominated person or adviser for action or omission is governed by the law of the jurisdiction in which the person is located. The person is considered to be located at the address indicated in the person's undertaking. If more than one address is indicated, the person is considered to be located at the address from which the person's undertaking was issued.

(c) For the purpose of jurisdiction, choice of law and recognition of interbranch letters of credit, but not enforcement of a judgment, all branches of a bank are considered separate juridical entities and a bank is considered to be located at the place where its relevant branch is considered to be located under ~~this~~ subsection (d).

(d) A branch of a bank is considered to be located at the address indicated in the branch's undertaking. If more than one address is indicated, the branch is considered to be located at the address from which the undertaking was issued.

~~[(e)]~~ (e) Except as otherwise provided in this subsection, the liability of an issuer, nominated person or adviser is governed by any rules of custom or practice, such as the Uniform Customs and Practice for Documentary Credits, to which the letter of credit, confirmation or other undertaking is expressly made subject. If:

(i) This article would govern the liability of an issuer, nominated person or adviser under subsection (a) or (b);

(ii) The relevant undertaking incorporates rules of custom or practice; and

(iii) There is a conflict between this article and those rules as applied to that undertaking, those rules govern except to the extent of any conflict with the nonvariable provisions specified in section 400.5-103(c).

~~[(d)]~~ (f) If there is conflict between this article and article 3, 4, 4A or 9 of this chapter, this article governs.

~~[(e)]~~ (g) The forum for settling disputes arising out of an undertaking within this article may be chosen in the manner and with the binding effect that governing law may be chosen in accordance with subsection (a).

400.7-106. (a) A person has control of an electronic document of title if a system employed for evidencing the transfer of interests in the electronic document reliably establishes that person as the person to which the electronic document was issued or transferred.

(b) A system satisfies subsection (a), and a person ~~[is deemed to have]~~ **has** control of an electronic document of title, if the document is created, stored, and ~~[assigned]~~ **transferred** in ~~[such]~~ a manner that:

(1) a single authoritative copy of the document exists which is unique, identifiable, and, except as otherwise provided in paragraphs (4), (5), and (6), unalterable;

(2) the authoritative copy identifies the person asserting control as:

(A) the person to which the document was issued; or

(B) if the authoritative copy indicates that the document has been transferred, the person to which the document was most recently transferred;

(3) the authoritative copy is communicated to and maintained by the person asserting control or its designated custodian;

(4) copies or amendments that add or change an identified ~~[assignee]~~ **transferee** of the authoritative copy can be made only with the consent of the person asserting control;

(5) each copy of the authoritative copy and any copy of a copy is readily identifiable as a copy that is not the authoritative copy; and

(6) any amendment of the authoritative copy is readily identifiable as authorized or unauthorized.

(c) A system satisfies subsection (a), and a person has control of an electronic document of title, if an authoritative electronic copy of the document, a record attached to or logically associated with the electronic copy, or a system in which the electronic copy is recorded:

(1) enables the person readily to identify each electronic copy as either an authoritative copy or a nonauthoritative copy;

(2) enables the person readily to identify itself in any way, including by name, identifying number, cryptographic key, office, or account number, as the person to which each authoritative electronic copy was issued or transferred; and

(3) gives the person exclusive power, subject to subsection (d), to:

(A) prevent others from adding or changing the person to which each authoritative electronic copy has been issued or transferred; and

(B) transfer control of each authoritative electronic copy.

(d) Subject to subsection (e), a power is exclusive under subsection (c)(3)(A) and (B) even if:

(1) the authoritative electronic copy, a record attached to or logically associated with the authoritative electronic copy, or a system in which the authoritative electronic copy is recorded limits the use of the document of title or has a protocol that is programmed to cause a change, including a transfer or loss of control; or

(2) the power is shared with another person.

(e) A power of a person is not shared with another person under subsection (d)(2) and the person's power is not exclusive if:

(1) the person can exercise the power only if the power also is exercised by the other person; and

(2) the other person:

(A) can exercise the power without exercise of the power by the person; or

(B) is the transferor to the person of an interest in the document of title.

(f) If a person has the powers specified in subsection (c)(3)(A) and (B), the powers are presumed to be exclusive.

(g) A person has control of an electronic document of title if another person, other than the transferor to the person of an interest in the document:

(1) has control of the document and acknowledges that it has control on behalf of the person; or

(2) obtains control of the document after having acknowledged that it will obtain control of the document on behalf of the person.

(h) A person that has control under this section is not required to acknowledge that it has control on behalf of another person.

(i) If a person acknowledges that it has or will obtain control on behalf of another person, unless the person otherwise agrees or law other than this article or Article 9 otherwise provides, the person does not owe any duty to the other person and is not required to confirm the acknowledgment to any other person.

(c) In addition, article 1 of this chapter contains general definitions and principles of construction and interpretation applicable throughout this article.

(d) The characterization of a person, business, or transaction for purposes of this article does not determine the characterization of the person, business or transaction for purposes of any other law, regulation or rule.

(b) An "investment company security" is a security. "Investment company security" means a share or similar equity interest issued by an entity that is registered as an investment company under the federal investment company laws, an interest in a unit investment trust that is so registered, or a face-amount certificate issued by a face-amount certificate company that is so registered. Investment company security does not include an insurance policy or endowment policy or annuity contract issued by an insurance company.

(c) An interest in a partnership or limited liability company is not a security unless it is dealt in or traded on securities exchanges or in securities markets, its terms expressly provide that it is a security governed by this article, or it is an investment company security. 400.9-332. (a) A transferee of **tangible** money takes the money free of a security interest ~~[unless the transferee acts]~~ **if the transferee receives possession of the money without acting** in collusion with the debtor in violating the rights of the secured party.

(b) A transferee of funds from a deposit account takes the funds free of a security interest in the deposit account ~~[unless the transferee acts]~~ **if the transferee receives the funds without acting** in collusion with the debtor in violating the rights of the secured party.

(c) A transferee of electronic money takes the money free of a security interest if the transferee obtains control of the money without acting in collusion with the debtor in violating the rights of the secured party.

400.9-334. (a) A security interest under this article may be created in goods that are fixtures or may continue in goods that become fixtures. A security interest does not exist under this article in ordinary building materials incorporated into an improvement on land.

(b) This article does not prevent creation of an encumbrance upon fixtures under real property law.

(c) In cases not governed by subsections (d) through (h), a security interest in fixtures is subordinate to a conflicting interest of an encumbrancer or owner of the related real property other than the debtor.

(d) Except as otherwise provided in subsection (h), a perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property and:

- (1) The security interest is a purchase-money security interest;
- (2) The interest of the encumbrancer or owner arises before the goods become fixtures; and
- (3) The security interest is perfected by a fixture filing before the goods become fixtures or within twenty days thereafter.

(e) A perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) The debtor has an interest of record in the real property or is in possession of the real property and the security interest:

- (A) Is perfected by a fixture filing before the interest of the encumbrancer or owner is of record; and
- (B) Has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner;

(2) Before the goods become fixtures, the security interest is perfected by any method permitted by this article and the fixtures are readily removable:

- (A) Factory or office machines;
- (B) Equipment that is not primarily used or leased for use in the operation of the real property; or
- (C) Replacements of domestic appliances that are consumer goods;

(3) The conflicting interest is a lien on the real property obtained by legal or equitable proceedings after the security interest was perfected by any method permitted by this article; or

(4) The security interest is:

- (A) Created in a manufactured home in a manufactured-home transaction; and
- (B) Perfected pursuant to a statute described in section 400.9-311(a)(2).

(f) A security interest in fixtures, whether or not perfected, has priority over a conflicting interest of an encumbrancer or owner of the real property if:

(1) The encumbrancer or owner has, in ~~[an authenticated]~~ **a signed** record, consented to the security interest or disclaimed an interest in the goods as fixtures; or

(2) The debtor has a right to remove the goods as against the encumbrancer or owner.

(g) The priority of the security interest under subsection (f) continues for a reasonable time if the debtor's right to remove the goods as against the encumbrancer or owner terminates.

(h) A mortgage is a construction mortgage to the extent that it secures an obligation incurred for the construction of an improvement on land, including the acquisition cost of the land, if a recorded record of the mortgage so indicates. Except as otherwise provided in subsections (e) and (f), a security interest in fixtures is subordinate to a construction mortgage if a record of the mortgage is recorded before the goods become fixtures and the goods become fixtures before the completion of the construction. A mortgage has this priority to the same extent as a construction mortgage to the extent that it is given to refinance a construction mortgage.

(i) A perfected security interest in crops growing on real property has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property.

(j) Subsection (i) prevails over any inconsistent provisions of other statutes.

400.9-341. Except as otherwise provided in section 400.9-340(c), and unless the bank otherwise agrees in ~~[an authenticated]~~ **a signed** record, a bank's rights and duties with respect to a deposit account maintained with the bank are not terminated, suspended, or modified by:

- (1) The creation, attachment, or perfection of a security interest in the deposit account;
- (2) The bank's knowledge of the security interest; or
- (3) The bank's receipt of instructions from the secured party.

400.9-404. (a) Unless an account debtor has made an enforceable agreement not to assert defenses or claims, and subject to subsections (b) through (e), the rights of an assignee are subject to:

(1) All terms of the agreement between the account debtor and assignor and any defense or claim in recoupment arising from the transaction that gave rise to the contract; and

(2) Any other defense or claim of the account debtor against the assignor which accrues before the account debtor receives a notification of the assignment ~~[authenticated]~~ **signed** by the assignor or the assignee.

(b) Subject to subsection (c) and except as otherwise provided in subsection (d), the claim of an account debtor against an assignor may be asserted against an assignee under subsection (a) only to reduce the amount the account debtor owes.

(c) This section is subject to law other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(d) In a consumer transaction, if a record evidences the account debtor's obligation, law other than this article requires that the record include a statement to the effect that the account debtor's recovery against an assignee with respect to claims and defenses against the assignor may not exceed amounts paid by the account debtor under the record, and the record does not include such a statement, the extent to which a claim of an account debtor against the assignor may be asserted against an assignee is determined as if the record included such a statement.

(e) This section does not apply to an assignment of a health-care-insurance receivable.

400.9-406. (a) Subject to subsections (b) through (i) **and (k)**, an account debtor on an account, chattel paper, or a payment intangible may discharge its obligation by paying the assignor until, but not after, the account debtor receives a notification, ~~[authenticated]~~ **signed** by the assignor or the assignee, that the amount due or to become due has been assigned and that payment is to be made to the assignee. After receipt of the notification, the account debtor may discharge its obligation by paying the assignee and may not discharge the obligation by paying the assignor.

(b) Subject to ~~subsection~~ **subsections (h) and (k)**, notification is ineffective under subsection (a):
 (1) If it does not reasonably identify the rights assigned;
 (2) To the extent that an agreement between an account debtor and a seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this article; or

(3) At the option of an account debtor, if the notification notifies the account debtor to make less than the full amount of any installment or other periodic payment to the assignee, even if:

- (A) Only a portion of the account, chattel paper, or general intangible has been assigned to that assignee;
- (B) A portion has been assigned to another assignee; or
- (C) The account debtor knows that the assignment to that assignee is limited.

(c) Subject to ~~subsection~~ **subsections (h) and (k)**, if requested by the account debtor, an assignee shall seasonably furnish reasonable proof that the assignment has been made. Unless the assignee complies, the account debtor may discharge its obligation by paying the assignor, even if the account debtor has received a notification under subsection (a).

(d) **In this subsection, "promissory note" includes a negotiable instrument that evidences chattel paper.** Except as otherwise provided in subsection (e) and sections 400.2A-303 and 400.9-407, and subject to subsection (h), a term in an agreement between an account debtor and an assignor or in a promissory note is ineffective to the extent that it:

(1) Prohibits, restricts, or requires the consent of the account debtor or person obligated on the promissory note to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, the account, chattel paper, payment intangible, or promissory note; or

(2) Provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account, chattel paper, payment intangible, or promissory note.

(e) Subsection (d) does not apply to the sale of a payment intangible or promissory note, other than a sale pursuant to a disposition under section 400.9-610 or an acceptance of collateral under section 400.9-620.

(f) Except as otherwise provided in sections 400.2A-303 and 400.9-407, and subject to subsections (h) and (i), a rule of law, statute, or regulation, that prohibits, restricts, or requires the consent of a government, governmental body or official, or account debtor to the assignment or transfer of, or creation of a security interest in, an account or chattel paper is ineffective to the extent that the rule of law, statute, or regulation:

(1) Prohibits, restricts, or requires the consent of the government, governmental body or official, or account debtor to the assignment or transfer of, or the creation, attachment, perfection, or enforcement of a security interest in, the account or chattel paper; or

(2) Provides that the assignment or transfer or the creation, attachment, perfection, or enforcement of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the account or chattel paper.

(g) Subject to ~~subsection~~ **subsections (h) and (k)**, an account debtor may not waive or vary its option under subsection (b)(3).

(h) This section is subject to law other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

(i) This section does not apply to an assignment of a health-care-insurance receivable.

(j) This section prevails over any inconsistent provisions of any statutes, rules, and regulations.

(k) Subsections (a), (b), (c), and (g) do not apply to a controllable account or controllable payment intangible.

400.9-408. (a) Except as otherwise provided in subsection (b), a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or a general intangible, including a contract, permit, license, or franchise, and which term prohibits, restricts, or requires the consent of the person obligated on the promissory note or the account debtor to, the assignment or transfer of, or creation, attachment, or perfection of a security interest in, the promissory note, health-care-insurance receivable, or general intangible, is ineffective to the extent that the term:

(1) Would impair the creation, attachment, or perfection of a security interest; or

(2) Provides that the assignment or transfer or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health-care-insurance receivable, or general intangible.

(b) Subsection (a) applies to a security interest in a payment intangible or promissory note only if the security interest arises out of a sale of the payment intangible or promissory note, other than a sale pursuant to a disposition under section 400.9-610 or an acceptance of collateral under section 400.9-620.

(c) A rule of law, statute, or regulation that prohibits, restricts, or requires the consent of a government, governmental body or official, person obligated on a promissory note, or account debtor to the assignment or transfer of, or creation of a security interest in, a promissory note, health-care-insurance receivable, or general intangible, including a contract, permit, license, or franchise between an account debtor and a debtor, is ineffective to the extent that the rule of law, statute, or regulation:

- (1) Would impair the creation, attachment, or perfection of a security interest; or
- (2) Provides that the assignment or transfer or the creation, attachment, or perfection of the security interest may give rise to a default, breach, right of recoupment, claim, defense, termination, right of termination, or remedy under the promissory note, health-care-insurance receivable, or general intangible.

(d) To the extent that a term in a promissory note or in an agreement between an account debtor and a debtor which relates to a health-care-insurance receivable or general intangible or a rule of law, statute, or regulation described in subsection (c) would be effective under law other than this article but is ineffective under subsection (a) or (c), the creation, attachment, or perfection of a security interest in the promissory note, health-care-insurance receivable, or general intangible:

- (1) Is not enforceable against the person obligated on the promissory note or the account debtor;
- (2) Does not impose a duty or obligation on the person obligated on the promissory note or the account debtor;
- (3) Does not require the person obligated on the promissory note or the account debtor to recognize the security interest, pay or render performance to the secured party, or accept payment or performance from the secured party;
- (4) Does not entitle the secured party to use or assign the debtor's rights under the promissory note, health-care-insurance receivable, or general intangible, including any related information or materials furnished to the debtor in the transaction giving rise to the promissory note, health-care-insurance receivable, or general intangible;
- (5) Does not entitle the secured party to use, assign, possess, or have access to any trade secrets or confidential information of the person obligated on the promissory note or the account debtor; and
- (6) Does not entitle the secured party to enforce the security interest in the promissory note, health-care-insurance receivable, or general intangible.

(e) This section prevails over any inconsistent provisions of any statutes, rules, and regulations.

(f) In this section, "promissory note" includes a negotiable instrument that evidences chattel paper.

400.9-509. (a) A person may file an initial financing statement, amendment that adds collateral covered by a financing statement, or amendment that adds a debtor to a financing statement only if:

- (1) The debtor authorizes the filing in ~~[an authenticated]~~ **a signed** record or pursuant to subsection (b) or (c); or

- (2) The person holds an agricultural lien that has become effective at the time of filing and the financing statement covers only collateral in which the person holds an agricultural lien.

(b) By ~~[authenticating]~~ **signing** or becoming bound as debtor by a security agreement, a debtor or new debtor authorizes the filing of an initial financing statement, and an amendment, covering:

- (1) The collateral described in the security agreement; and
- (2) Property that becomes collateral under section 400.9-315(a)(2), whether or not the security agreement expressly covers proceeds.

(c) By acquiring collateral in which a security interest or agricultural lien continues under section 400.9-315(a)(1), a debtor authorizes the filing of an initial financing statement, and an amendment, covering the collateral and property that becomes collateral under section 400.9-315(a)(2).

(d) A person may file an amendment other than an amendment that adds collateral covered by a financing statement or an amendment that adds a debtor to a financing statement only if:

- (1) The secured party of record authorizes the filing; or
- (2) The amendment is a termination statement for a financing statement as to which the secured party of record has failed to file or send a termination statement as required by section 400.9-513(a) or (c), the debtor authorizes the filing, and the termination statement indicates that the debtor authorized it to be filed.

(e) If there is more than one secured party of record for a financing statement, each secured party of record may authorize the filing of an amendment under subsection (d).

400.9-513. (a) A secured party shall cause the secured party of record for a financing statement to file a termination statement for the financing statement if the financing statement covers consumer goods and:

(1) There is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or

(2) The debtor did not authorize the filing of the initial financing statement.

(b) To comply with subsection (a), a secured party shall cause the secured party of record to file the termination statement:

(1) Within one month after there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value; or

(2) If earlier, within twenty days after the secured party receives ~~[an authenticated]~~ **a signed** demand from a debtor.

(c) In cases not governed by subsection (a), within twenty days after a secured party receives ~~[an authenticated]~~ **a signed** demand from a debtor, the secured party shall cause the secured party of record for a financing statement to send to the debtor a termination statement for the financing statement or file the termination statement in the filing office if:

(1) Except in the case of a financing statement covering accounts or chattel paper that has been sold or goods that are the subject of a consignment, there is no obligation secured by the collateral covered by the financing statement and no commitment to make an advance, incur an obligation, or otherwise give value;

(2) The financing statement covers accounts or chattel paper that has been sold but as to which the account debtor or other person obligated has discharged its obligation;

(3) The financing statement covers goods that were the subject of a consignment to the debtor but are not in the debtor's possession; or

(4) The debtor did not authorize the filing of the initial financing statement.

(d) Except as otherwise provided in section 400.9-510, upon the filing of a termination statement with the filing office, the financing statement to which the termination statement relates ceases to be effective. Except as otherwise provided in section 400.9-510, for purposes of sections 400.9-519(g), 400.9-522(a), and 400.9-523(c), the filing with the filing office of a termination statement relating to a financing statement that indicates that the debtor is a transmitting utility also causes the effectiveness of the financing statement to lapse.

400.9-601. (a) After default, a secured party has the rights provided in this part and, except as otherwise provided in section 400.9-602, those provided by agreement of the parties. A secured party:

(1) May reduce a claim to judgment, foreclose, or otherwise enforce the claim, security interest, or agricultural lien by any available judicial procedure; and

(2) If the collateral is documents, may proceed either as to the documents or as to the goods they cover.

(b) A secured party in possession of collateral or control of collateral under section 400.9-104, 400.9-105, **400.9-105A**, 400.9-106 ~~[or]~~, 400.9-107, or **400.9-107A** has the rights and duties provided in section 400.9-207.

(c) The rights under subsections (a) and (b) are cumulative and may be exercised simultaneously.

(d) Except as otherwise provided in subsection (g) and section 400.9-605, after default, a debtor and an obligor have the rights provided in this part and by agreement of the parties.

(e) If a secured party has reduced its claim to judgment, the lien of any levy that may be made upon the collateral by virtue of an execution based upon the judgment relates back to the earliest of:

(1) The date of perfection of the security interest or agricultural lien in the collateral; or

(2) The date of filing a financing statement covering the collateral;

(3) Any date specified in a statute under which the agricultural lien was created.

(f) A sale pursuant to an execution is a foreclosure of the security interest or agricultural lien by judicial procedure within the meaning of this section. A secured party may purchase at the sale and thereafter hold the collateral free of any other requirements of this article.

(g) Except as otherwise provided in section 400.9-607(c), this part imposes no duties upon a secured party that is a consignor or is a buyer of accounts, chattel paper, payment intangibles, or promissory notes.

400.9-605. (a) **Except as provided in subsection (b)**, a secured party does not owe a duty based on its status as secured party:

(1) To a person that is a debtor or obligor, unless the secured party knows:

(A) That the person is a debtor or obligor;

(B) The identity of the person; and

(C) How to communicate with the person; or

(2) To a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows:

(A) That the person is a debtor; and

(B) The identity of the person.

(b) A secured party owes a duty based on its status as a secured party to a person if, at the time the secured party obtains control of collateral that is a controllable account, controllable electronic record, or controllable payment intangible or at the time the security interest attaches to the collateral, whichever is later:

(1) The person is a debtor or obligor; and

(2) The secured party knows that the information in subsection (a)(1)(A), (B), or (C) relating to the person is not provided by the collateral, a record attached to or logically associated with the collateral, or the system in which the collateral is recorded.

400.9-608. (a) If a security interest or agricultural lien secures payment or performance of an obligation, the following rules apply:

(1) A secured party shall apply or pay over for application the cash proceeds of collection or enforcement under section 400.9-607 in the following order to:

(A) The reasonable expenses of collection and enforcement and, to the extent provided for by agreement and not prohibited by law, reasonable attorney's fees and legal expenses incurred by the secured party;

(B) The satisfaction of obligations secured by the security interest or agricultural lien under which the collection or enforcement is made; and

(C) The satisfaction of obligations secured by any subordinate security interest in or other lien on the collateral subject to the security interest or agricultural lien under which the collection or enforcement is made if the secured party receives ~~[an authenticated]~~ **a signed** demand for proceeds before distribution of the proceeds is completed;

(2) If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder complies, the secured party need not comply with the holder's demand under paragraph (1)(C);

(3) A secured party need not apply or pay over for application noncash proceeds of collection and enforcement under section 400.9-607 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner;

(4) A secured party shall account to and pay a debtor for any surplus, and the obligor is liable for any deficiency.

(b) If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes, the debtor is not entitled to any surplus, and the obligor is not liable for any deficiency.

400.9-611. (a) In this section, "notification date" means the earlier of the date on which:

(1) A secured party sends to the debtor and any secondary obligor ~~[an authenticated]~~ **a signed** notification of disposition; or

(2) The debtor and any secondary obligor waive the right to notification.

(b) Except as otherwise provided in subsection (d), a secured party that disposes of collateral under section 400.9-610 shall send to the persons specified in subsection (c) a reasonable ~~[authenticated]~~ **signed** notification of disposition.

(c) To comply with subsection (b), the secured party shall send ~~[an authenticated]~~ **a signed** notification of disposition to:

(1) The debtor;

(2) Any secondary obligor; and

(ii) Was indexed under the debtor's name as of that date; and

(iii) Was filed in the office in which to file a financing statement against the debtor covering the collateral as of that date; and

(C) Any other secured party that, ten days before the notification date, held a security interest in the collateral perfected by compliance with a statute, regulation, or treaty described in section 400.9-311(a).

(d) Subsection (b) does not apply if the collateral is perishable or threatens to decline speedily in value or is of a type customarily sold on a recognized market.

- (e) A secured party complies with the requirement for notification prescribed by subsection (c)(3)(B) if:
- (1) Not later than twenty days or earlier than thirty days before the notification date, the secured party requests, in a commercially reasonable manner, information concerning financing statements indexed under the debtor's name in the office indicated in subsection (c)(3)(B); and
 - (2) Before the notification date, the secured party:
 - (A) Did not receive a response to the request for information; or
 - (B) Received a response to the request for information and sent ~~[an authenticated]~~ **a signed** notification of disposition to each secured party or other lienholder named in that response whose financing statement covered the collateral.

400.9-613. (a) Except in a consumer-goods transaction, the following rules apply:

- (1) The contents of a notification of disposition are sufficient if the notification:
 - (A) Describes the debtor and the secured party;
 - (B) Describes the collateral that is the subject of the intended disposition;
 - (C) States the method of intended disposition;
 - (D) States that the debtor is entitled to an accounting of the unpaid indebtedness and states the charge, if any, for an accounting; and

- (2) Whether the contents of a notification that lacks any of the information specified in paragraph (1) are nevertheless sufficient is a question of fact;

 - (A) Information not specified by that paragraph; or
 - (B) Minor errors that are not seriously misleading;

(b) The following instructions apply to the form of notification in subsection (a)(3):

In addition, the sender may include and complete the additional method of communication—electronic communication—for the recipient of the notification to communicate with the sender. The additional method of electronic communication is not required to be included.

(9) If item {10} does not apply, insert "None" after "agreement:".

400.9-615. (a) A secured party shall apply or pay over for application the cash proceeds of disposition under section 400.9-610 in the following order to:

(2) The satisfaction of obligations secured by the security interest or agricultural lien under which the disposition is made;

(3) The satisfaction of obligations secured by any subordinate security interest in or other subordinate lien on the collateral if:

(b) If requested by a secured party, a holder of a subordinate security interest or other lien shall furnish reasonable proof of the interest or lien within a reasonable time. Unless the holder does so, the secured party need not comply with the holder's demand under subsection (a)(3).

(c) A secured party need not apply or pay over for application noncash proceeds of disposition under section 400.9-610 unless the failure to do so would be commercially unreasonable. A secured party that applies or pays over for application noncash proceeds shall do so in a commercially reasonable manner.

(d) If the security interest under which a disposition is made secures payment or performance of an obligation, after making the payments and applications required by subsection (a) and permitted by subsection (c):

(1) Unless subsection (a)(4) requires the secured party to apply or pay over cash proceeds to a consignor, the secured party shall account to and pay a debtor for any surplus; and

(2) The obligor is liable for any deficiency.

(e) If the underlying transaction is a sale of accounts, chattel paper, payment intangibles, or promissory notes:

(1) The debtor is not entitled to any surplus; and

(2) The obligor is not liable for any deficiency.

(f) The surplus or deficiency following a disposition is calculated based on the amount of proceeds that would have been realized in a disposition complying with this part to a transferee other than the secured party, a person related to the secured party, or a secondary obligor if:

(1) The transferee in the disposition is the secured party, a person related to the secured party, or a secondary obligor; and

(2) The amount of proceeds of the disposition is significantly below the range of proceeds that a complying disposition to a person other than the secured party, a person related to the secured party, or a secondary obligor would have brought.

(g) A secured party that receives cash proceeds of a disposition in good faith and without notice that the receipt violates the rights of the holder of a security interest or other lien that is not subordinate to the security interest under which the disposition is made:

- (1) Takes the cash proceeds free of the security interest or other lien;
- (2) Is not obligated to apply the proceeds of the disposition to the satisfaction of obligations secured by the security interest or other lien; and
- (3) Is not obligated to account to or pay the holder of the security interest or other lien for any surplus.

 - (c) To comply with subsection (a)(1)(B), ~~a writing~~ **an explanation** must provide the following information in the following order:

- (1) The aggregate amount of obligations secured by the security interest under which the disposition was made, and, if the amount reflects a rebate of unearned interest or credit service charge, an indication of that fact, calculated as of a specified date:
 - (A) If the secured party takes or receives possession of the collateral after default, not more than thirty-five days before the secured party takes or receives possession; or

(d) A particular phrasing of the explanation is not required. An explanation complying substantially with the requirements of subsection (a) is sufficient, even if it includes minor errors that are not seriously misleading.

(e) A debtor or consumer obligor is entitled without charge to one response to a request under this section during any six-month period in which the secured party did not send to the debtor or consumer obligor an explanation pursuant to subsection (b)(1). The secured party may require payment of a charge not exceeding twenty-five dollars for each additional response.

400.9-619. (a) In this section, "transfer statement" means a record ~~authenticated~~ **signed** by a secured party stating:

(b) A transfer statement entitles the transferee to the transfer of record of all rights of the debtor in the collateral specified in the statement in any official filing, recording, registration, or certificate-of-title system covering the collateral. If a transfer statement is presented with the applicable fee and request form to the official or office responsible for maintaining the system, the official or office shall:

400.9-620. (a) Except as otherwise provided in subsection (g), a secured party may accept collateral in full or partial satisfaction of the obligation it secures only if:

- (1) The debtor consents to the acceptance under subsection (c);

(2) The conditions of subsection (a) are met.

(c) For purposes of this section:

(1) A debtor consents to an acceptance of collateral in partial satisfaction of the obligation it secures only if the debtor agrees to the terms of the acceptance in a record ~~[authenticated]~~ **signed** after default; and

(2) A debtor consents to an acceptance of collateral in full satisfaction of the obligation it secures only if the debtor agrees to the terms of the acceptance in a record ~~[authenticated]~~ **signed** after default or the secured party:

(B) In the proposal, proposes to accept collateral in full satisfaction of the obligation it secures; and

(C) Does not receive a notification of objection ~~[authenticated]~~ **signed** by the debtor within twenty days after the proposal is sent.

(d) To be effective under subsection (a)(2), a notification of objection must be received by the secured party:

(B) If a notification was not sent, before the debtor consents to the acceptance under subsection (c).

(e) A secured party that has taken possession of collateral shall dispose of the collateral pursuant to section 400.9-610 within the time specified in subsection (f) if:

(f) To comply with subsection (e), the secured party shall dispose of the collateral:

(2) Within any longer period to which the debtor and all secondary obligors have agreed in an agreement to that effect entered into and ~~[authenticated]~~ **signed** after default.

(g) In a consumer transaction, a secured party may not accept collateral in partial satisfaction of the obligation it secures.

400.9-621. (a) A secured party that desires to accept collateral in full or partial satisfaction of the obligation it secures shall send its proposal to:

(1) Any person from which the secured party has received, before the debtor consented to the acceptance, ~~[an authenticated]~~ **a signed** notification of a claim of an interest in the collateral;

(2) Any other secured party or lienholder that, ten days before the debtor consented to the acceptance, held a security interest in or other lien on the collateral perfected by the filing of a financing statement that:

(B) Was indexed under the debtor's name as of that date; and

(C) Was filed in the office or offices in which to file a financing statement against the debtor covering the collateral as of that date; and

(b) A debtor may waive the right to require disposition of collateral under section 400.9-620(e) only by an agreement to that effect entered into and ~~[authenticated]~~ **signed** after default.

(c) Except in a consumer-goods transaction, a debtor or secondary obligor may waive the right to redeem collateral under section 400.9-623 only by an agreement to that effect entered into and ~~[authenticated]~~ **signed** after default.

400.9-628. (a) **Subject to subsection (e)**, unless a secured party knows that a person is a debtor or obligor, knows the identity of the person, and knows how to communicate with the person:

(1) The secured party is not liable to the person, or to a secured party or lienholder that has filed a financing statement against the person, for failure to comply with this article; and

(2) The secured party's failure to comply with this article does not affect the liability of the person for a deficiency.

(b) **Subject to subsection (e)**, a secured party is not liable because of its status as secured party:

(1) To a person that is a debtor or obligor, unless the secured party knows:

(A) That the person is a debtor or obligor;

(B) The identity of the person; and

(C) How to communicate with the person; or

(2) To a secured party or lienholder that has filed a financing statement against a person, unless the secured party knows:

(A) That the person is a debtor; and

(B) The identity of the person.

(c) A secured party is not liable to any person, and a person's liability for a deficiency is not affected, because of any act or omission arising out of the secured party's reasonable belief that a transaction is not a consumer-goods transaction or a consumer transaction or that goods are not consumer goods, if the secured party's belief is based on its reasonable reliance on:

(1) A debtor's representation concerning the purpose for which collateral was to be used, acquired, or held; or

(2) An obligor's representation concerning the purpose for which a secured obligation was incurred.

(d) A secured party is not liable under section 400.9-625(c)(2) more than once with respect to any one secured obligation.

(e) Subsections (a) and (b) do not apply to limit the liability of a secured party to a person if, at the time the secured party obtains control of collateral that is a controllable account, controllable electronic record, or controllable payment intangible or at the time the security interest attaches to the collateral, whichever is later:

- (1) The person is a debtor or obligor; and
- (2) The secured party knows that the information in subsection (b)(1)(A), (B), or (C) relating to the person is not provided by the collateral, a record attached to or logically associated with the collateral, or the system in which the collateral is recorded.

400.12-101. This article may be cited as Uniform Commercial Code—Controllable Electronic Records.

400.12-102. (a) In this article:

- (1) "Controllable electronic record" means a record stored in an electronic medium that can be subjected to control under section 400.12-105. The term does not include a controllable account, a controllable payment intangible, a deposit account, an electronic copy of a record evidencing chattel paper, an electronic document of title, electronic money, investment property, or a transferable record.
- (2) "Qualifying purchaser" means a purchaser of a controllable electronic record or an interest in a controllable electronic record that obtains control of the controllable electronic record for value, in good faith, and without notice of a claim of a property right in the controllable electronic record.
- (3) "Transferable record" has the meaning provided for that term in Section 201(a)(1) of the Electronic Signatures in Global and National Commerce Act, 15 U.S.C. Section 7021(a)(1), as amended.
- (4) "Value" has the meaning provided in section 400.3-303(a), as if references in that subsection to an "instrument" were references to a controllable account, controllable electronic record, or controllable payment intangible.

(b) The definitions in Article 9 of "account debtor", "controllable account", "controllable payment intangible", "chattel paper", "deposit account", "electronic money", and "investment property" apply to this article.

(c) Article 1 contains general definitions and principles of construction and interpretation applicable throughout this article.

400.12-103. (a) If there is conflict between this article and Article 9, Article 9 governs.

(b) A transaction subject to this article is subject to any applicable rule of law that establishes a different rule for consumers.

400.12-104. (a) This section applies to the acquisition and purchase of rights in a controllable account or controllable payment intangible, including the rights and benefits under subsections (c), (d), (e), (g), and (h) of a purchaser and qualifying purchaser, in the same manner this section applies to a controllable electronic record.

(b) To determine whether a purchaser of a controllable account or a controllable payment intangible is a qualifying purchaser, the purchaser obtains control of the account or payment intangible if it obtains control of the controllable electronic record that evidences the account or payment intangible.

(c) Except as provided in this section, law other than this article determines whether a person acquires a right in a controllable electronic record and the right the person acquires.

(d) A purchaser of a controllable electronic record acquires all rights in the controllable electronic record that the transferor had or had power to transfer, except that a purchaser of a limited interest in a controllable electronic record acquires rights only to the extent of the interest purchased.

(e) A qualifying purchaser acquires its rights in the controllable electronic record free of a claim of a property right in the controllable electronic record.

(f) Except as provided in subsections (a) and (e) for a controllable account and a controllable payment intangible or law other than this article, a qualifying purchaser takes a right to payment, right to performance, or other interest in property evidenced by the controllable electronic record subject to a claim of a property right in the right to payment, right to performance, or other interest in property.

(g) An action may not be asserted against a qualifying purchaser based on both a purchase by the qualifying purchaser of a controllable electronic record and a claim of a property right in another controllable electronic record, whether the action is framed in conversion, replevin, constructive trust, equitable lien, or other theory.

(h) Filing of a financing statement under Article 9 is not notice of a claim of a property right in a controllable electronic record.

400.12-105. (a) A person has control of a controllable electronic record if the electronic record, a record attached to or logically associated with the electronic record, or a system in which the electronic record is recorded:

- (1) Gives the person:
 - (A) Power to avail itself of substantially all the benefit from the electronic record; and
 - (B) Exclusive power, subject to subsection (b), to:

(i) Prevent others from availing themselves of substantially all the benefit from the electronic record; and

(ii) Transfer control of the electronic record to another person or cause another person to obtain control of another controllable electronic record as a result of the transfer of the electronic record; and

(2) Enables the person readily to identify itself in any way, including by name, identifying number, cryptographic key, office, or account number, as having the powers specified in paragraph (1).

(b) Subject to subsection (c), a power is exclusive under subsection (a)(1)(B)(i) and (ii) even if:

(1) The controllable electronic record, a record attached to or logically associated with the electronic record, or a system in which the electronic record is recorded limits the use of the electronic record or has a protocol programmed to cause a change, including a transfer or loss of control or a modification of benefits afforded by the electronic record; or

(2) The power is shared with another person.

(c) A power of a person is not shared with another person under subsection (b)(2) and the person's power is not exclusive if:

(1) The person can exercise the power only if the power also is exercised by the other person; and

(2) The other person:

(A) Can exercise the power without exercise of the power by the person; or

(B) Is the transferor to the person of an interest in the controllable electronic record or a controllable account or controllable payment intangible evidenced by the controllable electronic record.

(d) If a person has the powers specified in subsection (a)(1)(B)(i) and (ii), the powers are presumed to be exclusive.

(e) A person has control of a controllable electronic record if another person, other than the transferor to the person of an interest in the controllable electronic record or a controllable account or controllable payment intangible evidenced by the controllable electronic record:

(1) Has control of the electronic record and acknowledges that it has control on behalf of the person;

or

(2) Obtains control of the electronic record after having acknowledged that it will obtain control of the electronic record on behalf of the person.

(f) A person that has control under this section is not required to acknowledge that it has control on behalf of another person.

(g) If a person acknowledges that it has or will obtain control on behalf of another person, unless the person otherwise agrees or law other than this article or Article 9 otherwise provides, the person does not owe any duty to the other person and is not required to confirm the acknowledgment to any other person.

400.12-106. (a) An account debtor on a controllable account or controllable payment intangible may discharge its obligation by paying:

(1) The person having control of the controllable electronic record that evidences the controllable account or controllable payment intangible; or

(2) Except as provided in subsection (b), a person that formerly had control of the controllable electronic record.

(b) Subject to subsection (d), the account debtor may not discharge its obligation by paying a person that formerly had control of the controllable electronic record if the account debtor receives a notification that:

(1) Is signed by a person that formerly had control or the person to which control was transferred;

(2) Reasonably identifies the controllable account or controllable payment intangible;

(3) Notifies the account debtor that control of the controllable electronic record that evidences the controllable account or controllable payment intangible was transferred;

(4) Identifies the transferee, in any reasonable way, including by name, identifying number, cryptographic key, office, or account number; and

(5) Provides a commercially reasonable method by which the account debtor is to pay the transferee.

(c) After receipt of a notification that complies with subsection (b), the account debtor may discharge its obligation by paying in accordance with the notification and may not discharge the obligation by paying a person that formerly had control.

(d) Subject to subsection (h), notification is ineffective under subsection (b):

(1) Unless, before the notification is sent, the account debtor and the person that, at that time, had control of the controllable electronic record that evidences the controllable account or controllable payment

intangible agree in a signed record to a commercially reasonable method by which a person may furnish reasonable proof that control has been transferred;

(2) To the extent an agreement between the account debtor and seller of a payment intangible limits the account debtor's duty to pay a person other than the seller and the limitation is effective under law other than this article; or

(3) At the option of the account debtor, if the notification notifies the account debtor to:

(A) Divide a payment;

(B) Make less than the full amount of an installment or other periodic payment; or

(C) pay any part of a payment by more than one method or to more than one person.

(e) Subject to subsection (h), if requested by the account debtor, the person giving the notification under subsection (b) seasonably shall furnish reasonable proof, using the method in the agreement referred to in subsection (d)(1), that control of the controllable electronic record has been transferred. Unless the person complies with the request, the account debtor may discharge its obligation by paying a person that formerly had control, even if the account debtor has received a notification under subsection (b).

(f) A person furnishes reasonable proof under subsection (e) that control has been transferred if the person demonstrates, using the method in the agreement referred to in subsection (d)(1), that the transferee has the power to:

(1) Avail itself of substantially all the benefit from the controllable electronic record;

(2) Prevent others from availing themselves of substantially all the benefit from the controllable electronic record; and

(3) Transfer the powers specified in paragraphs (1) and (2) to another person.

(g) Subject to subsection (h), an account debtor may not waive or vary its rights under subsections (d)(1) and (e) or its option under subsection (d)(3).

(h) This section is subject to law other than this article which establishes a different rule for an account debtor who is an individual and who incurred the obligation primarily for personal, family, or household purposes.

400.12-107. (a) Except as provided in subsection (b), the local law of a controllable electronic record's jurisdiction governs a matter covered by this article.

(b) For a controllable electronic record that evidences a controllable account or controllable payment intangible, the local law of the controllable electronic record's jurisdiction governs a matter covered by section 400.12-106 unless an effective agreement determines that the local law of another jurisdiction governs.

(c) The following rules determine a controllable electronic record's jurisdiction under this section:

(1) If the controllable electronic record, or a record attached to or logically associated with the controllable electronic record and readily available for review, expressly provides that a particular jurisdiction is the controllable electronic record's jurisdiction for purposes of this article or this chapter, that jurisdiction is the controllable electronic record's jurisdiction.

(2) If paragraph (1) does not apply and the rules of the system in which the controllable electronic record is recorded are readily available for review and expressly provide that a particular jurisdiction is the controllable electronic record's jurisdiction for purposes of this article or this chapter, that jurisdiction is the controllable electronic record's jurisdiction.

(3) If paragraphs (1) and (2) do not apply and the controllable electronic record, or a record attached to or logically associated with the controllable electronic record and readily available for review, expressly provides that the controllable electronic record is governed by the law of a particular jurisdiction, that jurisdiction is the controllable electronic record's jurisdiction.

(4) If paragraphs (1), (2), and (3) do not apply and the rules of the system in which the controllable electronic record is recorded are readily available for review and expressly provide that the controllable electronic record or the system is governed by the law of a particular jurisdiction, that jurisdiction is the controllable electronic record's jurisdiction.

(5) If paragraphs (1) through (4) do not apply, the controllable electronic record's jurisdiction is the District of Columbia.

(d) If subsection (c)(5) applies and Article 12 is not in effect in the District of Columbia without material modification, the governing law for a matter covered by this article is the law of the District of Columbia as though Article 12 were in effect in the District of Columbia without material modification. In this subsection, "Article 12" means Article 12 of Uniform Commercial Code Amendments (2022).

(e) To the extent subsections (a) and (b) provide that the local law of the controllable electronic record's jurisdiction governs a matter covered by this article, that law governs even if the matter or a

transaction to which the matter relates does not bear any relation to the controllable electronic record's jurisdiction.

(f) The rights acquired under Section 400.12-104 by a purchaser or qualifying purchaser are governed by the law applicable under this section at the time of purchase.

(c) Article 1 contains general definitions and principles of construction and interpretation applicable throughout this article.

400.199-201. Except as provided in sections 400.199-301, 400.199-302, 400.199-303, 400.199-304, 400.199-305, and 400.199-306, a transaction validly entered into before August 28, 2024, and the rights, duties, and interests flowing from the transaction remain valid thereafter and may be terminated, completed, consummated, or enforced as required or permitted by law other than this chapter or, if applicable, this chapter, as though this act had not taken effect.

400.199-301. (a) Except as provided in sections 400.199-301, 400.199-302, 400.199-303, 400.199-304, 400.199-305, and 400.199-306, Article 9 as amended by this act and Article 12 apply to a transaction, lien, or other interest in property, even if the transaction, lien, or interest was entered into, created, or acquired before August 28, 2024.

(b) Except as provided in subsection (c) and sections 400.199-302 through 400.199-306:

(1) A transaction, lien, or interest in property that was validly entered into, created, or transferred before August 28, 2024 and was not governed by this chapter, but would be subject to Article 9 as amended by this act or Article 12 if it had been entered into, created, or transferred on or after August 28, 2024, including the rights, duties, and interests flowing from the transaction, lien, or interest, remains valid on and after August 28, 2024; and

(2) The transaction, lien, or interest may be terminated, completed, consummated, and enforced as required or permitted by this act or by the law that would apply if this act had not taken effect.

(c) This act does not affect an action, case, or proceeding commenced before August 28, 2024.

400.199-302. (a) A security interest that is enforceable and perfected immediately before August 28, 2024 is a perfected security interest under this act if, on August 28, 2024, the requirements for enforceability and perfection under this act are satisfied without further action.

(b) If a security interest is enforceable and perfected immediately before August 28, 2024, but the requirements for enforceability or perfection under this act are not satisfied on August 28, 2024, the security interest:

(1) Is a perfected security interest until the earlier of the time perfection would have ceased under the law in effect immediately before August 28, 2024, or the adjustment date;

(2) Remains enforceable thereafter only if the security interest satisfies the requirements for enforceability under section 400.9-203, as amended by this act, before the adjustment date; and

(3) Remains perfected thereafter only if the requirements for perfection under this act are satisfied before the time specified in paragraph (1).

400.199-303. A security interest that is enforceable immediately before August 28, 2024, but is unperfected at that time:

(1) Remains an enforceable security interest until the adjustment date;

(2) Remains enforceable thereafter if the security interest becomes enforceable under section 400.9-203, as amended by this act, on August 28, 2024, or before the adjustment date; and

(3) Becomes perfected:

(A) Without further action, on August 28, 2024, if the requirements for perfection under this act are satisfied before or at that time; or

(B) When the requirements for perfection are satisfied if the requirements are satisfied after that time.

400.199-304. (a) If action, other than the filing of a financing statement, is taken before August 28, 2024, and the action would have resulted in perfection of the security interest had the security interest become enforceable before August 28, 2024, the action is effective to perfect a security interest that attaches under this act before the adjustment date. An attached security interest becomes unperfected on the adjustment date unless the security interest becomes a perfected security interest under this act before the adjustment date.

(b) The filing of a financing statement before August 28, 2024, is effective to perfect a security interest on August 28, 2024, to the extent the filing would satisfy the requirements for perfection under this act.

(c) The taking of an action before August 28, 2024, is sufficient for the enforceability of a security interest on August 28, 2024, if the action would satisfy the requirements for enforceability under this act.

400.199-305. (a) Subject to subsections (b) and (c), this act determines the priority of conflicting claims to collateral.

(b) Subject to subsection (c), if the priorities of claims to collateral were established before August 28, 2024, Article 9 as in effect before August 28, 2024, determines priority.

(c) On the adjustment date, to the extent the priorities determined by Article 9 as amended by this act modify the priorities established before August 28, 2024, the priorities of claims to Article 12 property and electronic money established before August 28, 2024, cease to apply.

400.199-306. (a) Subject to subsections (b) and (c), Article 12 determines the priority of conflicting claims to Article 12 property when the priority rules of Article 9 as amended by this act do not apply.

(b) Subject to subsection (c), when the priority rules of Article 9 as amended by this act do not apply and the priorities of claims to Article 12 property were established before August 28, 2024, law other than Article 12 determines priority.

(c) When the priority rules of Article 9 as amended by this act do not apply, to the extent the priorities determined by this act modify the priorities established before August 28, 2024, the priorities of claims to Article 12 property established before August 28, 2024, cease to apply on the adjustment date.";

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Advice from the department of natural resources shall be considered. City or county governments may adopt, by order or ordinance, the state standard in accordance with the provisions of sections 701.025 to 701.059. In any jurisdiction where a city or county has not adopted the state standard, the department of health and senior services shall enforce the state standard until such time as the city or county adopts the standard;

(2) Define by rule a list of ~~[those persons who are qualified to perform the percolation tests or]~~ **on-site soil evaluators registered by the department to conduct** soils morphology ~~[tests]~~ **evaluations** required by the state standard. The list shall include the following:

(a) Persons trained and certified by either the department, which shall include on-site sewage disposal system contractors or a certified agent of the department;

(b) Licensed **professional** engineers as defined in section 327.011;

Approved county programs shall implement the contractor registration program. In any area where a county has not adopted, by order or ordinance, the contractor registration program, the department shall implement the program until such time as the county adopts the registration program;

(4) Establish an education training program specifically developed for contractors and city and county employees. ~~[Contractors may be taught and allowed to perform percolation tests.]~~ Reasonable fees may be charged of the participants to cover the cost of the training and shall be deposited in the public health services fund created in section 192.900. The department shall provide, as a part of the education training program, an installation manual for on-site sewage disposal systems. The manual shall also be made available, at the cost of publication and distribution, to persons not participating in the education and training program;

(5) ~~[Periodically review, but not more than annually, any county's or city's ordinance or order and enforcement record to assure that the state standard is being consistently and appropriately enforced. In its review the department shall assess the timeliness of the county's or city's inspections of on-site sewage systems, and county or city enforcement may be terminated if the department determines that the county or city is unable to provide prompt inspections. If the department determines that the standard is not being consistently or appropriately enforced in any city or county, the department shall notify the county or city of the department's intent to enforce the standard in that jurisdiction and after thirty days' notice hold a public hearing in such county or city to make a determination as to whether the state shall enforce the state standard. Any city or county aggrieved by a decision of the department may appeal a decision of the department to the state board of health and senior services established under section 191.400. Before January 1, 2025, if a soil morphology evaluation cannot be reasonably obtained, a percolation test may be accepted, at the discretion of the administrative authority. The provisions of this subdivision shall be void and of no effect after December 31, 2024; and

(6) Promulgate such rules and regulations as are necessary to carry out the provisions of sections 701.025 to 701.059.

~~[2. Subdivision (5) of this section shall be void and of no effect after January 1, 1998.]~~

701.046. Except as otherwise provided in section 701.031, no person may, on or after September 1, 1995, construct or make a major modification or major repair to an on-site sewage disposal system without first notifying the city, county or department and completing an application, upon a form provided by the department~~[-and];~~ submitting **[a] an application** fee in the amount established by the city, county or department; **and obtaining a construction permit.** ~~[The fee shall be set at an amount no greater than that necessary to cover the cost to implement the state standard for on-site sewage disposal systems and the registration of contractors.]~~ For areas of the state where the department is enforcing the state standard or registering contractors, the department shall ~~[establish the fee, by rule, at an amount not greater than ninety dollars. 2. Notwithstanding any law to the contrary and for any city of the fourth classification with less than three thousand inhabitants, if a statute or ordinance authorizes a mayor to appoint a member of a board that manages a municipal utility of the city, any requirement that the appointed person be a resident of the city shall be deemed satisfied if all of the following conditions are met:

143.121. 1. The Missouri adjusted gross income of a resident individual shall be the taxpayer's federal adjusted gross income subject to the modifications in this section.

2. There shall be added to the taxpayer's federal adjusted gross income:

(1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit. The amount added pursuant to this subdivision shall not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability pursuant to Public Law 116-136 or 116-260, enacted by the 116th United States Congress, for the tax year beginning on or after January 1, 2020, and ending on or before December 31, 2020, and deducted from Missouri adjusted gross income pursuant to section 143.171. The amount added under this subdivision shall also not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability under any other federal law that provides direct economic impact payments to taxpayers to mitigate financial challenges related to the COVID-19 pandemic, and deducted from Missouri adjusted gross income under section 143.171;

(2) Interest on certain governmental obligations excluded from federal gross income by 26 U.S.C. Section 103 of the Internal Revenue Code, as amended. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (1) of subsection 3 of this section. The amount added pursuant to this subdivision shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of 26 U.S.C. Section 265 of the Internal Revenue Code, as amended. The reduction shall only be made if it is at least five hundred dollars;

(3) The amount of any deduction that is included in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount deducted exceeds the amount that would have been deductible pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code of 1986 as in effect on January 1, 2002;

(4) The amount of any deduction that is included in the computation of federal taxable income for net operating loss allowed by 26 U.S.C. Section 172 of the Internal Revenue Code of 1986, as amended, other than the deduction allowed by 26 U.S.C. Section 172(b)(1)(G) and 26 U.S.C. Section 172(i) of the Internal Revenue Code of 1986, as amended, for a net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or carries forward for a period of more than twenty years and carries backward for more than two years. Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes pursuant to this subdivision after June 18, 2002, may be carried forward and taken against any income on the Missouri income tax return for a period of not more than twenty years from the year of the initial loss; and

(5) For nonresident individuals in all taxable years ending on or after December 31, 2006, the amount of any property taxes paid to another state or a political subdivision of another state for which a deduction was allowed on such nonresident's federal return in the taxable year unless such state, political subdivision of a state, or the District of Columbia allows a subtraction from income for property taxes paid to this state for purposes of calculating income for the income tax for such state, political subdivision of a state, or the District of Columbia;

(6) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in a previous taxable year, but allowed as a deduction under 26 U.S.C. Section 163, as amended, in the current taxable year by reason of the carryforward of disallowed business interest provisions of 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C. Section 163(j), as amended, did not exist.

3. There shall be subtracted from the taxpayer's federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

(1) Interest received on deposits held at a federal reserve bank or interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent exempt from Missouri income taxes pursuant to the laws of the United States. The amount subtracted pursuant to this subdivision shall be reduced by any interest on indebtedness incurred to carry the described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this subdivision. The reduction in the previous sentence shall only apply to the extent that such expenses including amortizable bond premiums are deducted in determining the taxpayer's federal adjusted gross income or included in the taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(5) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(6) The portion of capital gain specified in section 135.357 that would otherwise be included in federal adjusted gross income;

(7) The amount that would have been deducted in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;

(8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the United States by Executive Order designates as an area in which Armed Forces of the United States are or have engaged in combat. Service is performed in a combat zone only if performed on or after the date designated by the President by Executive Order as the date of the commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone;

(9) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an additional modification was made under subdivision (3) of subsection 2 of this section, the amount by which additional modification made under subdivision (3) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in subdivision (7) of this subsection;

(10) For all tax years beginning on or after January 1, 2014, the amount of any income received as payment from any program which provides compensation to agricultural producers who have suffered a loss as the result of a disaster or emergency, including the:

2. All farm vehicles included in the fleet of a registered farm vehicle fleet owner shall be registered during April of the corresponding year or on a prorated basis as provided in subsection 3 of this section. Fees of all vehicles in the farm vehicle fleet to be registered on an annual or biennial basis shall be payable not later than the last day of April of the corresponding year, with two years' fees due for biennially-registered vehicles. Notwithstanding the provisions of section 307.355, a certificate of inspection and approval issued no more than one hundred twenty days prior to the date of application for registration shall be valid for registration of a farm fleet vehicle in accordance with this section. The fees for vehicles added to the farm vehicle fleet which are required to be licensed at the time of registration shall be payable at the time of registration, except that when such vehicle is licensed between July first and September thirtieth the fee shall be three-fourths the annual fee, when licensed between October first and December thirty-first the fee shall be one-half the annual fee, and when licensed on or after January first the fee shall be one-fourth the annual fee. If biennial registration is sought for vehicles added to a farm vehicle fleet, an additional year's annual fee shall be added to the partial year's prorated fee.

3. At any time during the calendar year in which an owner of a farm vehicle fleet purchases or otherwise acquires a farm vehicle which is to be added to the farm vehicle fleet or transfers plates to a fleet vehicle, the owner shall present to the director of revenue the identification number as a fleet number and

may register the vehicle for the partial year as provided in subsection 2 of this section. The farm vehicle fleet owner shall also be charged a transfer fee of two dollars for each vehicle so transferred under this subsection.

4. Except as specifically provided in this subsection, all farm vehicles registered under this section shall be issued a special license plate which shall have the words "Farm Fleet Vehicle" and shall meet the requirements prescribed by section 301.130. Farm fleet vehicles shall be issued multiyear license plates as provided in this section which shall not require issuance of a renewal tab. Upon payment of appropriate registration fees, the director of revenue shall issue a registration certificate or other suitable evidence of payment of the annual or biennial fee, and such evidence of payment shall be carried at all times in the vehicle for which it is issued.

5. The director shall make all necessary rules and regulations for the administration of this section and shall design all necessary forms required by this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable, and if any of the powers vested with the general assembly under chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2024, shall be invalid and void.

301.560. 1. In addition to the application forms prescribed by the department, each applicant shall submit the following to the department:

(1) Every application other than **an application for a new motor vehicle franchise dealer where the applicant is a retailer that sells agricultural supplies and is under common ownership and control with at least five other new motor vehicle franchise dealers doing business under the same name, or a renewal application for a new motor vehicle franchise dealer** shall include a certification that the applicant has a bona fide established place of business. Such application shall include an annual certification that the applicant has a bona fide established place of business for the first three years and only for every other year thereafter. The certification shall be performed by a uniformed member of the Missouri state highway patrol or authorized or designated employee stationed in the troop area in which the applicant's place of business is located; except that in counties of the first classification, certification may be performed by an officer of a metropolitan police department when the applicant's established place of business of distributing or selling motor vehicles or trailers is in the metropolitan area where the certifying metropolitan police officer is employed. When the application is being made for licensure as a boat manufacturer or boat dealer, certification shall be performed by a uniformed member of the Missouri state highway patrol or authorized or designated employee stationed in the troop area in which the applicant's place of business is located or, if the applicant's place of business is located within the jurisdiction of a metropolitan police department in a first class county, by an officer of such metropolitan police department. A bona fide established place of business for any new motor vehicle franchise dealer, used motor vehicle dealer, boat dealer, powersport dealer, wholesale motor vehicle dealer, trailer dealer, or wholesale or public auction shall be a permanent enclosed building or structure, either owned in fee or leased and actually occupied as a place of business by the applicant for the selling, bartering, trading, servicing, or exchanging of motor vehicles, boats, personal watercraft, or trailers and wherein the public may contact the owner or operator at any reasonable time, and wherein shall be kept and maintained the books, records, files and other matters required and necessary to conduct the business. The applicant shall maintain a working telephone number during the entire registration year which will allow the public, the department, and law enforcement to contact the applicant during regular business hours. The applicant shall also maintain an email address during the entire registration year which may be used for official correspondence with the department. In order to qualify as a bona fide established place of business for all applicants licensed pursuant to this section there shall be an exterior sign displayed carrying the name of the business set forth in letters at least six inches in height and clearly visible to the public and there shall be an area or lot which shall not be a public street on which multiple vehicles, boats, personal watercraft, or trailers may be displayed. The sign shall contain the name of the dealership by which it is known to the public through advertising or otherwise, which need not be identical to the name appearing on the dealership's license so long as such name is registered as a fictitious name with the secretary of state, has been approved by its line-make manufacturer in writing in the case of a new motor vehicle franchise dealer and a copy of such fictitious name registration has been provided to the department. Dealers who sell only emergency vehicles as defined in section 301.550 are exempt from maintaining a bona fide place of business, including the related law enforcement certification requirements, and from meeting the minimum yearly sales;

(2) The initial application for licensure shall include a photograph, not to exceed eight inches by ten inches but no less than five inches by seven inches, showing the business building, lot, and sign. A new motor vehicle franchise dealer applicant who has purchased a currently licensed new motor vehicle franchised dealership shall be allowed to submit a photograph of the existing dealership building, lot and sign but shall be required to submit a new photograph upon the installation of the new dealership sign as required by sections 301.550 to 301.580. Applicants shall not be required to submit a photograph annually unless the business has moved from its previously licensed location, or unless the name of the business or address has changed, or unless the class of business has changed;

(3) Every applicant as a new motor vehicle franchise dealer, a used motor vehicle dealer, a powersport dealer, a wholesale motor vehicle dealer, trailer dealer, or boat dealer shall furnish with the application a corporate surety bond or an irrevocable letter of credit as defined in section 400.5-102, issued by any state or federal financial institution in the penal sum of fifty thousand dollars on a form approved by the department. The bond or irrevocable letter of credit shall be conditioned upon the dealer complying with the provisions of the statutes applicable to new motor vehicle franchise dealers, used motor vehicle dealers, powersport dealers, wholesale motor vehicle dealers, trailer dealers, and boat dealers, and the bond shall be an indemnity for any loss sustained by reason of the acts of the person bonded when such acts constitute grounds for the suspension or revocation of the dealer's license. The bond shall be executed in the name of the state of Missouri for the benefit of all aggrieved parties or the irrevocable letter of credit shall name the state of Missouri as the beneficiary; except, that the aggregate liability of the surety or financial institution to the aggrieved parties shall, in no event, exceed the amount of the bond or irrevocable letter of credit. Additionally, every applicant as a new motor vehicle franchise dealer, a used motor vehicle dealer, a powersport dealer, a wholesale motor vehicle dealer, or boat dealer shall furnish with the application a copy of a current dealer garage policy bearing the policy number and name of the insurer and the insured. The proceeds of the bond or irrevocable letter of credit furnished by an applicant shall be paid upon receipt by the department of a final judgment from a Missouri court of competent jurisdiction against the principal and in favor of an aggrieved party. The proceeds of the bond or irrevocable letter of credit furnished by an applicant shall be paid at the order of the department and in the amount determined by the department to any buyer or interested lienholder up to the greater of the amount required for the release of the purchase money lien or the sales price paid by the buyer where a dealer has failed to fulfill the dealer's obligations under an agreement to assign and deliver title to the buyer within thirty days under a contract entered into pursuant to subsection 5 of section 301.210. The department shall direct release of the bond or irrevocable letter of credit proceeds upon presentation of a written agreement entered into pursuant to subsection 5 of section 301.210, copies of the associated sales and finance documents, and the affidavit or affidavits of the buyer or lienholder stating that the certificate of title with assignment thereof has not been passed to the buyer within thirty days of the date of the contract entered into under subsection 5 of section 301.210, that the dealer has not fulfilled the agreement under the contract to repurchase the vehicle, that the buyer or the lienholder has notified the dealer of the claim on the bond or letter of credit, and the amount claimed by the purchaser or lienholder. In addition, prior to directing release and payment of the proceeds of a bond or irrevocable letter of credit, the department shall ensure that there is satisfactory evidence to establish that the vehicle which is subject to the written agreement has been returned by the buyer to the dealer or that the buyer has represented to the department that the buyer will surrender possession of the vehicle to the dealer upon payment of the proceeds of the bond or letter of credit directed by the department. Excepting ordinary wear and tear or mechanical failures not caused by the buyer, the amount of proceeds to be paid to the buyer under the bond or irrevocable letter of credit shall be reduced by an amount equivalent to any damage, abuse, or destruction incurred by the vehicle while the vehicle was in the buyer's possession as agreed between the buyer and the dealer. The dealer may apply to a court of competent jurisdiction to contest the claim on the bond or letter of credit, including the amount of the claim and the amount of any adjustment for any damage, abuse, or destruction, by filing a petition with the court within thirty days of the notification by the buyer or lienholder. If the dealer does not fulfill the agreement or file a petition to request judicial relief from the terms of the agreement or contest the amount of the claim, the bond or letter of credit shall be released by the department and directed paid in the amount or amounts presented by the lienholder or buyer;

(4) Payment of all necessary license fees as established by the department. In establishing the amount of the annual license fees, the department shall, as near as possible, produce sufficient total income to offset operational expenses of the department relating to the administration of sections 301.550 to 301.580. All fees payable pursuant to the provisions of sections 301.550 to 301.580, other than those fees collected for the issuance of dealer plates or certificates of number collected pursuant to subsection 6 of this section, shall be collected by the department for deposit in the state treasury to the credit of the "Motor Vehicle Commission Fund", which is hereby created. The motor vehicle commission fund shall be administered by the Missouri department of revenue. The provisions of section 33.080 to the contrary notwithstanding, money in such fund shall not be transferred and placed to the credit of the general revenue fund until the amount in the motor vehicle commission fund at the end of the

biennium exceeds two times the amount of the appropriation from such fund for the preceding fiscal year or, if the department requires permit renewal less frequently than yearly, then three times the appropriation from such fund for the preceding fiscal year. The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the multiple of the appropriation from such fund for the preceding fiscal year.

2. In the event a new vehicle manufacturer, boat manufacturer, motor vehicle dealer, wholesale motor vehicle dealer, boat dealer, powersport dealer, wholesale motor vehicle auction, trailer dealer, or a public motor vehicle auction submits an application for a license for a new business and the applicant has complied with all the provisions of this section, the department shall make a decision to grant or deny the license to the applicant within eight working hours after receipt of the dealer's application, notwithstanding any rule of the department.

3. Except as otherwise provided in subsection 6 of this section, upon the initial issuance of a license by the department, the department shall assign a distinctive dealer license number or certificate of number to the applicant and the department shall issue one number plate or certificate bearing the distinctive dealer license number or certificate of number and two additional number plates or certificates of number within eight working hours after presentment of the application and payment by the applicant of a fee of fifty dollars for the first plate or certificate and ten dollars and fifty cents for each additional plate or certificate. Upon renewal, the department shall issue the distinctive dealer license number or certificate of number as quickly as possible. The issuance of such distinctive dealer license number or certificate of number shall be in lieu of registering each motor vehicle, trailer, vessel or vessel trailer dealt with by a boat dealer, boat manufacturer, manufacturer, public motor vehicle auction, wholesale motor vehicle dealer, wholesale motor vehicle auction or new or used motor vehicle dealer. The license plates described in this section shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130.

4. Notwithstanding any other provision of the law to the contrary, the department shall assign the following distinctive dealer license numbers to:

New motor vehicle franchise dealers	D-0 through D-999
New powersport dealers	D-1000 through D-1999
Used motor vehicle and used powersport dealers	D-2000 through D-9999
Wholesale motor vehicle dealers	W-0 through W-1999
Wholesale motor vehicle auctions	WA-0 through WA-999
New and used trailer dealers	T-0 through T-9999
Motor vehicle, trailer, and boat manufacturers	DM-0 through DM-999
Public motor vehicle auctions	A-0 through A-1999
Boat dealers	M-0 through M-9999
New and used recreational motor vehicle dealers	RV-0 through RV-999

For purposes of this subsection, qualified transactions shall include the purchase of salvage titled vehicles by a licensed salvage dealer. A used motor vehicle dealer who also holds a salvage dealer's license shall be allowed one additional plate or certificate number per fifty-unit qualified transactions annually. In order for salvage dealers to obtain number plates or certificates under this section, dealers shall submit to the department of revenue on August first of each year a statement certifying, under penalty of perjury, the dealer's number of purchases during the reporting period of July first of the immediately preceding year to June thirtieth of the present year. The provisions of this subsection shall become effective on the date the director of the department of revenue begins to reissue new license plates under section 301.130, or on December 1, 2008, whichever occurs first. If the director of revenue begins reissuing new license plates under the authority granted under section 301.130 prior to December 1, 2008, the director of the department of revenue shall notify the revisor of statutes of such fact.

5. Upon the sale of a currently licensed motor vehicle dealership the department shall, upon request, authorize the new approved dealer applicant to retain the selling dealer's license number and shall cause the new dealer's records to indicate such transfer. If the new approved dealer applicant elects not to retain the selling dealer's license number, the department shall issue the new dealer applicant a new dealer's license number and an equal number of plates or certificates as the department had issued to the selling dealer.

6. In the case of motor vehicle dealers, the department shall issue one number plate bearing the distinctive dealer license number and may issue one additional number plate to the applicant upon payment by the dealer of a fifty dollar fee for the number plate bearing the distinctive dealer license number and ten dollars and fifty cents for the additional number plate. The department may issue a third plate to the motor vehicle dealer upon completion of

the dealer's fifteenth qualified transaction and payment of a fee of ten dollars and fifty cents. In the case of new motor vehicle manufacturers, powersport dealers, recreational motor vehicle dealers, and trailer dealers, the department shall issue one number plate bearing the distinctive dealer license number and may issue two additional number plates to the applicant upon payment by the manufacturer or dealer of a fifty dollar fee for the number plate bearing the distinctive dealer license number and ten dollars and fifty cents for each additional number plate. Boat dealers and boat manufacturers shall be entitled to one certificate of number bearing such number upon the payment of a fifty dollar fee. Additional number plates and as many additional certificates of number may be obtained upon payment of a fee of ten dollars and fifty cents for each additional plate or certificate. New motor vehicle manufacturers shall not be issued or possess more than three hundred forty-seven additional number plates or certificates of number annually. New and used motor vehicle dealers, powersport dealers, wholesale motor vehicle dealers, boat dealers, and trailer dealers are limited to one additional plate or certificate of number per ten-unit qualified transactions annually. New and used recreational motor vehicle dealers are limited to two additional plates or certificate of number per ten-unit qualified transactions annually for their first fifty transactions and one additional plate or certificate of number per ten-unit qualified transactions thereafter. An applicant seeking the issuance of an initial license shall indicate on his or her initial application the applicant's proposed annual number of sales in order for the director to issue the appropriate number of additional plates or certificates of number. A motor vehicle dealer, trailer dealer, boat dealer, powersport dealer, recreational motor vehicle dealer, motor vehicle manufacturer, boat manufacturer, or wholesale motor vehicle dealer obtaining a distinctive dealer license plate or certificate of number or additional license plate or additional certificate of number, throughout the calendar year, shall be required to pay a fee for such license plates or certificates of number computed on the basis of one-twelfth of the full fee prescribed for the original and duplicate number plates or certificates of number for such dealers' licenses, multiplied by the number of months remaining in the licensing period for which the dealer or manufacturers shall be required to be licensed. In the event of a renewing dealer, the fee due at the time of renewal shall not be prorated. Wholesale and public auctions shall be issued a certificate of dealer registration in lieu of a dealer number plate. In order for dealers to obtain number plates or certificates under this section, dealers shall submit to the department of revenue on August first of each year a statement certifying, under penalty of perjury, the dealer's number of sales during the reporting period of July first of the immediately preceding year to June thirtieth of the present year.

7. The plates issued pursuant to subsection 3 or 6 of this section may be displayed on any motor vehicle owned by a new motor vehicle manufacturer. The plates issued pursuant to subsection 3 or 6 of this section may be displayed on any motor vehicle or trailer owned and held for resale by a motor vehicle dealer for use by a customer who is test driving the motor vehicle, for use by any customer while the customer's vehicle is being serviced or repaired by the motor vehicle dealer, for use and display purposes during, but not limited to, parades, private events, charitable events, or for use by an employee or officer, but shall not be displayed on any motor vehicle or trailer hired or loaned to others or upon any regularly used service or wrecker vehicle. Motor vehicle dealers may display their dealer plates on a tractor, truck or trailer to demonstrate a vehicle under a loaded condition. Trailer dealers may display their dealer license plates in like manner, except such plates may only be displayed on trailers owned and held for resale by the trailer dealer.

8. The certificates of number issued pursuant to subsection 3 or 6 of this section may be displayed on any vessel or vessel trailer owned and held for resale by a boat manufacturer or a boat dealer, and used by a customer who is test driving the vessel or vessel trailer, or is used by an employee or officer on a vessel or vessel trailer only, but shall not be displayed on any motor vehicle owned by a boat manufacturer, boat dealer, or trailer dealer, or vessel or vessel trailer hired or loaned to others or upon any regularly used service vessel or vessel trailer. Boat dealers and boat manufacturers may display their certificate of number on a vessel or vessel trailer when transporting a vessel or vessels to an exhibit or show.

9. If any law enforcement officer has probable cause to believe that any license plate or certificate of number issued under subsection 3 or 6 of this section is being misused in violation of subsection 7 or 8 of this section, the license plate or certificate of number may be seized and surrendered to the department.

10. (1) Every application for the issuance of a used motor vehicle dealer's license shall be accompanied by proof that the applicant, within the last twelve months, has completed an educational seminar course approved by the department as prescribed by subdivision (2) of this subsection. Wholesale and public auto auctions and applicants currently holding a new or used license for a separate dealership shall be exempt from the requirements of this subsection. The provisions of this subsection shall not apply to current new motor vehicle franchise dealers or motor vehicle leasing agencies or applicants for a new motor vehicle franchise or a motor vehicle leasing agency. The provisions of this subsection shall not apply to used motor vehicle dealers who were licensed prior to August 28, 2006.

(2) The educational seminar shall include, but is not limited to, the dealer requirements of sections 301.550 to 301.580, the rules promulgated to implement, enforce, and administer sections 301.550 to 301.580, and any other rules and regulations promulgated by the department.

307.010. 1. All motor vehicles, and every trailer and semitrailer operating upon the public highways of this state and carrying goods or material or farm products which may reasonably be expected to become dislodged and fall from the vehicle, trailer or semitrailer as a result of wind pressure or air pressure and/or by the movement of the vehicle, trailer or semitrailer shall have a protective cover or be sufficiently secured so that no portion of such goods or material can become dislodged and fall from the vehicle, trailer or semitrailer while being transported or carried.

2. **A cotton trailer, as defined in section 301.010, shall not be in violation of this section, provided it is traveling at speeds less than sixty-five miles per hour from field to field or from field to market and return, and no portion of such goods or material becomes dislodged and falls from the cotton trailer.**

3. Operation of a motor vehicle, trailer or semitrailer in violation of this section shall be a class C misdemeanor, and any person convicted thereof shall be punished as provided by law."; and

The certification shall be performed by a uniformed member of the Missouri state highway patrol or authorized or designated employee stationed in the troop area in which the applicant's place of business is located; except that in counties of the first classification, certification may be performed by an officer of a metropolitan police department when the applicant's established place of business of distributing or selling motor vehicles or trailers is in the metropolitan area where the certifying metropolitan police officer is employed. When the application is being made for licensure as a boat manufacturer or boat dealer, certification shall be performed by a uniformed member of the Missouri state highway patrol or authorized or designated employee stationed in the troop area in which the applicant's place of business is located or, if the applicant's place of business is located within the jurisdiction of a metropolitan police department in a first class county, by an officer of such metropolitan police department. Dealers who sell only emergency vehicles as defined in section 301.550 are exempt from maintaining a bona fide place of business, including the related law enforcement certification requirements, and from meeting the minimum yearly sales;

The bond shall be executed in the name of the state of Missouri for the benefit of all aggrieved parties or the irrevocable letter of credit shall name the state of Missouri as the beneficiary; except, that the aggregate liability of the surety or financial institution to the aggrieved parties shall, in no event, exceed the amount of the bond or irrevocable letter of credit. Additionally, every applicant as a new motor vehicle franchise dealer, a used motor vehicle dealer, a powersport dealer, a wholesale motor vehicle dealer, or boat dealer shall furnish with the application a copy of a

current dealer garage policy bearing the policy number and name of the insurer and the insured. The proceeds of the bond or irrevocable letter of credit furnished by an applicant shall be paid upon receipt by the department of a final judgment from a Missouri court of competent jurisdiction against the principal and in favor of an aggrieved party. The proceeds of the bond or irrevocable letter of credit furnished by an applicant shall be paid at the order of the department and in the amount determined by the department to any buyer or interested lienholder up to the greater of the amount required for the release of the purchase money lien or the sales price paid by the buyer where a dealer has failed to fulfill the dealer's obligations under an agreement to assign and deliver title to the buyer within thirty days under a contract entered into pursuant to subsection 5 of section 301.210. The department shall direct release of the bond or irrevocable letter of credit proceeds upon presentation of a written agreement entered into pursuant to subsection 5 of section 301.210, copies of the associated sales and finance documents, and the affidavit or affidavits of the buyer or lienholder stating that the certificate of title with assignment thereof has not been passed to the buyer within thirty days of the date of the contract entered into under subsection 5 of section 301.210, that the dealer has not fulfilled the agreement under the contract to repurchase the vehicle, that the buyer or the lienholder has notified the dealer of the claim on the bond or letter of credit, and the amount claimed by the purchaser or lienholder. In addition, prior to directing release and payment of the proceeds of a bond or irrevocable letter of credit, the department shall ensure that there is satisfactory evidence to establish that the vehicle which is subject to the written agreement has been returned by the buyer to the dealer or that the buyer has represented to the department that the buyer will surrender possession of the vehicle to the dealer upon payment of the proceeds of the bond or letter of credit directed by the department. Excepting ordinary wear and tear or mechanical failures not caused by the buyer, the amount of proceeds to be paid to the buyer under the bond or irrevocable letter of credit shall be reduced by an amount equivalent to any damage, abuse, or destruction incurred by the vehicle while the vehicle was in the buyer's possession as agreed between the buyer and the dealer. The dealer may apply to a court of competent jurisdiction to contest the claim on the bond or letter of credit, including the amount of the claim and the amount of any adjustment for any damage, abuse, or destruction, by filing a petition with the court within thirty days of the notification by the buyer or lienholder. If the dealer does not fulfill the agreement or file a petition to request judicial relief from the terms of the agreement or contest the amount of the claim, the bond or letter of credit shall be released by the department and directed paid in the amount or amounts presented by the lienholder or buyer;

(4) Payment of all necessary license fees as established by the department. 5. A family treatment court may be established by any circuit court. The juvenile division of the circuit court or the family court, if one is established under section 487.010, may refer one or more parents or other household members subject to its jurisdiction to the family treatment court if he or she has been determined to have a substance use disorder or co-occurring disorder that impacts the safety and well-being of the children in the family.

6. A juvenile treatment court may be established by the juvenile division of any circuit court. The juvenile division may refer a juvenile to the juvenile treatment court if the juvenile is determined to have committed acts that violate the criminal laws of the state or ordinances of a municipality or county and a substance use disorder or co-occurring disorder contributed to the commission of the offense.

7. The general assembly finds and declares that it is the public policy of this state to encourage and provide an alternative method for the disposal of cases for military veterans and current military personnel with substance use disorders, mental health disorders, or co-occurring disorders. In order to effectuate this public policy, a veterans treatment court may be established by any circuit court, or combination of circuit courts upon agreement of the presiding judges of such circuit courts, to provide an alternative for the judicial system to dispose of cases that stem from a substance use disorder, mental health disorder, or co-occurring disorder of military veterans or current military personnel. A veterans treatment court shall combine judicial supervision, drug or alcohol testing, and substance use and mental health disorder treatment to participants who have served or are currently serving the United States Armed Forces, including members of the Reserves or National Guard, with preference given to individuals who have combat service. For the purposes of this section, combat service shall be shown through military service documentation that reflects service in a combat theater, receipt of combat service medals, or receipt of imminent danger or hostile fire pay or tax benefits. Except for good cause found by the court, a veterans treatment court shall make a referral for substance use or mental health disorder treatment, or a combination of substance use and mental health disorder treatment, through the Department of Defense health care, the Veterans Administration, or a community-based substance use disorder treatment program. Community-based programs utilized shall receive state or federal funds in connection with such referral and shall only refer the individual to a program certified by the department of mental health, unless no appropriate certified treatment program is located within the same circuit as the veterans treatment court.

8. A mental health court may be established by any circuit court to provide an alternative for the judicial system to dispose of cases that stem from a mental health disorder or co-occurring disorder."; and

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SEVENTY-FIFTH DAY, WEDNESDAY, MAY 15, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The Lord will give strength unto His people; the Lord will bless His people with peace. (Psalm 29:11)

O Merciful God, from whom no secrets are hidden, help us in the opening moment of prayer to hear Your voice again and to draw near to You with sincere and humble hearts. With Your presence alive within us, may we face the responsibilities of this day with courage and faith and in all honesty of mind and heart. May no deceit dim our vision, no hatred mar our relationship with others, and no pretense affect our attitude towards ourselves.

Onto this House floor may there come a new and greater unity of spirit as mistrust sometimes seeks to destroy our freedom and belittle our reverence for personality. As we live through these days of destiny which call for wisdom and grace, make us worthy of our votes and give us courage and strength to be true Missourians!

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Joshua Mejia-Wright and Izzy Rost.

The Journal of the seventy-fourth day was approved as printed.

Speaker Pro Tem Henderson assumed the Chair.

Speaker Plocher resumed the Chair.

Representative Knight assumed the Chair.

A clean energy development board shall not enter into an assessment contract or levy or collect a special assessment for a project without making a finding that there are sufficient resources to complete the project and that the estimated economic benefit expected from the project during the financing period is equal to or greater than the cost of the project.

2. An assessment contract shall be executed by the clean energy development board and the benefitted property owner or property owners and shall provide:

(1) A description of the project, including the estimated cost of the project and details on how the project will either reduce energy consumption or create energy from renewable sources;

Such special assessments shall be collected by the collector for the county, or city not within a county, in the same manner and with the same priority as ad valorem real property taxes ~~subject to the provisions of subsection 8 of this section~~. Once collected, the collector for the county, or city not within a county, shall pay over such special assessment revenues to the clean energy development board in the same manner in which revenues from ad valorem real property taxes are paid to other taxing districts. 6. Any clean energy development board that contracts for outside administrative services to provide financing origination for a project shall offer the right of first refusal to enter into such a contract to a federally insured depository institution with a physical presence in Missouri upon the same terms and conditions as would otherwise be approved by the clean energy development board. 7. **Except as otherwise provided in section 67.2840**, sections 67.2816, 67.2817, 67.2818, and 67.2819 shall apply only to PACE programs for projects to improve residential properties of four or fewer units. Notwithstanding any provision of law to the contrary, any clean energy development board formed to improve commercial properties, properties owned by nonprofit or not-for-profit entities, governmental properties, or

nonresidential properties in excess of four residential units shall be exempt from the provisions of sections 67.2816, 67.2817, 67.2818, and 67.2819, nor shall such sections apply to the commercial PACE programs and commercial PACE assessment contracts of any clean energy development board engaged in both commercial and residential property programs. Notwithstanding any provision of law to the contrary, any clean energy development board that ceases to finance new projects to improve residential properties of four or fewer units before January 1, 2022, shall be exempt from the provisions of sections 67.2816, 67.2817, 67.2818, and 67.2819.

67.2817. 1. Notwithstanding any other contractual agreement to the contrary, each assessment contract shall be reviewed, approved, and executed by the clean energy development board and these duties shall not be delegated. Any attempted delegations of these duties shall be void.

- (2) The PACE assessment may be paid in full at any time without prepayment penalty. The pay-off letter shall specify the amount of any fee or charge by a lender or loan service agent to obtain the total balance due. The release of the assessment shall be recorded within thirty days of the receipt of the amounts identified in the pay-off letter;
- (3) The assessment contract shall disclose applicable penalties, interest penalties, or late fees under the contract and describe generally the interest and penalties imposed under chapter 140 relating to the collection of delinquent property taxes;
- (4) The clean energy development board shall provide a separate statement to the owner of the residential property of the penalties or late fees authorized under the assessment contract and of the penalties and interest penalties under chapter 140 for the applicable tax collector as of the date of the assessment contract;
- (5) The clean energy development board has confirmed that the property owner is current on property taxes for the project property;
- (6) The property that shall be subject to the assessment contract has no recorded and outstanding involuntary liens in excess of one thousand dollars;
- (7) The property owner shall not currently be a party to any bankruptcy proceeding where any existing lien holder of the property is named as a creditor;
- (8) The term of the assessment contract shall not exceed the weighted average useful life of the qualified improvements to which the greatest portion of funds disbursed under the assessment contract is attributable, not to exceed ~~twenty~~ thirty years. The clean energy development board shall determine useful life for purposes of this subdivision based upon credible third-party standards or certification criteria that have been established by appropriate government agencies or nationally recognized standards and testing organizations;
- (9) The property owner is current on all mortgage debt on the subject property and has no more than one late payment during the twelve months immediately preceding the application date on any mortgage debt; and
- (10) The clean energy development board shall not enter into an assessment contract or levy or collect a special assessment for a project without making a finding that there are sufficient resources to complete the project and that the estimated economic benefit expected from the project during the financing period is equal to or greater than the cost of the project.

3. Any assessment contract for a project that, combined with any existing and outstanding indebtedness secured by the benefitted property, results in a loan-to-value ratio between eighty percent and ninety-seven percent of the true value in money, as determined by the assessor pursuant to chapter 137, plus ten percent of such amount, of the benefitted property prior to the project as determined by reference to the assessment records for tax purposes for the most recent completed assessment by the county, or city not within a county, shall include provision of an insurance policy providing coverage for any remaining cost of fulfilling the assessment contract, including any accumulated interest, in the event the property is foreclosed upon, if such product exists. Such insurance policy shall run with the land in the same manner as the other obligations set forth in the assessment contract.

4. The property owner executing the PACE assessment contract shall have a three-day right to cancel the qualifying improvements proposed for financing under the PACE assessment contract. The three-day right to cancel shall expire at midnight of the third business day after a property owner signs the assessment contract. The clean energy development board shall be required to provide a printed form that is presented to the property owner no later than the time of signing of the assessment contract detailing the property owner's right to cancel. An electronic form may be provided if the owner consents electronically to receiving an electronic form.

5. Prior to the execution of an assessment contract, the clean energy development board shall advise the property owner in writing that any delinquent assessment shall be a lien on the property subject to the assessment contract and that the obligations under the PACE assessment contract continue as an obligation against the improved

property if the property owner sells or refinances the property and that a purchaser or lender may require that before the owner may sell or refinance the property that the owner may be required to pay the assessment contract in full.

6. Prior to the execution of an assessment contract, the clean energy development board shall advise the property owner in writing that if the property owner pays his or her property taxes and special assessments via a lender or loan servicer's escrow program, the special assessment will cause the owner's monthly escrow requirements to increase and increase the owner's total monthly payment to the lender or the loan servicer. The clean energy development board shall further advise the property owner that if the special assessment results in an escrow shortage that the owner will be required to pay the shortage in a lump-sum payment or catch up the shortage over twelve months.

7. The clean energy development board, within three days of entering an assessment contract, shall provide any holder of a first mortgage loan a copy of the assessment contract and a statement that includes a brief description of the project, the cost of the project, the annual assessment that will be levied, and the number of annual assessments. Transmittal shall be by United States mail to the holder of the first mortgage loan of record.

8. The clean energy development board shall maintain a public website with current information about the PACE program as the board deems appropriate to inform consumers regarding the PACE program. The website shall list approved contractors for the PACE program. The website shall disclose the process for property owners or their successors to request information about the assessment contract, the status of the assessment contract, and for all questions including contract information to obtain a payoff amount for the release of an assessment contract.

9. The clean energy development board, its agents, contractor, or other third party shall not make any representation as to the income tax deductibility of an assessment.

67.2830. 1. A clean energy development board may issue bonds payable from special assessment revenues generated by assessment contracts and any other revenues pledged thereto. The bonds shall be authorized by resolution of the clean energy development board, shall bear such date or dates, and shall mature at such time or times as the resolution shall specify, provided that the term of any bonds issued for a clean energy conduit financing shall not exceed ~~[twenty]~~ **thirty** years. The bonds shall be in such denomination, bear interest at such rate, be in such form, be issued in such manner, be payable in such place or places, and be subject to redemption as such resolution may provide. Notwithstanding any provision to the contrary under this section, issuance of the bonds shall conform to the requirements of subsection 1 of section 108.170.

2. Any bonds issued under this section shall not constitute an indebtedness of the state or any municipality. Neither the state nor any municipality shall be liable on such bonds, and the form of such bonds shall contain a statement to such effect.

67.2840. 1. Sections 67.2816, 67.2817, 67.2818, and 67.2819 shall be effective and apply **only** to the residential PACE programs of clean energy development boards and participating municipalities ~~[after]~~ **from January 1, 2022, to August 28, 2024. Beginning August 28, 2024, all residential properties shall be exempt from the provisions of sections 67.2816 to 67.2819 and no assessment contract, project, or PACE program shall be entered into, undertaken, or established for any residential property.**

2. Sections 67.2816, 67.2817, 67.2818, and 67.2819 shall be effective and apply **only** to residential PACE assessment contracts entered into after January 1, 2022, **but before August 28, 2024.**"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

The jail reimbursement shall be subject to review and approval of the department. The state shall pay the costs when:

- (1) A person is sentenced to a term of imprisonment as authorized by chapter 558;
- (2) A person is sentenced pursuant to section 559.115;
- (3) A person has his or her probation or parole revoked because the offender has, or allegedly has, violated any condition of the offender's probation or parole, and such probation or parole is a consequence of a violation of the law, or the offender is a fugitive from the state or otherwise held at the request of the department regardless of whether or not a warrant has been issued; or
- (4) A person has a period of detention imposed pursuant to section 559.026.

3. It shall be the duty of the county commission to supply the cost per diem for county prisons to the clerk of the circuit court on the first day of each year, and thereafter whenever the amount may be changed. It shall be the duty of the superintendents of such facilities to supply the cost per diem to the chief executive officer on the first day of each year, and thereafter whenever the amount may be changed. It shall be the duty of the chief executive officer to bill the state all fees for boarding such prisoners which are properly chargeable to the state. 4. The presiding judge of a judicial circuit may propose expenses to be reimbursable by the state on behalf of one or more of the counties in that circuit. Proposed reimbursable expenses may include pretrial assessment and supervision strategies for defendants who are ultimately eligible for state incarceration. A county may not receive more than its share of the amount appropriated in the previous fiscal year, inclusive of expenses proposed by the presiding judge. Any county shall convey such proposal to the department, and any such proposal presented by a presiding judge shall include the documented agreement with the proposal by the county governing body, prosecuting attorney, at least one associate circuit judge, and the officer of the county responsible for custody or incarceration of prisoners of the county represented in the proposal. Any county that declines to convey a proposal to the department, pursuant to the provisions of this subsection, shall receive its per diem cost of incarceration for all prisoners chargeable to the state in accordance with the provisions of subsections 1, 2, and 3 of this section.]; and

Further amend said bill and section, Page 31, Line 100, by inserting at the end of said line the following:

"Any ordinance or petition approved under this subsection that establishes a district for which the proposed funding mechanism for the proposed district includes a sales tax shall be by at least a two-thirds majority vote."; and

Further amend said bill, Page 35, Section 67.1471, Line 24, by inserting after said section and line the following:

"67.1521. 1. A district may levy by resolution one or more special assessments against real property

within its boundaries, upon receipt of and in accordance with a petition signed by:

(1) Owners of real property collectively owning more than fifty percent by assessed value of real property within the boundaries of the district; and

(2) More than fifty percent per capita of the owners of all real property within the boundaries of the district.

2. The special assessment petition shall be in substantially the following form:

The _____ (insert name of district) Community Improvement District ("District") shall be authorized to levy special assessments against real property benefitted within the district for the purpose of providing revenue for _____ (insert general description of specific service and/or projects) in the district, such special assessments to be levied against each tract, lot or parcel of real property listed below within the district which receives special benefit as a result of such service and/or projects, the cost of which shall be allocated among this property by _____ (insert method of allocation, e.g., per square foot of property, per square foot on each square foot of improvement, or by abutting foot of property abutting streets, roads, highways, parks or other improvements, or any other reasonable method) in an amount not to exceed _____ dollars per (insert unit of measure). Such authorization to levy the special assessment shall expire on _____ (insert date). The tracts of land located in the district which will receive special benefit from this service and/or projects are: _____ (list of properties by common addresses and legal descriptions).

3. The method for allocating such special assessments set forth in the petition may be any reasonable method which results in imposing assessments upon real property benefitted in relation to the benefit conferred upon each respective tract, lot or parcel of real property and the cost to provide such benefit.

4. By resolution of the board, the district may levy a special assessment rate lower than the rate ceiling set forth in the petition authorizing the special assessment and may increase such lowered special assessment rate to a level not exceeding the special assessment rate ceiling set forth in the petition without further approval of the real property owners; provided that a district imposing a special assessment pursuant to this section may not repeal or amend such special assessment or lower the rate of such special assessment if such repeal, amendment or lower rate will impair the district's ability to pay any liabilities that it has incurred, money that it has borrowed or obligations that it has issued.

5. Each special assessment which is due and owing shall constitute a perpetual lien against each tract, lot or parcel of property from which it is derived. Such lien may be foreclosed in the same manner as any other special assessment lien as provided in section 88.861. Notwithstanding the provisions of this subsection and section 67.1541 to the contrary, the county collector may, upon certification by the district for collection, add each special assessment to the annual real estate tax bill for the property and collect the assessment in the same manner the collector uses for real estate taxes. Any special assessment remaining unpaid on the first day of January annually is delinquent and enforcement of collection of the delinquent bill by the county collector shall be governed by the laws concerning delinquent and back taxes. The lien may be foreclosed in the same manner as a tax upon real property by land tax sale under chapter 140 or, if applicable to that county, chapter 141.

6. A separate fund or account shall be created by the district for each special assessment levied and each fund or account shall be identifiable by a suitable title. The proceeds of such assessments shall be credited to such fund or account. Such fund or account shall be used solely to pay the costs incurred in undertaking the specified service or project.

7. Upon completion of the specified service or project or both, the balance remaining in the fund or account established for such specified service or project or both shall be returned or credited against the amount of the original assessment of each parcel of property pro rata based on the method of assessment of such special assessment.

8. Any funds in a fund or account created pursuant to this section which are not needed for current expenditures may be invested by the board in accordance with applicable laws relating to the investment of funds of the city in which the district is located.

9. The authority of the district to levy special assessments shall be independent of the limitations and authorities of the municipality in which it is located; specifically, the provisions of section 88.812 shall not apply to any district.

10. Notwithstanding any other provision of this section to the contrary, all property owned by an entity that is exempt from taxation under 26 U.S.C. Section 501(c), as amended, shall be exempt from any property tax or special assessment levied by a district.

67.2677. 1. For purposes of sections 67.2675 to 67.2714, the following terms mean:

(14) "Video service", the provision, **by a video service provider**, of video programming provided through wireline facilities located at least in part in the public right-of-way without regard to delivery technology, including

internet protocol technology whether provided as part of a tier, on demand, or a per-channel basis. This definition includes cable service as defined by 47 U.S.C. Section 522(6), but does not include any video programming provided by a commercial mobile service provider defined in 47 U.S.C. (18) "Video service provider fee", the fee imposed under section 67.2689.

2. ~~The repeal and reenactment of~~ This section shall ~~become~~ **remain** effective **after** August 28, 2023."; and

Further amend said bill, Page 49, Section 105.145, Line 88, by inserting after said section and line the following:

"137.067. Notwithstanding any provision of law to the contrary, any ballot measure seeking approval to add, change, or modify a tax on real property shall express the effect of the proposed change within the ballot language in terms of the change in real dollars owed per one hundred thousand dollars of a property's market valuation.

137.073. 1. As used in this section, the following terms mean:

(1) "General reassessment", changes in value, entered in the assessor's books, of a substantial portion of the parcels of real property within a county resulting wholly or partly from reappraisal of value or other actions of the assessor or county equalization body or ordered by the state tax commission or any court;

(2) "Tax rate", "rate", or "rate of levy", singular or plural, includes the tax rate for each purpose of taxation of property a taxing authority is authorized to levy without a vote and any tax rate authorized by election, including bond interest and sinking fund;

(3) "Tax rate ceiling", a tax rate as revised by the taxing authority to comply with the provisions of this section or when a court has determined the tax rate; except that, other provisions of law to the contrary notwithstanding, a school district may levy the operating levy for school purposes required for the current year pursuant to subsection 2 of section 163.021, less all adjustments required pursuant to Article X, Section 22 of the Missouri Constitution, if such tax rate does not exceed the highest tax rate in effect subsequent to the 1980 tax year. This is the maximum tax rate that may be levied, unless a higher tax rate ceiling is approved by voters of the political subdivision as provided in this section;

(4) "Tax revenue", when referring to the previous year, means the actual receipts from ad valorem levies on all classes of property, including state-assessed property, in the immediately preceding fiscal year of the political subdivision, plus an allowance for taxes billed but not collected in the fiscal year and plus an additional allowance for the revenue which would have been collected from property which was annexed by such political subdivision but which was not previously used in determining tax revenue pursuant to this section. The term "tax revenue" shall not include any receipts from ad valorem levies on any property of a railroad corporation or a public utility, as these terms are defined in section 386.020, which were assessed by the assessor of a county or city in the previous year but are assessed by the state tax commission in the current year. All school districts and those counties levying sales taxes pursuant to chapter 67 shall include in the calculation of tax revenue an amount equivalent to that by which they reduced property tax levies as a result of sales tax pursuant to section 67.505 and section 164.013 or as excess home dock city or county fees as provided in ~~subsection 4 of~~ section 313.820 in the immediately preceding fiscal year but not including any amount calculated to adjust for prior years. For purposes of political subdivisions which were authorized to levy a tax in the prior year but which did not levy such tax or levied a reduced rate, the term "tax revenue", as used in relation to the revision of tax levies mandated by law, shall mean the revenues equal to the amount that would have been available if the voluntary rate reduction had not been made.

2. Whenever changes in assessed valuation are entered in the assessor's books for any personal property, in the aggregate, or for any subclass of real property as such subclasses are established in Section 4(b) of Article X of the Missouri Constitution and defined in section 137.016, the county clerk in all counties and the assessor of St.

Louis City shall notify each political subdivision wholly or partially within the county or St. Louis City of the change in valuation of each subclass of real property, individually, and personal property, in the aggregate, exclusive of new construction and improvements. All political subdivisions shall immediately revise the applicable rates of levy for each purpose for each subclass of real property, individually, and personal property, in the aggregate, for which taxes are levied to the extent necessary to produce from all taxable property, exclusive of new construction and improvements, substantially the same amount of tax revenue as was produced in the previous year for each subclass of real property, individually, and personal property, in the aggregate, except that the rate shall not exceed the greater of the most recent voter-approved rate or the most recent voter-approved rate as adjusted under subdivision (2) of subsection 5 of this section. Any political subdivision that has received approval from voters for a tax increase after August 27, 2008, may levy a rate to collect substantially the same amount of tax revenue as the amount of revenue that would have been derived by applying the voter-approved increased tax rate ceiling to the total assessed valuation of the political subdivision as most recently certified by the city or county clerk on or before the date of the election in which such increase is approved, increased by the percentage increase in the consumer price index, as provided by law, except that the rate shall not exceed the greater of the most recent voter-approved rate or the most recent voter-approved rate as adjusted under subdivision (2) of subsection 5 of this section. Such tax revenue shall not include any receipts from ad valorem levies on any real property which was assessed by the assessor of a county or city in such previous year but is assessed by the assessor of a county or city in the current year in a different subclass of real property. Where the taxing authority is a school district for the purposes of revising the applicable rates of levy for each subclass of real property, the tax revenues from state-assessed railroad and utility property shall be apportioned and attributed to each subclass of real property based on the percentage of the total assessed valuation of the county that each subclass of real property represents in the current taxable year. As provided in Section 22 of Article X of the constitution, a political subdivision may also revise each levy to allow for inflationary assessment growth occurring within the political subdivision. The inflationary growth factor for any such subclass of real property or personal property shall be limited to the actual assessment growth in such subclass or class, exclusive of new construction and improvements, and exclusive of the assessed value on any real property which was assessed by the assessor of a county or city in the current year in a different subclass of real property, but not to exceed the consumer price index or five percent, whichever is lower. Should the tax revenue of a political subdivision from the various tax rates determined in this subsection be different than the tax revenue that would have been determined from a single tax rate as calculated pursuant to the method of calculation in this subsection prior to January 1, 2003, then the political subdivision shall revise the tax rates of those subclasses of real property, individually, and/or personal property, in the aggregate, in which there is a tax rate reduction, pursuant to the provisions of this subsection. Such revision shall yield an amount equal to such difference and shall be apportioned among such subclasses of real property, individually, and/or personal property, in the aggregate, based on the relative assessed valuation of the class or subclasses of property experiencing a tax rate reduction. Such revision in the tax rates of each class or subclass shall be made by computing the percentage of current year adjusted assessed valuation of each class or subclass with a tax rate reduction to the total current year adjusted assessed valuation of the class or subclasses with a tax rate reduction, multiplying the resulting percentages by the revenue difference between the single rate calculation and the calculations pursuant to this subsection and dividing by the respective adjusted current year assessed valuation of each class or subclass to determine the adjustment to the rate to be levied upon each class or subclass of property. The adjustment computed herein shall be multiplied by one hundred, rounded to four decimals in the manner provided in this subsection, and added to the initial rate computed for each class or subclass of property. For school districts that levy separate tax rates on each subclass of real property and personal property in the aggregate, if voters approved a ballot before January 1, 2011, that presented separate stated tax rates to be applied to the different subclasses of real property and personal property in the aggregate, or increases the separate rates that may be levied on the different subclasses of real property and personal property in the aggregate by different amounts, the tax rate that shall be used for the single tax rate calculation shall be a blended rate, calculated in the manner provided under subdivision (1) of subsection 6 of this section. Notwithstanding any provision of this subsection to the contrary, no revision to the rate of levy for personal property shall cause such levy to increase over the levy for personal property from the prior year.

3. (1) Where the taxing authority is a school district, it shall be required to revise the rates of levy to the extent necessary to produce from all taxable property, including state-assessed railroad and utility property, which shall be separately estimated in addition to other data required in complying with section 164.011, substantially the amount of tax revenue permitted in this section. In the year following tax rate reduction, the tax rate ceiling may be adjusted to offset such district's reduction in the apportionment of state school moneys due to its reduced tax rate.

However, in the event any school district, in calculating a tax rate ceiling pursuant to this section, requiring the estimating of effects of state-assessed railroad and utility valuation or loss of state aid, discovers that the estimates used result in receipt of excess revenues, which would have required a lower rate if the actual information had been known, the school district shall reduce the tax rate ceiling in the following year to compensate for the excess receipts, and the recalculated rate shall become the tax rate ceiling for purposes of this section.

(2) For any political subdivision which experiences a reduction in the amount of assessed valuation relating to a prior year, due to decisions of the state tax commission or a court pursuant to sections 138.430 to 138.433, or due to clerical errors or corrections in the calculation or recordation of any assessed valuation:

(a) Such political subdivision may revise the tax rate ceiling for each purpose it levies taxes to compensate for the reduction in assessed value occurring after the political subdivision calculated the tax rate ceiling for the particular subclass of real property or for personal property, in the aggregate, in a prior year. Such revision by the political subdivision shall be made at the time of the next calculation of the tax rate for the particular subclass of real property or for personal property, in the aggregate, after the reduction in assessed valuation has been determined and shall be calculated in a manner that results in the revised tax rate ceiling being the same as it would have been had the corrected or finalized assessment been available at the time of the prior calculation;

(b) In addition, for up to three years following the determination of the reduction in assessed valuation as a result of circumstances defined in this subdivision, such political subdivision may levy a tax rate for each purpose it levies taxes above the revised tax rate ceiling provided in paragraph (a) of this subdivision to recoup any revenues it was entitled to receive had the corrected or finalized assessment been available at the time of the prior calculation.

4. (1) In order to implement the provisions of this section and Section 22 of Article X of the Constitution of Missouri, the term improvements shall apply to both real and personal property. In order to determine the value of new construction and improvements, each county assessor shall maintain a record of real property valuations in such a manner as to identify each year the increase in valuation for each political subdivision in the county as a result of new construction and improvements. The value of new construction and improvements shall include the additional assessed value of all improvements or additions to real property which were begun after and were not part of the prior year's assessment, except that the additional assessed value of all improvements or additions to real property which had been totally or partially exempt from ad valorem taxes pursuant to sections 99.800 to 99.865, sections 135.200 to 135.255, and section 353.110 shall be included in the value of new construction and improvements when the property becomes totally or partially subject to assessment and payment of all ad valorem taxes. The aggregate increase in valuation of personal property for the current year over that of the previous year is the equivalent of the new construction and improvements factor for personal property. Notwithstanding any opt-out implemented pursuant to subsection 14 of section 137.115, the assessor shall certify the amount of new construction and improvements and the amount of assessed value on any real property which was assessed by the assessor of a county or city in such previous year but is assessed by the assessor of a county or city in the current year in a different subclass of real property separately for each of the three subclasses of real property for each political subdivision to the county clerk in order that political subdivisions shall have this information for the purpose of calculating tax rates pursuant to this section and Section 22, Article X, Constitution of Missouri. In addition, the state tax commission shall certify each year to each county clerk the increase in the general price level as measured by the Consumer Price Index for All Urban Consumers for the United States, or its successor publications, as defined and officially reported by the United States Department of Labor, or its successor agency. The state tax commission shall certify the increase in such index on the latest twelve-month basis available on February first of each year over the immediately preceding prior twelve-month period in order that political subdivisions shall have this information available in setting their tax rates according to law and Section 22 of Article X of the Constitution of Missouri. For purposes of implementing the provisions of this section and Section 22 of Article X of the Missouri Constitution, the term "property" means all taxable property, including state-assessed property.

(2) Each political subdivision required to revise rates of levy pursuant to this section or Section 22 of Article X of the Constitution of Missouri shall calculate each tax rate it is authorized to levy and, in establishing each tax rate, shall consider each provision for tax rate revision provided in this section and Section 22 of Article X of the Constitution of Missouri, separately and without regard to annual tax rate reductions provided in section 67.505 and section 164.013. Each political subdivision shall set each tax rate it is authorized to levy using the calculation that produces the lowest tax rate ceiling. It is further the intent of the general assembly, pursuant to the authority of Section 10(c) of Article X of the Constitution of Missouri, that the provisions of such section be applicable to tax rate revisions mandated pursuant to Section 22 of Article X of the Constitution of Missouri as to reestablishing tax rates as revised in subsequent years, enforcement provisions, and other provisions not in conflict with Section 22 of Article X of the Constitution of Missouri. Annual tax rate reductions provided in section 67.505

and section 164.013 shall be applied to the tax rate as established pursuant to this section and Section 22 of Article X of the Constitution of Missouri, unless otherwise provided by law.

5. (1) In all political subdivisions, the tax rate ceiling established pursuant to this section shall not be increased unless approved by a vote of the people. Approval of the higher tax rate shall be by at least a majority of votes cast. When a proposed higher tax rate requires approval by more than a simple majority pursuant to any provision of law or the constitution, the tax rate increase must receive approval by at least the majority required.

(2) When voters approve an increase in the tax rate, the amount of the increase shall be added to the tax rate ceiling as calculated pursuant to this section to the extent the total rate does not exceed any maximum rate prescribed by law. If a ballot question presents a stated tax rate for approval rather than describing the amount of increase in the question, the stated tax rate approved shall be adjusted as provided in this section and, so adjusted, shall be the current tax rate ceiling. The increased tax rate ceiling as approved shall be adjusted such that when applied to the current total assessed valuation of the political subdivision, excluding new construction and improvements since the date of the election approving such increase, the revenue derived from the adjusted tax rate ceiling is equal to the sum of: the amount of revenue which would have been derived by applying the voter-approved increased tax rate ceiling to total assessed valuation of the political subdivision, as most recently certified by the city or county clerk on or before the date of the election in which such increase is approved, increased by the percentage increase in the consumer price index, as provided by law. Such adjusted tax rate ceiling may be applied to the total assessed valuation of the political subdivision at the setting of the next tax rate. If a ballot question presents a phased-in tax rate increase, upon voter approval, each tax rate increase shall be adjusted in the manner prescribed in this section to yield the sum of: the amount of revenue that would be derived by applying such voter-approved increased rate to the total assessed valuation, as most recently certified by the city or county clerk on or before the date of the election in which such increase was approved, increased by the percentage increase in the consumer price index, as provided by law, from the date of the election to the time of such increase and, so adjusted, shall be the current tax rate ceiling.

(3) The provisions of subdivision (2) of this subsection notwithstanding, if prior to the expiration of a temporary levy increase, voters approve a subsequent levy increase, the new tax rate ceiling shall remain in effect only until such time as the temporary levy expires under the terms originally approved by a vote of the people, at which time the tax rate ceiling shall be decreased by the amount of the temporary levy increase. If, prior to the expiration of a temporary levy increase, voters of a political subdivision are asked to approve an additional, permanent increase to the political subdivision's tax rate ceiling, voters shall be submitted ballot language that clearly indicates that if the permanent levy increase is approved, the temporary levy shall be made permanent.

(4) The governing body of any political subdivision may levy a tax rate lower than its tax rate ceiling and may, in a nonreassessment year, increase that lowered tax rate to a level not exceeding the tax rate ceiling without voter approval in the manner provided under subdivision ~~[(4)]~~ (5) of this subsection. Nothing in this section shall be construed as prohibiting a political subdivision from voluntarily levying a tax rate lower than that which is required under the provisions of this section or from seeking voter approval of a reduction to such political subdivision's tax rate ceiling.

~~[(4)]~~ (5) In a year of general reassessment, a governing body whose tax rate is lower than its tax rate ceiling shall revise its tax rate pursuant to the provisions of subsection 4 of this section as if its tax rate was at the tax rate ceiling. In a year following general reassessment, if such governing body intends to increase its tax rate, the governing body shall conduct a public hearing, and in a public meeting it shall adopt an ordinance, resolution, or policy statement justifying its action prior to setting and certifying its tax rate. The provisions of this subdivision shall not apply to any political subdivision which levies a tax rate lower than its tax rate ceiling solely due to a reduction required by law resulting from sales tax collections. The provisions of this subdivision shall not apply to any political subdivision which has received voter approval for an increase to its tax rate ceiling subsequent to setting its most recent tax rate.

(6) (a) As used in this subdivision, the following terms mean:

a. "Current tax rate ceiling", the tax rate ceiling in effect before the voters approve a higher tax rate;

b. "Increased tax rate ceiling", the new tax rate ceiling in effect after the voters approve a higher tax rate.

(b) Notwithstanding any other provision of law to the contrary, when the required majority of voters in a political subdivision passes an increase in the political subdivision's tax rate, the political subdivision

shall use the current tax rate ceiling and the increase approved by the voters in establishing the rates of levy for the tax year immediately following the election.

(c) If the assessed valuation of real property in such political subdivision is reduced in such tax year immediately following the election, such political subdivision may raise its rates of levy so that the revenue received from its local real property tax rates equals the amount the political subdivision would have received from the increased rates of levy had there been no reduction in the assessed valuation of real property in the political subdivision.

(d) Using the increased tax rate ceiling shall be revenue neutral as required in Article X, Section 22 of the Constitution of Missouri.

6. (1) For the purposes of calculating state aid for public schools pursuant to section 163.031, each taxing authority which is a school district shall determine its proposed tax rate as a blended rate of the classes or subclasses of property. Such blended rate shall be calculated by first determining the total tax revenue of the property within the jurisdiction of the taxing authority, which amount shall be equal to the sum of the products of multiplying the assessed valuation of each class and subclass of property by the corresponding tax rate for such class or subclass, then dividing the total tax revenue by the total assessed valuation of the same jurisdiction, and then multiplying the resulting quotient by a factor of one hundred. Where the taxing authority is a school district, such blended rate shall also be used by such school district for calculating revenue from state-assessed railroad and utility property as defined in chapter 151 and for apportioning the tax rate by purpose.

(2) Each taxing authority proposing to levy a tax rate in any year shall notify the clerk of the county commission in the county or counties where the tax rate applies of its tax rate ceiling and its proposed tax rate. Each taxing authority shall express its proposed tax rate in a fraction equal to the nearest one-tenth of a cent, unless its proposed tax rate is in excess of one dollar, then one/one-hundredth of a cent. If a taxing authority shall round to one/one-hundredth of a cent, it shall round up a fraction greater than or equal to five/one-thousandth of one cent to the next higher one/one-hundredth of a cent; if a taxing authority shall round to one-tenth of a cent, it shall round up a fraction greater than or equal to five/one-hundredths of a cent to the next higher one-tenth of a cent. Any taxing authority levying a property tax rate shall provide data, in such form as shall be prescribed by the state auditor by rule, substantiating such tax rate complies with Missouri law. All forms for the calculation of rates pursuant to this section shall be promulgated as a rule and shall not be incorporated by reference. The state auditor shall promulgate rules for any and all forms for the calculation of rates pursuant to this section which do not currently exist in rule form or that have been incorporated by reference. In addition, each taxing authority proposing to levy a tax rate for debt service shall provide data, in such form as shall be prescribed by the state auditor by rule, substantiating the tax rate for debt service complies with Missouri law. A tax rate proposed for annual debt service requirements will be prima facie valid if, after making the payment for which the tax was levied, bonds remain outstanding and the debt fund reserves do not exceed the following year's payments. The county clerk shall keep on file and available for public inspection all such information for a period of three years. The clerk shall, within three days of receipt, forward a copy of the notice of a taxing authority's tax rate ceiling and proposed tax rate and any substantiating data to the state auditor. The state auditor shall, within fifteen days of the date of receipt, examine such information and return to the county clerk his or her findings as to compliance of the tax rate ceiling with this section and as to compliance of any proposed tax rate for debt service with Missouri law. If the state auditor believes that a taxing authority's proposed tax rate does not comply with Missouri law, then the state auditor's findings shall include a recalculated tax rate, and the state auditor may request a taxing authority to submit documentation supporting such taxing authority's proposed tax rate. The county clerk shall immediately forward a copy of the auditor's findings to the taxing authority and shall file a copy of the findings with the information received from the taxing authority. The taxing authority shall have fifteen days from the date of receipt from the county clerk of the state auditor's findings and any request for supporting documentation to accept or reject in writing the rate change certified by the state auditor and to submit all requested information to the state auditor. A copy of the taxing authority's acceptance or rejection and any information submitted to the state auditor shall also be mailed to the county clerk. If a taxing authority rejects a rate change certified by the state auditor and the state auditor does not receive supporting information which justifies the taxing authority's original or any subsequent proposed tax rate, then the state auditor shall refer the perceived violations of such taxing authority to the attorney general's office and the attorney general is authorized to obtain injunctive relief to prevent the taxing authority from levying a violative tax rate.

(3) In the event that the taxing authority incorrectly completes the forms created and promulgated under subdivision (2) of this subsection, or makes a clerical error, the taxing authority may submit amended forms with an explanation for the needed changes. If such amended forms are filed under regulations prescribed by the state auditor, the state auditor shall take into consideration such amended forms for the purposes of this subsection.

7. No tax rate shall be extended on the tax rolls by the county clerk unless the political subdivision has complied with the foregoing provisions of this section.

8. Whenever a taxpayer has cause to believe that a taxing authority has not complied with the provisions of this section, the taxpayer may make a formal complaint with the prosecuting attorney of the county. Where the prosecuting attorney fails to bring an action within ten days of the filing of the complaint, the taxpayer may bring a civil action pursuant to this section and institute an action as representative of a class of all taxpayers within a taxing authority if the class is so numerous that joinder of all members is impracticable, if there are questions of law or fact common to the class, if the claims or defenses of the representative parties are typical of the claims or defenses of the class, and if the representative parties will fairly and adequately protect the interests of the class. In any class action maintained pursuant to this section, the court may direct to the members of the class a notice to be published at least once each week for four consecutive weeks in a newspaper of general circulation published in the county where the civil action is commenced and in other counties within the jurisdiction of a taxing authority. The notice shall advise each member that the court will exclude him or her from the class if he or she so requests by a specified date, that the judgment, whether favorable or not, will include all members who do not request exclusion, and that any member who does not request exclusion may, if he or she desires, enter an appearance. In any class action brought pursuant to this section, the court, in addition to the relief requested, shall assess against the taxing authority found to be in violation of this section the reasonable costs of bringing the action, including reasonable attorney's fees, provided no attorney's fees shall be awarded any attorney or association of attorneys who receive public funds from any source for their services. Any action brought pursuant to this section shall be set for hearing as soon as practicable after the cause is at issue.

9. If in any action, including a class action, the court issues an order requiring a taxing authority to revise the tax rates as provided in this section or enjoins a taxing authority from the collection of a tax because of its failure to revise the rate of levy as provided in this section, any taxpayer paying his or her taxes when an improper rate is applied has erroneously paid his or her taxes in part, whether or not the taxes are paid under protest as provided in section 139.031 or otherwise contested. The part of the taxes paid erroneously is the difference in the amount produced by the original levy and the amount produced by the revised levy. The township or county collector of taxes or the collector of taxes in any city shall refund the amount of the tax erroneously paid. The taxing authority refusing to revise the rate of levy as provided in this section shall make available to the collector all funds necessary to make refunds pursuant to this subsection. No taxpayer shall receive any interest on any money erroneously paid by him or her pursuant to this subsection. Effective in the 1994 tax year, nothing in this section shall be construed to require a taxing authority to refund any tax erroneously paid prior to or during the third tax year preceding the current tax year.

10. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2004, shall be invalid and void."; and

Further amend said bill, Page 58, Section 238.222, Line 39, by inserting after said section and line the following:

"238.225. 1. Before construction or funding of any project the district shall submit the proposed project to the commission for its prior approval, **and approval of such project shall be by at least a two-thirds majority vote if the funding mechanism of the project includes a sales tax.** If the commission by minute finds that the project will improve or is a necessary or desirable extension of the state highways and transportation system, the commission may preliminarily approve the project subject to the district providing plans and specifications for the proposed project and making any revisions in the plans and specifications required by the commission and the district and commission entering into a mutually satisfactory agreement regarding development and future maintenance of the project. After such preliminary approval, the district may impose and collect such taxes and assessments as may be included in the commission's preliminary approval. After the commission approves the final construction plans and specifications, the district shall obtain prior commission approval of any modification of such plans or specifications.

2. If the proposed project is not intended to be merged into the state highways and transportation system under the commission's jurisdiction, the district shall also submit the proposed project and proposed plans and specifications to the local transportation authority that will become the owner of the project for its prior approval **which shall be by at least a two-thirds majority vote if the funding mechanism of the project includes a sales tax.**

3. In those instances where a local transportation authority is required to approve a project and the commission determines that it has no direct interest in that project, the commission may decline to consider the project. Approval of the project shall then vest exclusively with the local transportation authority subject to the district making any revisions in the plans and specifications required by the local transportation authority and the district and the local transportation authority entering into a mutually satisfactory agreement regarding development and future maintenance of the project. After the local transportation authority approves the final construction plans and specifications, **by a two-thirds vote if the proposed project is to be funded by a sales tax**, the district shall obtain prior approval of the local transportation authority before modifying such plans or specifications.

4. Notwithstanding any provision of this section to the contrary, this section shall not apply to any district whose project is a public mass transportation system.

238.230. 1. If approved by:

(1) A majority of the qualified voters voting on the question in the district; or

(2) The owners of record of all of the real property located within the district who shall indicate their approval by signing a special assessment petition;

the district may make one or more special assessments for those project improvements which specially benefit the properties within the district. Improvements which may confer special benefits within a district include but are not limited to improvements which are intended primarily to serve traffic originating or ending within the district, to reduce local traffic congestion or circuity of travel, or to improve the safety of motorists or pedestrians within the district.

2. The ballot question shall be substantially in the following form:

4. If a proposal for making a special assessment fails, the district board of directors may, with the prior approval of the commission or the local transportation authority which will assume ownership of the completed project, delete from the project any portion which was to be funded by special assessment and which is not otherwise required for project integrity.

5. A district may establish different classes or subclasses of real property within the district for purposes of levying differing rates of special assessments. The levy rate for special assessments may vary for each class or subclass of real property based on the level of benefit derived by each class or subclass from projects funded by the district.

6. Notwithstanding any other provision of this section to the contrary, all property owned by an entity that is exempt from taxation under 26 U.S.C. Section 501(c), as amended, shall be exempt from any special assessment levied by a district under this section.

238.232. 1. The district board may levy a property tax rate lower than its approved tax rate ceiling

AMEND House Amendment No. 3 to House Substitute for House Committee Substitute for Senate Bill No. 1363, Page 13, Line 39, by inserting after said line the following:

"Further amend said bill, Page 53, Section 140.190, Line 36, by inserting after said section and line the following:

"143.121. 1. The Missouri adjusted gross income of a resident individual shall be the taxpayer's federal adjusted gross income subject to the modifications in this section.

2. There shall be added to the taxpayer's federal adjusted gross income:

(1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit. The amount added pursuant to this subdivision shall not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability pursuant to Public Law 116-136 or 116-260, enacted by the 116th United States Congress, for the tax year beginning on or after January 1, 2020, and ending on or before December 31, 2020, and deducted from Missouri adjusted gross income pursuant to section 143.171. The amount added under this subdivision shall also not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability under any other federal law that provides direct economic impact payments to taxpayers to mitigate financial challenges related to the COVID-19 pandemic, and deducted from Missouri adjusted gross income under section 143.171;

(2) Interest on certain governmental obligations excluded from federal gross income by 26 U.S.C. Section 103 of the Internal Revenue Code, as amended. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in

subdivision (1) of subsection 3 of this section. The amount added pursuant to this subdivision shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of 26 U.S.C. Section 265 of the Internal Revenue Code, as amended. The reduction shall only be made if it is at least five hundred dollars;

(3) The amount of any deduction that is included in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount deducted exceeds the amount that would have been deductible pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code of 1986 as in effect on January 1, 2002;

(4) The amount of any deduction that is included in the computation of federal taxable income for net operating loss allowed by 26 U.S.C. Section 172 of the Internal Revenue Code of 1986, as amended, other than the deduction allowed by 26 U.S.C. Section 172(b)(1)(G) and 26 U.S.C. Section 172(i) of the Internal Revenue Code of 1986, as amended, for a net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or carries forward for a period of more than twenty years and carries backward for more than two years. Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes pursuant to this subdivision after June 18, 2002, may be carried forward and taken against any income on the Missouri income tax return for a period of not more than twenty years from the year of the initial loss; and

(5) For nonresident individuals in all taxable years ending on or after December 31, 2006, the amount of any property taxes paid to another state or a political subdivision of another state for which a deduction was allowed on such nonresident's federal return in the taxable year unless such state, political subdivision of a state, or the District of Columbia allows a subtraction from income for property taxes paid to this state for purposes of calculating income for the income tax for such state, political subdivision of a state, or the District of Columbia;

(6) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in a previous taxable year, but allowed as a deduction under 26 U.S.C. Section 163, as amended, in the current taxable year by reason of the carryforward of disallowed business interest provisions of 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C. Section 163(j), as amended, did not exist.

3. There shall be subtracted from the taxpayer's federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

(1) Interest received on deposits held at a federal reserve bank or interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent exempt from Missouri income taxes pursuant to the laws of the United States. The amount subtracted pursuant to this subdivision shall be reduced by any interest on indebtedness incurred to carry the described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this subdivision. The reduction in the previous sentence shall only apply to the extent that such expenses including amortizable bond premiums are deducted in determining the taxpayer's federal adjusted gross income or included in the taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(5) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(6) The portion of capital gain specified in section 135.357 that would otherwise be included in federal adjusted gross income;

(7) The amount that would have been deducted in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates

to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;

(8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the United States by Executive Order designates as an area in which Armed Forces of the United States are or have engaged in combat. Service is performed in a combat zone only if performed on or after the date designated by the President by Executive Order as the date of the commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone;

(9) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an additional modification was made under subdivision (3) of subsection 2 of this section, the amount by which additional modification made under subdivision (3) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in subdivision (7) of this subsection;

(10) For all tax years beginning on or after January 1, 2014, the amount of any income received as payment from any program which provides compensation to agricultural producers who have suffered a loss as the result of a disaster or emergency, including the:

- (a) Livestock Forage Disaster Program;

- (f) Pasture, Rangeland, Forage Pilot Insurance Program;
- (g) Annual Forage Pilot Program;
- (h) Livestock Risk Protection Insurance Plan;
- (i) Livestock Gross Margin Insurance Plan;

(11) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in the current taxable year, but not deducted as a result of the limitation imposed under 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C. Section 163(j), as amended, did not exist;

(12) One hundred percent of any retirement benefits received by any taxpayer as a result of the taxpayer's service in the Armed Forces of the United States, including reserve components and the National Guard of this state, as defined in 32 U.S.C. Sections 101(3) and 109, and any other military force organized under the laws of this state; and

(13) **For all tax years beginning on or after January 1, 2022**, one hundred percent of any federal, state, or local grant moneys received **by the taxpayer if the grant money was disbursed** for the **express** purpose of providing or expanding access to broadband internet to areas of the state deemed to be lacking such access.

4. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the taxpayer's share of the Missouri fiduciary adjustment provided in section 143.351.

5. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the modifications provided in section 143.411.

6. In addition to the modifications to a taxpayer's federal adjusted gross income in this section, to calculate Missouri adjusted gross income there shall be subtracted from the taxpayer's federal adjusted gross income any gain recognized pursuant to 26 U.S.C. Section 1033 of the Internal Revenue Code of 1986, as amended, arising from compulsory or involuntary conversion of property as a result of condemnation or the imminence thereof.

7. (1) As used in this subsection, "qualified health insurance premium" means the amount paid during the tax year by such taxpayer for any insurance policy primarily providing health care coverage for the taxpayer, the taxpayer's spouse, or the taxpayer's dependents.

(2) In addition to the subtractions in subsection 3 of this section, one hundred percent of the amount of qualified health insurance premiums shall be subtracted from the taxpayer's federal adjusted gross income to the

extent the amount paid for such premiums is included in federal taxable income. The taxpayer shall provide the department of revenue with proof of the amount of qualified health insurance premiums paid.

8. The taxpayer shall provide the department of revenue with a summary of any recommendations made in a qualified home energy audit, the name and certification number of the qualified home energy auditor who conducted the audit, and proof of the amount paid for any activities under this subsection for which a deduction is claimed. The taxpayer shall also provide a copy of the summary of any recommendations made in a qualified home energy audit to the department of natural resources.

(2) At no time shall a deduction claimed under this subsection by an individual taxpayer or taxpayers filing combined returns exceed one thousand dollars per year for individual taxpayers or cumulatively exceed two thousand dollars per year for taxpayers filing combined returns.

(3) Any deduction claimed under this subsection shall be claimed for the tax year in which the qualified home energy audit was conducted or in which the implementation of the energy efficiency recommendations occurred. AMEND House Substitute for House Committee Substitute for Senate Bill No. 1363, Page 25, Section 67.461, Line 22, by inserting after all of said section and line the following:

"67.547. 1. In addition to the tax authorized by section 67.505, any county as defined in section 67.750 may, by a majority vote of its governing body, impose an additional county sales tax on all sales which are subject to taxation under the provisions of sections 144.010 to 144.525. The tax authorized by this section shall be in addition to any and all other sales tax allowed by law; except that no ordinance or order imposing a sales tax under the provisions of this section shall be effective unless the governing body of the county submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the governing body of the county to impose such tax.

2. The ballot of submission shall contain, but need not be limited to the following language:

Shall the county of _____ (county's name) impose a countywide sales tax of _____ (insert rate) percent for the purpose of _____ (insert purpose)?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal, then the ordinance or order and any amendments thereto shall be in effect. If a majority of the votes cast by the qualified voters voting are opposed to the proposal, then the governing body of the county shall have no power to impose the sales tax as herein authorized unless and until the governing body of the county submits another proposal to authorize the governing body of the county to impose the sales tax under the provisions of this section and such

proposal is approved by a majority of the qualified voters voting thereon. A county shall not submit to the voters a proposed sales tax under this section for a period of two years from the date of an election in which the county previously submitted to the voters a proposed sales tax under this section, regardless of whether the initial proposed sales tax was approved or disapproved by the voters. The revenue collected from the sales tax authorized under this section shall only be used for the purpose approved by voters of the county.

3. (1) The sales tax may be imposed at a rate of one-eighth of one percent, one-fourth of one percent, three-eighths of one percent, or one-half of one percent on the receipts from the sale at retail of all tangible personal property or taxable services at retail within any county adopting such tax if such property and services are subject to taxation by the state of Missouri under the provisions of sections 144.010 to 144.525.

(2) In any city not within a county or any county described in subsection 5 of this section, no sales tax for the purpose of funding zoological activities and zoological facilities as those terms are defined in section 184.500 shall exceed a rate of one-eighth of one percent unless the sales tax was levied and collected before August 28, 2017.

[Beginning August 28, 2017] (3) (a) Except as provided in paragraph (b) of this subdivision, no county shall submit to the voters any proposal that results in a combined rate of sales taxes adopted under this section in excess of one percent.

(b) Beginning August 28, 2024, the governing body of a county with more than eight thousand but fewer than eight thousand nine hundred inhabitants and with a county seat with more than seven hundred thirty but fewer than eight hundred inhabitants may not submit to the voters any proposal that results in a combined rate of sales taxes adopted under this section in excess of one and one-half percent and, if such a county submits to the voters any proposal that results in a combined rate of sales taxes adopted under section in excess of one percent but under one and one-half percent, such a proposal shall be for no purpose other than providing funding for law enforcement. A county election for a sales tax for law enforcement purposes conducted during the November 8, 2022, general election shall be deemed in compliance with state law if the aggregate sales tax under this section is not in excess of one and one-half percent.

4. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under this section.

5. In any first class county having a charter form of government and having a population of nine hundred thousand or more, the proceeds of the sales tax authorized by this section shall be distributed so that an amount equal to three-eighths of the proceeds of the tax shall be distributed to the county and the remaining five-eighths shall be distributed to the cities, towns and villages and the unincorporated area of the county on the ratio that the population of each bears to the total population of the county. Three-eighths of the tax rate adopted by such a county shall be included in the calculation of the county's one and one-half percent combined tax rate ceiling provided in subsection 3 of this section. The population of each city, town or village and the unincorporated area of the county and the total population of the county shall be determined on the basis of the most recent federal decennial census. The provisions of this subsection shall not apply if the revenue collected is used to support zoological activities of the zoological subdistrict as defined under section 184.352.

6. Except as prohibited under section 184.353, residents of any county that does not adopt a sales tax under this section for the purpose of supporting zoological activities may be charged an admission fee for zoological facilities, programs, or events that are not part of the zoological subdistrict defined under subdivision (15) of section 184.352 as of August 28, 2017.

7. In any county of the second classification with more than nineteen thousand seven hundred but fewer than nineteen thousand eight hundred inhabitants, the proceeds of the sales tax authorized by this section shall be distributed so that an amount equal to three-fourths of the proceeds of the tax shall be distributed to the county and the remaining one-fourth shall be distributed equally among the incorporated cities, towns, and villages of the county. Upon request from any city, town, or village within the county, the county shall make available for inspection the distribution report provided to the county by the department of revenue. Any expenses incurred by the county in supplying such report to a city, town, or village shall be paid by such city, town, or village.

8. In any first class county having a charter form of government and having a population of nine hundred thousand or more, no tax shall be imposed pursuant to this section for the purpose of funding in whole or in part the construction, operation or maintenance of a sports stadium, field house, indoor or outdoor recreational facility, center, playing field, parking facility or anything incidental or necessary to a complex suitable for any type of professional sport or recreation, either upon, above or below the ground.

9. No county in this state, other than a county with a charter form of government and with more than nine hundred fifty thousand inhabitants and a city not within a county, shall impose a tax under this section for the purpose of funding in whole or in part the construction, operation, or maintenance of any zoological activities, zoological facilities, zoological organizations, the metropolitan zoological park and museum district as created under section 184.350, or any zoological boards.

10. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

11. No revenue received from a tax for the purpose of funding zoological activities in any county shall be used for the benefit of any entity that has ever been named Grant's Farm or is located at ten thousand five hundred one Gravois Road, Saint Louis, Missouri, or successor address, or to supplant any funding received from the metropolitan zoological park and museum district established under section 184.350.

67.582. 1. The governing body of any county, except a county of the first class with a charter form of government with a population of greater than four hundred thousand inhabitants, is hereby authorized to impose, by ordinance or order, a sales tax in the amount of up to ~~one-half of~~ one percent on all retail sales made in such county which are subject to taxation under the provisions of sections 144.010 to 144.525 for the purpose of providing law enforcement services for such county. The tax authorized by this section shall be in addition to any and all other sales taxes allowed by law, except that no ordinance or order imposing a sales tax under the provisions of this section shall be effective unless the governing body of the county submits to the voters of the county, at a county or state general, primary or special election, a proposal to authorize the governing body of the county to impose a tax.

2. The ballot of submission shall contain, but need not be limited to, the following language:

(1) If the proposal submitted involves only authorization to impose the tax authorized by this section the ballot shall contain substantially the following:

Shall the county of _____ (county's name) impose a countywide sales tax of _____ (insert amount) for the purpose of providing law enforcement services for the county?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO"; or

(2) If the proposal submitted involves authorization to enter into agreements to form a regional jail district and obligates the county to make payments from the tax authorized by this section the ballot shall contain substantially the following:

Shall the county of _____ (county's name) be authorized to enter into agreements for the purpose of forming a regional jail district and obligating the county to impose a countywide sales tax of _____ (insert amount) to fund _____ dollars of the costs to construct a regional jail and to fund the costs to operate a regional jail, with any funds in excess of that necessary to construct and operate such jail to be used for law enforcement purposes?

☐ YES

☐ NO

If you are in favor of the question, place an "X" in the box opposite "YES". If you are opposed to the question, place an "X" in the box opposite "NO".

If a majority of the votes cast on the proposal by the qualified voters voting thereon are in favor of the proposal submitted pursuant to subdivision (1) of this subsection, then the ordinance or order and any amendments thereto shall be in effect on the first day of the second quarter immediately following the election approving the proposal. If

the constitutionally required percentage of the voters voting thereon are in favor of the proposal submitted pursuant to subdivision (2) of this subsection, then the ordinance or order and any amendments thereto shall be in effect on the first day of the second quarter immediately following the election approving the proposal. If a proposal receives less than the required majority, then the governing body of the county shall have no power to impose the sales tax herein authorized unless and until the governing body of the county shall again have submitted another proposal to authorize the governing body of the county to impose the sales tax authorized by this section and such proposal is approved by the required majority of the qualified voters voting thereon. However, in no event shall a proposal pursuant to this section be submitted to the voters sooner than twelve months from the date of the last proposal pursuant to this section.

3. All revenue received by a county from the tax authorized under the provisions of this section shall be deposited in a special trust fund and shall be used solely for providing law enforcement services for such county for so long as the tax shall remain in effect. Revenue placed in the special trust fund may also be utilized for capital improvement projects for law enforcement facilities and for the payment of any interest and principal on bonds issued for said capital improvement projects.

4. Once the tax authorized by this section is abolished or is terminated by any means, all funds remaining in the special trust fund shall be used solely for providing law enforcement services for the county. Any funds in such special trust fund which are not needed for current expenditures may be invested by the governing body in accordance with applicable laws relating to the investment of other county funds.

5. All sales taxes collected by the director of revenue under this section on behalf of any county, less one percent for cost of collection which shall be deposited in the state's general revenue fund after payment of premiums for surety bonds as provided in section 32.087, shall be deposited in a special trust fund, which is hereby created, to be known as the "County Law Enforcement Sales Tax Trust Fund". The moneys in the county law enforcement sales tax trust fund shall not be deemed to be state funds and shall not be commingled with any funds of the state. The director of revenue shall keep accurate records of the amount of money in the trust and which was collected in each county imposing a sales tax under this section, and the records shall be open to the inspection of officers of the county and the public. Not later than the tenth day of each month the director of revenue shall distribute all moneys deposited in the trust fund during the preceding month to the county which levied the tax; such funds shall be deposited with the county treasurer of each such county, and all expenditures of funds arising from the county law enforcement sales tax trust fund shall be by an appropriation act to be enacted by the governing body of each such county. Expenditures may be made from the fund for any law enforcement functions authorized in the ordinance or order adopted by the governing body submitting the law enforcement tax to the voters.

6. The director of revenue may authorize the state treasurer to make refunds from the amounts in the trust fund and credited to any county for erroneous payments and overpayments made, and may redeem dishonored checks and drafts deposited to the credit of such counties. If any county abolishes the tax, the county shall notify the director of revenue of the action at least ninety days prior to the effective date of the repeal and the director of revenue may order retention in the trust fund, for a period of one year, of two percent of the amount collected after receipt of such notice to cover possible refunds or overpayment of the tax and to redeem dishonored checks and drafts deposited to the credit of such accounts. After one year has elapsed after the effective date of abolition of the tax in such county, the director of revenue shall remit the balance in the account to the county and close the account of that county. The director of revenue shall notify each county of each instance of any amount refunded or any check redeemed from receipts due the county.

7. Except as modified in this section, all provisions of sections 32.085 and 32.087 shall apply to the tax imposed under this section."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SEVENTY-SIXTH DAY, THURSDAY, MAY 16, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

That He would grant you, according to the riches of His glory, to be strengthened with might by His spirit in the inner man. (Ephesians 3:16)

Our Loving God, who is the light of life and the glory of every noble endeavor, we thank You for this quiet moment; when facing important issues and carrying heavy responsibilities, we can turn our hearts to You, who alone can renew our strength and hold us steady amid the stress of this time. In the secret place of the Most High may we find the resources we need for this high hour here in the People's House.

In all the perplexities of this period may we not lose our perspective and certainly not our poise. May the principles of freedom and justice upon which our state was founded still be our support as we face political challenges of this day. Grant that our faith may be triumphant over our fears, our courage surmount every discouragement, and our loyalty to truth and good be the solid ground upon which we walk together. So strengthened by Your spirit, may we think clearly, plan creatively, and act courageously.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the seventy-fifth day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SEVENTY-SEVENTH DAY, FRIDAY, MAY 17, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

They looked unto Him, and were lightened; and their faces were not ashamed. (Psalm 34:5)

Almighty God, source of all life and the ever-flowing fountain of love, we open the gates of our last day with prayer and bow before You reverently and in all humility of mind and heart. On this emotional day we need to renew our strength, to restore our courage, and to receive Your spirit, which makes us equal to every situation. So we pray that now and all through these long hours You will help us to be conscious of Your presence and by Your grace may we do Your will with peace in our hearts and minds.

Save us from recounting any resentments, from harboring any hatred, and from remembering slights that dim the lights of our day together. May we accept the responsibilities of this day with confidence, carry our votes with faith, and enjoy the work we are doing building a better and a stronger Missouri. Always and in all ways, may we follow the way that leads beyond the dark to the dawn and You.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: George Schnelting and Catherine Schnelting.

The Journal of the seventy-sixth day was approved as printed.

House Amendment No. 2

AMEND Senate Substitute for Senate Bill No. 1298, Page 1, Section A, Line 3, by inserting after all of said section and line the following:

"143.121. 1. The Missouri adjusted gross income of a resident individual shall be the taxpayer's federal adjusted gross income subject to the modifications in this section.

2. There shall be added to the taxpayer's federal adjusted gross income:

(1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit. The amount added pursuant to this subdivision shall not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability pursuant to Public Law 116-136 or 116-260, enacted by the 116th United States Congress, for the tax year beginning on or after January 1, 2020, and ending on or before December 31, 2020, and deducted from Missouri adjusted gross income pursuant to section 143.171. The amount added under this subdivision shall also not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability under any other federal law that provides direct economic impact payments to taxpayers to mitigate financial challenges related to the COVID-19 pandemic, and deducted from Missouri adjusted gross income under section 143.171;

(2) Interest on certain governmental obligations excluded from federal gross income by 26 U.S.C. Section 103 of the Internal Revenue Code, as amended. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (1) of subsection 3 of this section. The amount added pursuant to this subdivision shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of 26 U.S.C. Section 265 of the Internal Revenue Code, as amended. The reduction shall only be made if it is at least five hundred dollars;

(3) The amount of any deduction that is included in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount deducted exceeds the amount that would have been deductible pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code of 1986 as in effect on January 1, 2002;

(4) The amount of any deduction that is included in the computation of federal taxable income for net operating loss allowed by 26 U.S.C. Section 172 of the Internal Revenue Code of 1986, as amended, other than the deduction allowed by 26 U.S.C. Section 172(b)(1)(G) and 26 U.S.C. Section 172(i) of the Internal Revenue Code of 1986, as amended, for a net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or carries forward for a period of more than twenty years and carries backward for more than two years. Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes pursuant to this subdivision after June 18, 2002, may be carried forward and taken against any income on the Missouri income tax return for a period of not more than twenty years from the year of the initial loss; and

(5) For nonresident individuals in all taxable years ending on or after December 31, 2006, the amount of any property taxes paid to another state or a political subdivision of another state for which a deduction was allowed on such nonresident's federal return in the taxable year unless such state, political subdivision of a state, or the District of Columbia allows a subtraction from income for property taxes paid to this state for purposes of calculating income for the income tax for such state, political subdivision of a state, or the District of Columbia;

(6) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in a previous taxable year, but allowed as a deduction under 26 U.S.C. Section 163, as amended, in the current taxable year by reason of the carryforward of disallowed business interest provisions of 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C. Section 163(j), as amended, did not exist.

3. There shall be subtracted from the taxpayer's federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

(1) Interest received on deposits held at a federal reserve bank or interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent exempt from Missouri income taxes pursuant to the laws of the United States. The amount subtracted pursuant to this subdivision shall be reduced by any interest on indebtedness incurred to carry the described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this subdivision. The reduction in the previous sentence shall only apply to the extent that such expenses including amortizable bond premiums are deducted in determining the taxpayer's federal adjusted gross income or included in the taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(5) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(6) The portion of capital gain specified in section 135.357 that would otherwise be included in federal adjusted gross income;

(7) The amount that would have been deducted in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;

(8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the United States by Executive Order designates as an area in which Armed Forces of the United States are or have engaged in combat. Service is performed in a combat zone only if performed on or after the date designated by the President by Executive Order as the date of the commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone;

(9) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an additional modification was made under subdivision (3) of subsection 2 of this section, the amount by which additional modification made under subdivision (3) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in subdivision (7) of this subsection;

(10) For all tax years beginning on or after January 1, 2014, the amount of any income received as payment from any program which provides compensation to agricultural producers who have suffered a loss as the result of a disaster or emergency, including the:

- (a) Livestock Forage Disaster Program;
- (b) Livestock Indemnity Program;
- (c) Emergency Assistance for Livestock, Honeybees, and Farm-Raised Fish;
- (d) Emergency Conservation Program;
- (e) Noninsured Crop Disaster Assistance Program;
- (f) Pasture, Rangeland, Forage Pilot Insurance Program;
- (g) Annual Forage Pilot Program;
- (h) Livestock Risk Protection Insurance Plan;
- (i) Livestock Gross Margin Insurance Plan;

(11) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in the current taxable year, but not deducted as a result of the limitation imposed under 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C. Section 163(j), as amended, did not exist;

(12) One hundred percent of any retirement benefits received by any taxpayer as a result of the taxpayer's service in the Armed Forces of the United States, including reserve components and the National Guard of this state, as defined in 32 U.S.C. Sections 101(3) and 109, and any other military force organized under the laws of this state; and

(13) For all tax years beginning on or after January 1, 2022, one hundred percent of any federal, state, or local grant moneys received by the taxpayer if the grant money was disbursed for the express purpose of providing or expanding access to broadband internet to areas of the state deemed to be lacking such access.

4. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the taxpayer's share of the Missouri fiduciary adjustment provided in section 143.351.

5. There shall be added to or subtracted from the taxpayer's federal adjusted gross income the modifications provided in section 143.411.

6. In addition to the modifications to a taxpayer's federal adjusted gross income in this section, to calculate Missouri adjusted gross income there shall be subtracted from the taxpayer's federal adjusted gross income any gain recognized pursuant to 26 U.S.C. Section 1033 of the Internal Revenue Code of 1986, as amended, arising from compulsory or involuntary conversion of property as a result of condemnation or the imminence thereof.

7. (1) As used in this subsection, "qualified health insurance premium" means the amount paid during the tax year by such taxpayer for any insurance policy primarily providing health care coverage for the taxpayer, the taxpayer's spouse, or the taxpayer's dependents.

"301.560. 1. In addition to the application forms prescribed by the department, each applicant shall submit the following to the department:

(1) Every application other than **an application for a new motor vehicle franchise dealer where the applicant is a retailer that sells agricultural supplies and is under common ownership and control with at least five other new motor vehicle franchise dealers doing business under the same name**, or a renewal application for a **new** motor vehicle franchise dealer shall include a certification that the applicant has a bona fide established place of business. Such application shall include an annual certification that the applicant has a bona fide established place of business for the first three years and only for every other year thereafter. The certification shall be performed by a uniformed member of the Missouri state highway patrol or authorized or designated employee stationed in the troop area in which the applicant's place of business is located; except that in counties of the first classification, certification may be performed by an officer of a metropolitan police department when the applicant's established place of business of distributing or selling motor vehicles or trailers is in the metropolitan area where the certifying metropolitan police officer is employed. When the application is being made for licensure as a boat manufacturer or boat dealer, certification shall be performed by a uniformed member of the Missouri state highway patrol or authorized or designated employee stationed in the troop area in which the applicant's place of

business is located or, if the applicant's place of business is located within the jurisdiction of a metropolitan police department in a first class county, by an officer of such metropolitan police department. A bona fide established place of business for any new motor vehicle franchise dealer, used motor vehicle dealer, boat dealer, powersport dealer, wholesale motor vehicle dealer, trailer dealer, or wholesale or public auction shall be a permanent enclosed building or structure, either owned in fee or leased and actually occupied as a place of business by the applicant for the selling, bartering, trading, servicing, or exchanging of motor vehicles, boats, personal watercraft, or trailers and wherein the public may contact the owner or operator at any reasonable time, and wherein shall be kept and maintained the books, records, files and other matters required and necessary to conduct the business. The applicant shall maintain a working telephone number during the entire registration year which will allow the public, the department, and law enforcement to contact the applicant during regular business hours. The applicant shall also maintain an email address during the entire registration year which may be used for official correspondence with the department. In order to qualify as a bona fide established place of business for all applicants licensed pursuant to this section there shall be an exterior sign displayed carrying the name of the business set forth in letters at least six inches in height and clearly visible to the public and there shall be an area or lot which shall not be a public street on which multiple vehicles, boats, personal watercraft, or trailers may be displayed. The sign shall contain the name of the dealership by which it is known to the public through advertising or otherwise, which need not be identical to the name appearing on the dealership's license so long as such name is registered as a fictitious name with the secretary of state, has been approved by its line-make manufacturer in writing in the case of a new motor vehicle franchise dealer and a copy of such fictitious name registration has been provided to the department. Dealers who sell only emergency vehicles as defined in section 301.550 are exempt from maintaining a bona fide place of business, including the related law enforcement certification requirements, and from meeting the minimum yearly sales;

(2) The initial application for licensure shall include a photograph, not to exceed eight inches by ten inches but no less than five inches by seven inches, showing the business building, lot, and sign. A new motor vehicle franchise dealer applicant who has purchased a currently licensed new motor vehicle franchised dealership shall be allowed to submit a photograph of the existing dealership building, lot and sign but shall be required to submit a new photograph upon the installation of the new dealership sign as required by sections 301.550 to 301.580. Applicants shall not be required to submit a photograph annually unless the business has moved from its previously licensed location, or unless the name of the business or address has changed, or unless the class of business has changed;

(3) Every applicant as a new motor vehicle franchise dealer, a used motor vehicle dealer, a powersport dealer, a wholesale motor vehicle dealer, trailer dealer, or boat dealer shall furnish with the application a corporate surety bond or an irrevocable letter of credit as defined in section 400.5-102, issued by any state or federal financial institution in the penal sum of fifty thousand dollars on a form approved by the department. The bond or irrevocable letter of credit shall be conditioned upon the dealer complying with the provisions of the statutes applicable to new motor vehicle franchise dealers, used motor vehicle dealers, powersport dealers, wholesale motor vehicle dealers, trailer dealers, and boat dealers, and the bond shall be an indemnity for any loss sustained by reason of the acts of the person bonded when such acts constitute grounds for the suspension or revocation of the dealer's license. The bond shall be executed in the name of the state of Missouri for the benefit of all aggrieved parties or the irrevocable letter of credit shall name the state of Missouri as the beneficiary; except, that the aggregate liability of the surety or financial institution to the aggrieved parties shall, in no event, exceed the amount of the bond or irrevocable letter of credit. Additionally, every applicant as a new motor vehicle franchise dealer, a used motor vehicle dealer, a powersport dealer, a wholesale motor vehicle dealer, or boat dealer shall furnish with the application a copy of a current dealer garage policy bearing the policy number and name of the insurer and the insured. The proceeds of the bond or irrevocable letter of credit furnished by an applicant shall be paid upon receipt by the department of a final judgment from a Missouri court of competent jurisdiction against the principal and in favor of an aggrieved party. The proceeds of the bond or irrevocable letter of credit furnished by an applicant shall be paid at the order of the department and in the amount determined by the department to any buyer or interested lienholder up to the greater of the amount required for the release of the purchase money lien or the sales price paid by the buyer where a dealer has failed to fulfill the dealer's obligations under an agreement to assign and deliver title to the buyer within thirty days under a contract entered into pursuant to subsection 5 of section 301.210. The department shall direct release of the bond or irrevocable letter of credit proceeds upon presentation of a written agreement entered into pursuant to subsection 5 of section 301.210, copies of the associated sales and finance documents, and the affidavit or affidavits of the buyer or lienholder stating that the certificate of title with assignment thereof has not been passed to the buyer

within thirty days of the date of the contract entered into under subsection 5 of section 301.210, that the dealer has not fulfilled the agreement under the contract to repurchase the vehicle, that the buyer or the lienholder has notified the dealer of the claim on the bond or letter of credit, and the amount claimed by the purchaser or lienholder. In addition, prior to directing release and payment of the proceeds of a bond or irrevocable letter of credit, the department shall ensure that there is satisfactory evidence to establish that the vehicle which is subject to the written agreement has been returned by the buyer to the dealer or that the buyer has represented to the department that the buyer will surrender possession of the vehicle to the dealer upon payment of the proceeds of the bond or letter of credit directed by the department. Excepting ordinary wear and tear or mechanical failures not caused by the buyer, the amount of proceeds to be paid to the buyer under the bond or irrevocable letter of credit shall be reduced by an amount equivalent to any damage, abuse, or destruction incurred by the vehicle while the vehicle was in the buyer's possession as agreed between the buyer and the dealer. The dealer may apply to a court of competent jurisdiction to contest the claim on the bond or letter of credit, including the amount of the claim and the amount of any adjustment for any damage, abuse, or destruction, by filing a petition with the court within thirty days of the notification by the buyer or lienholder. If the dealer does not fulfill the agreement or file a petition to request judicial relief from the terms of the agreement or contest the amount of the claim, the bond or letter of credit shall be released by the department and directed paid in the amount or amounts presented by the lienholder or buyer;

(4) Payment of all necessary license fees as established by the department. In establishing the amount of the annual license fees, the department shall, as near as possible, produce sufficient total income to offset operational expenses of the department relating to the administration of sections 301.550 to 301.580. All fees payable pursuant to the provisions of sections 301.550 to 301.580, other than those fees collected for the issuance of dealer plates or certificates of number collected pursuant to subsection 6 of this section, shall be collected by the department for deposit in the state treasury to the credit of the "Motor Vehicle Commission Fund", which is hereby created. The motor vehicle commission fund shall be administered by the Missouri department of revenue. The provisions of section 33.080 to the contrary notwithstanding, money in such fund shall not be transferred and placed to the credit of the general revenue fund until the amount in the motor vehicle commission fund at the end of the biennium exceeds two times the amount of the appropriation from such fund for the preceding fiscal year or, if the department requires permit renewal less frequently than yearly, then three times the appropriation from such fund for the preceding fiscal year. The amount, if any, in the fund which shall lapse is that amount in the fund which exceeds the multiple of the appropriation from such fund for the preceding fiscal year.

2. In the event a new vehicle manufacturer, boat manufacturer, motor vehicle dealer, wholesale motor vehicle dealer, boat dealer, powersport dealer, wholesale motor vehicle auction, trailer dealer, or a public motor vehicle auction submits an application for a license for a new business and the applicant has complied with all the provisions of this section, the department shall make a decision to grant or deny the license to the applicant within eight working hours after receipt of the dealer's application, notwithstanding any rule of the department.

3. Except as otherwise provided in subsection 6 of this section, upon the initial issuance of a license by the department, the department shall assign a distinctive dealer license number or certificate of number to the applicant and the department shall issue one number plate or certificate bearing the distinctive dealer license number or certificate of number and two additional number plates or certificates of number within eight working hours after presentment of the application and payment by the applicant of a fee of fifty dollars for the first plate or certificate and ten dollars and fifty cents for each additional plate or certificate. Upon renewal, the department shall issue the distinctive dealer license number or certificate of number as quickly as possible. The issuance of such distinctive dealer license number or certificate of number shall be in lieu of registering each motor vehicle, trailer, vessel or vessel trailer dealt with by a boat dealer, boat manufacturer, manufacturer, public motor vehicle auction, wholesale motor vehicle dealer, wholesale motor vehicle auction or new or used motor vehicle dealer. The license plates described in this section shall be made with fully reflective material with a common color scheme and design, shall be clearly visible at night, and shall be aesthetically attractive, as prescribed by section 301.130.

If the director of revenue begins reissuing new license plates under the authority granted under section 301.130 prior to December 1, 2008, the director of the department of revenue shall notify the revisor of statutes of such fact.

5. Upon the sale of a currently licensed motor vehicle dealership the department shall, upon request, authorize the new approved dealer applicant to retain the selling dealer's license number and shall cause the new dealer's records to indicate such transfer. If the new approved dealer applicant elects not to retain the selling dealer's license number, the department shall issue the new dealer applicant a new dealer's license number and an equal number of plates or certificates as the department had issued to the selling dealer.

6. In the case of motor vehicle dealers, the department shall issue one number plate bearing the distinctive dealer license number and may issue one additional number plate to the applicant upon payment by the dealer of a fifty dollar fee for the number plate bearing the distinctive dealer license number and ten dollars and fifty cents for the additional number plate. (c) After August 28, 1999, no new sign structure shall be erected in which two or more displays are stacked one above the other. Stacked structures existing on or before August 28, 1999, in accordance with sections 226.500 to 226.600 shall be deemed legally nonconforming and may be maintained in accordance with the provisions of sections 226.500 to 226.600. Structures displaying more than one display on a horizontal basis shall be allowed, provided that total display areas do not exceed the maximum allowed square footage for a sign structure pursuant to the provisions of paragraph (a) of this subdivision;

(3) Spacing of signs:

(a) On all interstate highways, freeways, and nonfreeway federal-aid primary highways as of June 1, 1991, and all highways designated as part of the National Highway System by the National Highway System Designation Act of 1995 and those highways subsequently designated as part of the National Highway System:

a. No sign structure shall be erected within one thousand four hundred feet of an existing sign on the same side of the highway;

b. Outside of incorporated municipalities, no structure may be located adjacent to or within five hundred feet of an interchange, intersection at grade, or safety rest area. Such five hundred feet shall be measured from the beginning or ending of the pavement widening at the exit from or entrance to the main traveled way. For purpose of this subparagraph, the term "incorporated municipalities" shall include "urban areas", except that such "urban areas" shall not be considered "incorporated municipalities" if it is finally determined that such would have the effect of making Missouri be in noncompliance with the requirements of Title 23, United States Code, Section 131;

(b) The spacing between structure provisions of this subdivision do not apply to signs which are separated by buildings, natural surroundings, or other obstructions in such manner that only one sign facing located within such distance is visible at any one time. Directional or other official signs or those advertising the sale or lease of the property on which they are located, or those which advertise activities on the property on which they are located,

including products sold, shall not be counted, nor shall measurements be made from them for the purpose of compliance with spacing provisions;

(c) No sign shall be located in such manner as to obstruct or otherwise physically interfere with the effectiveness of an official traffic sign, signal, or device or obstruct or physically interfere with a motor vehicle operator's view of approaching, merging, or intersecting traffic;

(d) The measurements in this section shall be the minimum distances between outdoor advertising sign structures measured along the nearest edge of the pavement between points directly opposite the signs along each side of the highway and shall apply only to outdoor advertising sign structures located on the same side of the highway involved;

(4) As used in this section, the words "unzoned commercial and industrial land" shall be defined as follows: that area not zoned by state or local law or ordinance and on which there is located one or more permanent structures used for a commercial business or industrial activity or on which a commercial or industrial activity is actually conducted together with the area along the highway extending outwardly seven hundred fifty feet from and beyond the edge of such activity. All measurements shall be from the outer edges of the regularly used improvements, buildings, parking lots, landscaped, storage or processing areas of the commercial or industrial activity and along and parallel to the edge of the pavement of the highway. **On nonfreeway primary highways where there is an unzoned commercial or industrial area on one side of the road in accordance with this section, the unzoned commercial or industrial area shall also include those lands located on the opposite side of the highway to the extent of the same dimensions.** Unzoned land shall not include:

(a) Land on the opposite side of the highway from an unzoned commercial or industrial area as defined in this section and located adjacent to highways located on the interstate~~], federal aid primary system as it existed on June 1, 1991, or the national highway system as amended, unless the opposite side of the highway qualifies as a separate unzoned commercial or industrial area]~~ **or primary freeway highways;** or

(b) Land zoned by a state or local law, regulation, or ordinance;

(5) "Commercial or industrial activities" as used in this section means those which are generally recognized as commercial or industrial by zoning authorities in this state, except that none of the following shall be considered commercial or industrial:

(a) Outdoor advertising structures;

(b) Agricultural, forestry, ranching, grazing, farming, and related activities, including seasonal roadside fresh produce stands;

(c) Transient or temporary activities;

(d) Activities more than six hundred sixty feet from the nearest edge of the right-of-way or not visible from the main traveled way;

(e) Activities conducted in a building principally used as a residence;

(f) Railroad tracks and minor sidings;

(6) The words "unzoned commercial or industrial land" shall also include all areas not specified in this section which constitute an "unzoned commercial or industrial area" within the meaning of the present Section 131 of Title 23 of the United States Code, or as such statute may be amended. As used in this section, the words "zoned commercial or industrial area" shall refer to those areas zoned commercial or industrial by the duly constituted zoning authority of a municipality, county, or other lawfully established political subdivision of the state, or by the state and which is within seven hundred fifty feet of one or more permanent commercial or industrial activities.

Commercial or industrial activities as used in this section are limited to those activities:

(a) In which the primary use of the property is commercial or industrial in nature;

(b) Which are clearly visible from the highway and recognizable as a commercial business;

(c) Which are permanent as opposed to temporary or transitory and of a nature that would customarily be restricted to commercial or industrial zoning in areas comprehensively zoned; and

(d) In determining whether the primary use of the property is commercial or industrial pursuant to paragraph (a) of this subdivision, the state highways and transportation commission shall consider the following factors:

a. The presence of a permanent and substantial building;

b. The existence of utilities and local business licenses, if any, for the commercial activity;

c. On-premise signs or other identification;

d. The presence of an owner or employee on the premises for at least twenty hours per week;

(7) In zoned commercial and industrial areas, whenever a state, county or municipal zoning authority has adopted laws or ordinances which include regulations with respect to the size, lighting and spacing of signs, which regulations are consistent with the intent of sections 226.500 to 226.600 and with customary use, then from and after the effective date of such regulations, and so long as they shall continue in effect, the provisions of this section shall not apply to the erection of signs in such areas. Notwithstanding any other provisions of this section, after August 28, 1992, with respect to any outdoor advertising which is regulated by the provisions of subdivision (1), (3) or (4) of section 226.520 or subsection 1 of section 226.527:

(a) No county or municipality shall issue a permit to allow a regulated sign to be newly erected without a permit issued by the state highways and transportation commission;

(b) A county or municipality may charge a reasonable one-time permit or inspection fee to assure compliance with local wind load and electrical requirements when the sign is first erected, but a county or municipality may not charge a permit or inspection fee for such sign after such initial fee. Changing the display face or performing routine maintenance shall not be considered as erecting a new sign;

(8) The state highways and transportation commission on behalf of the state of Missouri, may seek agreement with the Secretary of Transportation of the United States under Section 131 of Title 23, United States Code, as amended, that sections 226.500 to 226.600 are in conformance with that Section 131 and provides effective control of outdoor advertising signs as set forth therein. If such agreement cannot be reached and the penalties under subsection (b) of Section 131 are invoked, the attorney general of this state shall institute proceedings described in subsection (1) of that Section 131.

226.550. 1. No outdoor advertising which is regulated by subdivision (1), (3) or (4) of section 226.520 or subsection 1 of section 226.527 shall be erected or maintained on or after August 28, 1992, without a one-time permanent permit issued by the state highways and transportation commission. Application for permits shall be made to the state highways and transportation commission on forms furnished by the commission and shall be accompanied by a permit fee of two hundred dollars for all signs; except that, tax-exempt religious organizations as defined in subdivision (11) of section 313.005, service organizations as defined in subdivision (12) of section 313.005, veterans' organizations as defined in subdivision (14) of section 313.005, and fraternal organizations as defined in subdivision (8) of section 313.005 shall be granted a permit for signs less than seventy-six square feet without payment of the fee. **The permit fee of two hundred dollars shall be waived for landowners, provided that the landowner is the permit holder and owns both the land upon which the outdoor advertising is placed and the business being advertised on the sign, so long as the business being advertised is located within seven hundred fifty feet of the sign location.** In the event a permit holder fails to erect a sign structure within twenty-four months of issuance, said permit shall expire and a new permit must be obtained prior to any construction.

2. No outdoor advertising which is regulated by subdivision (1), (3) or (4) of section 226.520 or subsection 1 of section 226.527 which was erected prior to August 28, 1992, shall be maintained without a one-time permanent permit for outdoor advertising issued by the state highways and transportation commission. If a one-time permanent permit was issued by the state highways and transportation commission after March 30, 1972, and before August 28, 1992, it is not necessary for a new permit to be issued. If a one-time permanent permit was not issued for a lawfully erected and lawfully existing sign by the state highways and transportation commission after March 30, 1972, and before August 28, 1992, a one-time permanent permit shall be issued by the commission for each sign which is lawfully in existence on the day prior to August 28, 1992, upon application and payment of a permit fee of two hundred dollars. All applications and fees due pursuant to this subsection shall be submitted before December 31, 1992. **The permit fee of two hundred dollars shall be waived for landowners, provided that the landowner is the permit holder and owns both the land upon which the outdoor advertising is placed and the business being advertised on the sign, so long as the business being advertised is located within seven hundred fifty feet of the sign location.**

3. For purposes of sections 226.500 to 226.600, the terminology "structure lawfully in existence" or "lawfully existing" sign or outdoor advertising shall, nevertheless, include the following signs unless the signs violate the provisions of subdivisions (3) to (7) of subsection 1 of section 226.580:

(1) All signs erected prior to January 1, 1968;

(2) All signs erected before March 30, 1972, but on or after January 1, 1968, which would otherwise be lawful but for the failure to have a permit for such signs prior to March 30, 1972, except that any sign or structure which was not in compliance with sizing, spacing, lighting, or location requirements of sections 226.500 to 226.600 as the sections appeared in the revised statutes of Missouri 1969, wheresoever located, shall not be considered a lawfully existing sign or structure;

(3) All signs erected after March 30, 1972, which are in conformity with sections 226.500 to 226.600;

(4) All signs erected in compliance with sections 226.500 to 226.600 prior to August 28, 2002.

4. On or after August 28, 1992, the state highways and transportation commission may, in addition to the fees authorized by subsections 1 and 2 of this section, collect a biennial inspection fee every two years after a state permit has been issued. Biennial inspection fees due after August 28, 2002, and prior to August 28, 2003, shall be fifty dollars. Biennial inspection fees due on or after August 28, 2003, shall be seventy-five dollars. Biennial inspection fees due on or after August 28, 2004, shall be one hundred dollars; except that, tax-exempt religious organizations as defined in subdivision (11) of section 313.005, service organizations as defined in subdivision (12) of section 313.005, veterans' organizations as defined in subdivision (14) of section 313.005, and fraternal organizations as defined in subdivision (8) of section 313.005 shall not be required to pay such fee. **The biennial inspection fee shall be waived for landowners, provided that the landowner is the permit holder and owns both the land upon which the outdoor advertising is placed and the business being advertised on the sign, so long as the business being advertised is located within seven hundred fifty feet of the sign location.**

5. In order to effect the more efficient collection of biennial inspection fees, the state highways and transportation commission is encouraged to adopt a renewal system in which all permits in a particular county are renewed in the same month. In conjunction with the conversion to this renewal system, the state highways and transportation commission is specifically authorized to prorate renewal fees based on changes in renewal dates.

6. Sign owners or owners of the land on which signs are located must apply to the state highways and transportation commission for biennial inspection and submit any fees as required by this section on or before December 31, 1992. For a permitted sign which does not have a permit, a permit shall be issued at the time of the next biennial inspection.

7. The state highways and transportation commission shall deposit all fees received for outdoor advertising permits and inspection fees in the state road fund, keeping a separate record of such fees, and the same may be expended by the commission in the administration of sections 226.500 to 226.600.

226.1170. The department of transportation, in consultation with the Ozark Highland Distillers Guild, shall erect and maintain suitable markings and informational signs designating the Ozark Highlands Spirits Region in accordance with the map produced pursuant to subsection 4 of section 311.028. Signs shall be located along highways approaching or entering the region, with the costs to be paid by private donation.

227.850. Notwithstanding any provision of law to the contrary, the department of transportation shall not erect any sign designating a highway named for any person who has been convicted of the killing of, or the attempted killing of, a law enforcement officer or permit any signage in the convicted person's memory. Any such sign in place prior to August 28, 2024, shall be removed.

227.855. 1. The department of transportation shall place a sign at the city limits, or other suitable location as determined by the department of transportation, of the hometown of any Missouri resident who is a recipient of the Medal of Honor, with the sign location based on available right-of-way, coordination with existing traffic control devices, and impact on roadway safety. Such signs shall be erected, maintained, and paid for by the department of transportation by appropriation from the Missouri medal of honor recipient's fund, established under section 226.925.

2. The signs shall include the words "Medal of Honor Recipient", the name of the recipient, and the year in which such person received the award. The overall design of the sign, including size, color, and lettering, shall be designated by the department based on available space in the right-of-way and to conform with the guidelines provided in the Department of Transportation Manual on Uniform Traffic Control Devices.

3. For purposes of this section, "hometown" means the city, town, or village in which the award recipient resided for a majority of his or her lifetime. Only one city, town, or village shall be designated as a recipient's hometown and signs honoring such recipient shall be placed on only one route through the recipient's hometown.

4. The department of transportation may promulgate rules and regulations to implement and administer the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2024, shall be invalid and void."; and

Further amend said bill, Page 17, Section 307.010, Line 20, by inserting after all of said section and line the following:

"Section 1. 1. The department of transportation shall limit the messages displayed on roadside dynamic message signs to the fewest number of characters necessary to practically convey the intended information. Messages displayed on roadside dynamic messages signs generally shall be limited to information related to traffic conditions, weather, or emergency alerts, and shall not contain commercial advertisements.

2. For purposes of this section, "dynamic message sign" means a changeable message traffic control device used for traffic warning, regulation, routing, and management."; and

House Amendment No. 6

AMEND Senate Substitute for Senate Bill No. 1298, Page 1, Section A, Line 3, by inserting after all of said section and line the following:

"143.121. 1. The Missouri adjusted gross income of a resident individual shall be the taxpayer's federal adjusted gross income subject to the modifications in this section.

2. There shall be added to the taxpayer's federal adjusted gross income:

(1) The amount of any federal income tax refund received for a prior year which resulted in a Missouri income tax benefit. The amount added pursuant to this subdivision shall not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability pursuant to Public Law 116-136 or 116-260, enacted by the 116th United States Congress, for the tax year beginning on or after January 1, 2020, and ending on or before December 31, 2020, and deducted from Missouri adjusted gross income pursuant to section 143.171. The amount added under this subdivision shall also not include any amount of a federal income tax refund attributable to a tax credit reducing a taxpayer's federal tax liability under any other federal law that provides direct economic impact payments to taxpayers to mitigate financial challenges related to the COVID-19 pandemic, and deducted from Missouri adjusted gross income under section 143.171;

(2) Interest on certain governmental obligations excluded from federal gross income by 26 U.S.C. Section 103 of the Internal Revenue Code, as amended. The previous sentence shall not apply to interest on obligations of the state of Missouri or any of its political subdivisions or authorities and shall not apply to the interest described in subdivision (1) of subsection 3 of this section. The amount added pursuant to this subdivision shall be reduced by the amounts applicable to such interest that would have been deductible in computing the taxable income of the taxpayer except only for the application of 26 U.S.C. Section 265 of the Internal Revenue Code, as amended. The reduction shall only be made if it is at least five hundred dollars;

(3) The amount of any deduction that is included in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002 to the extent the amount deducted relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent the amount deducted exceeds the amount that would have been deductible pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code of 1986 as in effect on January 1, 2002;

(4) The amount of any deduction that is included in the computation of federal taxable income for net operating loss allowed by 26 U.S.C. Section 172 of the Internal Revenue Code of 1986, as amended, other than the deduction allowed by 26 U.S.C. Section 172(b)(1)(G) and 26 U.S.C. Section 172(i) of the Internal Revenue Code of 1986, as amended, for a net operating loss the taxpayer claims in the tax year in which the net operating loss occurred or carries forward for a period of more than twenty years and carries backward for more than two years.

Any amount of net operating loss taken against federal taxable income but disallowed for Missouri income tax purposes pursuant to this subdivision after June 18, 2002, may be carried forward and taken against any income on the Missouri income tax return for a period of not more than twenty years from the year of the initial loss; and

(5) For nonresident individuals in all taxable years ending on or after December 31, 2006, the amount of any property taxes paid to another state or a political subdivision of another state for which a deduction was allowed on such nonresident's federal return in the taxable year unless such state, political subdivision of a state, or the District of Columbia allows a subtraction from income for property taxes paid to this state for purposes of calculating income for the income tax for such state, political subdivision of a state, or the District of Columbia;

(6) For all tax years beginning on or after January 1, 2018, any interest expense paid or accrued in a previous taxable year, but allowed as a deduction under 26 U.S.C. Section 163, as amended, in the current taxable year by reason of the carryforward of disallowed business interest provisions of 26 U.S.C. Section 163(j), as amended. For the purposes of this subdivision, an interest expense is considered paid or accrued only in the first taxable year the deduction would have been allowable under 26 U.S.C. Section 163, as amended, if the limitation under 26 U.S.C. Section 163(j), as amended, did not exist.

3. There shall be subtracted from the taxpayer's federal adjusted gross income the following amounts to the extent included in federal adjusted gross income:

(1) Interest received on deposits held at a federal reserve bank or interest or dividends on obligations of the United States and its territories and possessions or of any authority, commission or instrumentality of the United States to the extent exempt from Missouri income taxes pursuant to the laws of the United States. The amount subtracted pursuant to this subdivision shall be reduced by any interest on indebtedness incurred to carry the described obligations or securities and by any expenses incurred in the production of interest or dividend income described in this subdivision. The reduction in the previous sentence shall only apply to the extent that such expenses including amortizable bond premiums are deducted in determining the taxpayer's federal adjusted gross income or included in the taxpayer's Missouri itemized deduction. The reduction shall only be made if the expenses total at least five hundred dollars;

(2) The portion of any gain, from the sale or other disposition of property having a higher adjusted basis to the taxpayer for Missouri income tax purposes than for federal income tax purposes on December 31, 1972, that does not exceed such difference in basis. If a gain is considered a long-term capital gain for federal income tax purposes, the modification shall be limited to one-half of such portion of the gain;

(3) The amount necessary to prevent the taxation pursuant to this chapter of any annuity or other amount of income or gain which was properly included in income or gain and was taxed pursuant to the laws of Missouri for a taxable year prior to January 1, 1973, to the taxpayer, or to a decedent by reason of whose death the taxpayer acquired the right to receive the income or gain, or to a trust or estate from which the taxpayer received the income or gain;

(4) Accumulation distributions received by a taxpayer as a beneficiary of a trust to the extent that the same are included in federal adjusted gross income;

(5) The amount of any state income tax refund for a prior year which was included in the federal adjusted gross income;

(6) The portion of capital gain specified in section 135.357 that would otherwise be included in federal adjusted gross income;

(7) The amount that would have been deducted in the computation of federal taxable income pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as in effect on January 1, 2002, to the extent that amount relates to property purchased on or after July 1, 2002, but before July 1, 2003, and to the extent that amount exceeds the amount actually deducted pursuant to 26 U.S.C. Section 168 of the Internal Revenue Code as amended by the Job Creation and Worker Assistance Act of 2002;

(8) For all tax years beginning on or after January 1, 2005, the amount of any income received for military service while the taxpayer serves in a combat zone which is included in federal adjusted gross income and not otherwise excluded therefrom. As used in this section, "combat zone" means any area which the President of the United States by Executive Order designates as an area in which Armed Forces of the United States are or have engaged in combat. Service is performed in a combat zone only if performed on or after the date designated by the President by Executive Order as the date of the commencing of combat activities in such zone, and on or before the date designated by the President by Executive Order as the date of the termination of combatant activities in such zone;

(9) For all tax years ending on or after July 1, 2002, with respect to qualified property that is sold or otherwise disposed of during a taxable year by a taxpayer and for which an additional modification was made under subdivision (3) of subsection 2 of this section, the amount by which additional modification made under subdivision (3) of subsection 2 of this section on qualified property has not been recovered through the additional subtractions provided in subdivision (7) of this subsection;

(10) For all tax years beginning on or after January 1, 2014, the amount of any income received as payment from any program which provides compensation to agricultural producers who have suffered a loss as the result of a disaster or emergency, including the:

- (a) Livestock Forage Disaster Program;
- (b) Livestock Indemnity Program;
- (c) Emergency Assistance for Livestock, Honeybees, and Farm-Raised Fish;
- (d) Emergency Conservation Program;

(d) Any other information required by the department to implement the provisions of this section.

(2) The amount of the tax credit shall not exceed the amount of the taxpayer's state tax liability in the tax year for which the credit is claimed, and such taxpayer shall not be allowed to claim a tax credit in excess of two million five hundred thousand dollars per tax year. However, any tax credit that cannot be claimed in the tax year the eligible expenses were incurred may be carried over to the next three succeeding tax years until the full credit is claimed.

5. Tax credits issued under the provisions of this section may be transferred, sold, or assigned.

6. (1) The issuance of tax credits authorized under this section shall cease and the department shall recoup from the taxpayer and deposit in the general revenue fund an amount equal to all credits previously issued to the taxpayer under this section, less any amounts previously repaid, increased by the amount of interest that would have been earned on the amount of such tax credits, in the event that the taxpayer:

(a) Fails to complete construction of a full-service grocery store within five years of the commencement of the project; or

(b) Fails to operate a full-service grocery store at the same new location for at least ten consecutive years.

(2) A taxpayer shall annually submit a report to the department, on a form to be developed by the department, indicating that the taxpayer is in compliance with the provisions of this section.

7. The department may promulgate rules to implement the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2024, shall be invalid and void.

AMEND House Amendment No. 7 to Senate Substitute for Senate Bill No. 1298, Page 1, Line 1, by inserting after the words "Page 17," the following:

"Section 301.010, Line 492, by inserting after said section and line the following:

"303.425. 1. (1) There is hereby created within the department of revenue the motor vehicle financial responsibility enforcement and compliance incentive program. The department of revenue may enter into contractual agreements with third-party vendors to facilitate the necessary technology and equipment, maintenance thereof, and associated program management services.

(2) The department of revenue or a third-party vendor shall utilize technology to compare vehicle registration information with the financial responsibility information accessible through the system. The department of revenue shall utilize this information to identify motorists who are in violation of the motor vehicle financial responsibility law. The department of revenue may offer offenders under this program the option of pretrial diversion as an alternative to statutory fines or reinstatement fees prescribed under the motor vehicle financial responsibility law as a method of encouraging compliance and discouraging recidivism.

(3) The department of revenue or third-party vendors shall not use any data collected from or technology associated with any automated motor vehicle financial responsibility enforcement system. For purposes of this subdivision, "motor vehicle financial responsibility enforcement system" means a device consisting of a camera or cameras and vehicle sensor or sensors installed to record motor vehicle financial responsibility violations.

(4) All fees paid to or collected by third-party vendors under sections 303.420 to 303.440 may come from violator diversion fees generated by the pretrial diversion option established under this section.

2. The department of revenue may authorize law enforcement agencies or third-party vendors to use technology to collect data for the investigation, detection, analysis, and enforcement of the motor vehicle financial responsibility law.

3. The department of revenue may authorize traffic enforcement officers or third-party vendors to administer the processing and issuance of notices of violation, the collection of fees for a violation of the motor vehicle financial responsibility law, or the referral of cases for prosecution, under the program.

4. Access to the system shall be restricted to qualified agencies and the third-party vendors with which the department of revenue contracts for purposes of the program, provided that any third-party vendor with which a contract is executed to provide necessary technology, equipment, or maintenance for the program shall be authorized as necessary to collaborate for required updates and maintenance of system software.

5. For purposes of the program, any data collected and matched to a corresponding vehicle insurance record as verified through the system, and any Missouri vehicle registration database, may be used to identify violations of the motor vehicle financial responsibility law. Such corresponding data shall constitute evidence of the violations.

6. Except as otherwise provided in this section, the department of revenue shall suspend, in accordance with section 303.041, the registration of any motor vehicle that is determined under the program to be in violation of the motor vehicle financial responsibility law.

7. The department of revenue shall send to an owner whose vehicle is identified under the program as being in violation of the motor vehicle financial responsibility law a notice that the vehicle's registration may be suspended unless the owner, within thirty days, provides proof of financial responsibility for the vehicle or proof, in a form specified by the department of revenue, that the owner has a pending criminal charge for a violation of the motor vehicle financial responsibility law. The notice shall include information on steps an individual may take to obtain proof of financial responsibility and a web address to a page on the department of revenue's website where information on obtaining proof of financial responsibility shall be provided. If proof of financial responsibility or a pending criminal charge is not provided within the time allotted, the department of revenue shall provide a notice of suspension and suspend the vehicle's registration in accordance with section 303.041, or shall send a notice of vehicle registration suspension, clearly specifying the reason and statutory grounds for the suspension and the effective date of the suspension, the right of the vehicle owner to request a hearing, the procedure for requesting a hearing, and the date by which that request for a hearing must be made, as well as informing the owner that the matter will be referred for prosecution if a satisfactory response is not received in the time allotted, informing the owner that the minimum penalty for the violation is three hundred dollars ~~and four license points~~, and offering the owner participation in a pretrial diversion option to preclude referral for prosecution and registration suspension under sections 303.420 to 303.440. The notice of vehicle registration suspension shall give a period of thirty-three days from mailing for the vehicle owner to respond, and shall be deemed received three days after mailing. If no request for a hearing or agreement to participate in the diversion option is received by the department of revenue prior to the date provided on the notice of vehicle registration suspension, the director shall suspend the vehicle's registration, effective immediately, and refer the case to the appropriate prosecuting attorney. If an agreement by the vehicle owner to participate in the diversion option is received by the department of revenue prior to the effective date provided on the notice of vehicle registration suspension, then upon payment of a diversion participation fee not to exceed two hundred dollars, agreement to secure proof of financial responsibility within the time provided on the notice of suspension, and agreement that such financial responsibility shall be maintained for a minimum of two years, no points shall be assessed to the vehicle owner's driver's license under section 302.302 and the department of revenue shall not take further action against the vehicle owner under sections 303.420 to 303.440, subject to compliance with the terms of the pretrial diversion option. The department of revenue shall suspend the vehicle registration of, and shall refer the case to the appropriate prosecuting attorney for prosecution of, participating vehicle owners who violate the terms of the pretrial diversion option. If a request for hearing is received by the department of revenue prior to the effective date provided on the notice of vehicle registration suspension, then for all purposes other than eligibility for participation in the diversion option, the effective date of the suspension shall be stayed until a final order is issued following the hearing. The department of revenue shall suspend the registration of vehicles determined under the final order to have violated the motor vehicle financial responsibility law, and shall refer the case to the appropriate prosecuting attorney for prosecution. Notices under this subsection shall be mailed to the vehicle owner at the last known address shown on the department of revenue's records. The department of revenue or its third-party vendor shall issue receipts for the collection of diversion participation fees. Except as otherwise provided in subsection 1 of this section, all such fees shall be deposited into the motor vehicle financial responsibility verification and enforcement fund established in section 303.422. A vehicle owner whose registration has been suspended under sections 303.420 to 303.440 may obtain reinstatement of the registration upon providing proof of financial responsibility and payment to the department of revenue of a nonrefundable reinstatement fee equal to the fee that would be applicable under subsection 2 of section 303.042 if the registration had been suspended under section 303.041.

8. Data collected or retained under the program shall not be used by any entity for purposes other than enforcement of the motor vehicle financial responsibility law. Data collected and stored by law enforcement under the program shall be considered evidence if noncompliance with the motor vehicle financial responsibility law is confirmed. The evidence, and an affidavit stating that the evidence and system have identified a particular vehicle as being in violation of the motor vehicle financial responsibility law, shall constitute probable cause for prosecution and shall be forwarded in accordance with subsection 7 of this section to the appropriate prosecuting attorney.

9. Owners of vehicles identified under the program as being in violation of the motor vehicle financial responsibility law shall be provided with options for disputing such claims which do not require appearance at any state or local court of law, or administrative facility. Any person who presents timely proof that he or she was in compliance with the motor vehicle financial responsibility law at the time of the alleged violation shall be entitled to dismissal of the charge with no assessment of fees or fines. Proof provided by a vehicle owner to the department of

revenue that the vehicle was in compliance at the time of the suspected violation of the motor vehicle financial responsibility law shall be recorded in the system established by the department of revenue under section 303.430.

10. The collection of data pursuant to this section shall be done in a manner that prohibits any bias towards a specific community, race, gender, or socioeconomic status of vehicle owner.

11. Law enforcement agencies, third-party vendors, or other entities authorized to operate under the program shall not sell data collected or retained under the program for any purpose or share it for any purpose not expressly authorized in this section. All data shall be secured and any third-party vendor or other entity authorized to operate under the program may be liable for any data security breach.

12. The department of revenue shall not take action under sections 303.420 to 303.440 against vehicles registered as fleet vehicles under section 301.032, or against vehicles known to the department of revenue to be insured under a policy of commercial auto coverage, as such term is defined in subdivision (10) of subsection 2 of section 303.430.

13. Following one year after the implementation of the program, and every year thereafter **for a period of five years**, the department of revenue shall provide a report to the president pro tempore of the senate, the speaker of the house of representatives, the chairs of the house and senate committees with jurisdictions over insurance or transportation matters, and the chairs of the house budget and senate appropriations committees. The report shall include an evaluation of program operations, information as to the costs of the program incurred by the department of revenue, insurers, and the public, information as to the effectiveness of the program in reducing the number of uninsured motor vehicles, and anonymized demographic information including the race and zip code of vehicle owners identified under the program as being in violation of the motor vehicle financial responsibility law, and may include any additional information and recommendations for improvement of the program deemed appropriate by the department of revenue. The department of revenue may, by rule, require the state, counties, and municipalities to provide information in order to complete the report.

14. The department of revenue may promulgate rules as necessary for the implementation of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2023, shall be invalid and void.

303.430. 1. The department of revenue shall establish and maintain a web-based system for the verification of motor vehicle financial responsibility, shall provide access to insurance reporting data and vehicle registration and financial responsibility data, and shall require motor vehicle insurers to establish functionality for the verification system, as provided in sections 303.420 to 303.440. The verification system, including any exceptions as provided for in sections 303.420 to 303.440 or in the implementation guide developed to support the program, shall supersede any existing verification system, and shall be the sole system used for the purpose of verifying financial responsibility required under this chapter.

2. The system established pursuant to subsection 1 of this section shall be subject to the following:

(1) The verification system shall transmit requests to insurers for verification of motor vehicle insurance coverage via web services established by the insurers through the internet in compliance with the specifications and standards of the Insurance Industry Committee on Motor Vehicle Administration, or "IICMVA". Insurance company systems shall respond to each request with a prescribed response upon evaluation of the data provided in the request. The system shall include appropriate protections to secure its data against unauthorized access, and the department of revenue shall maintain a historical record of the system data for a period of no more than twelve months from the date of all requests and responses. The system shall be used for verification of the financial responsibility required under this chapter. The system shall be accessible to authorized personnel of the department of revenue, the courts, law enforcement personnel, and other entities authorized by the state as permitted by state or federal privacy laws, and it shall be interfaced, wherever appropriate, with existing state systems. The system shall include information enabling the department of revenue to submit inquiries to insurers regarding motor vehicle insurance which are consistent with insurance industry and IICMVA recommendations, specifications, and standards by using the following data elements for greater matching accuracy: insurer National Association of Insurance Commissioners, or "NAIC", company code; vehicle identification number; policy number; verification date; or as otherwise described in the specifications and standards of the IICMVA. The department of revenue shall promulgate rules to offer insurers who insure one thousand or fewer vehicles within this state an alternative method

for verifying motor vehicle insurance coverage in lieu of web services, and to provide for the verification of financial responsibility when financial responsibility is proven to the department to be maintained by means other than a policy of motor vehicle insurance. Insurers shall not be required to verify insurance coverage for vehicles registered in other jurisdictions;

(2) The verification system shall respond to each request within a time period established by the department of revenue. An insurer's system shall respond within the time period prescribed by the IICMVA's specifications and standards. Insurer systems shall be permitted reasonable system downtime for maintenance and other work with advance notice to the department of revenue. Insurers shall not be subject to enforcement fees or other sanctions under such circumstances, or when systems are not available because of emergency, outside attack, or other unexpected outages not planned by the insurer and reasonably outside its control;

(3) The system shall assist in identifying violations of the motor vehicle financial responsibility law in the most effective way possible. Responses to individual insurance verification requests shall have no bearing on whether insurance coverage is determined to be in force at the time of a claim. Claims shall be individually investigated to determine the existence of coverage. Nothing in sections 303.420 to 303.440 shall prohibit the department of revenue from contracting with a third-party vendor or vendors who have successfully implemented similar systems in other states to assist in establishing and maintaining this verification system;

(4) The department of revenue shall consult with representatives of the insurance industry and may consult with third-party vendors to determine the objectives, details, and deadlines related to the system by establishment of an advisory council. **Members of the advisory council shall serve in an advisory capacity in matters pertaining to the administration of sections 303.420 to 303.440, as the department of revenue may request. The advisory council shall expire one year after implementation of the program.** The advisory council shall consist of voting members comprised of:

(a) The director of the department of commerce and insurance, or his or her designee, who shall serve as chair;

(b) Two representatives of the department of revenue, to be appointed by the director of the department of revenue;

(c) One representative of the department of commerce and insurance, to be appointed by the director of the department of commerce and insurance;

(d) Three representatives of insurance companies, to be appointed by the director of the department of commerce and insurance;

(e) One representative from the Missouri Insurance Coalition;

(f) One representative chosen by the National Association of Mutual Insurance Companies;

(g) One representative chosen by the American Property and Casualty Insurance Association;

(h) One representative chosen by the Missouri Independent Agents Association; and

(i) Such other representatives as may be appointed by the director of the department of commerce and insurance;

(5) The department of revenue shall publish for comment, and then issue, a detailed implementation guide for its online verification system;

(6) The department of revenue and its third-party vendors, if any, shall each maintain a contact person for insurers during the establishment, implementation, and operation of the system;

(7) If the department of revenue has reason to believe a vehicle owner does not maintain financial responsibility as required under this chapter, it may also request an insurer to verify the existence of such financial responsibility in a form approved by the department of revenue. In addition, insurers shall cooperate with the department of revenue in establishing and maintaining the verification system established under this section, and shall provide motor vehicle insurance policy status information as provided in the rules promulgated by the department of revenue;

(8) Every property and casualty insurance company licensed to issue motor vehicle insurance or authorized to do business in this state shall comply with sections 303.420 to 303.440, and corresponding rules promulgated by the department of revenue, for the verification of such insurance for every vehicle insured by that company in this state;

(9) Insurers shall maintain a historical record of insurance data for a minimum period of six months from the date of policy inception or policy change for the purpose of historical verification inquiries;

(10) For the purposes of this section, "commercial auto coverage" shall mean any coverage provided to an insured, regardless of number of vehicles or entities covered, under a commercial coverage form and rated from a commercial manual approved by the department of commerce and insurance. Sections 303.420 to 303.440 shall not

apply to vehicles insured under commercial auto coverage; however, insurers of such vehicles may participate on a voluntary basis, and vehicle owners may provide proof at or subsequent to the time of vehicle registration that a vehicle is insured under commercial auto coverage, which the department of revenue shall record in the system;

(11) Insurers shall provide commercial or fleet automobile customers with evidence reflecting that the vehicle is insured under a commercial or fleet automobile liability policy. Sufficient evidence shall include an insurance identification card clearly marked with a suitable identifier such as "commercial auto insurance identification card", "fleet auto insurance identification card", or other clear identification that the vehicle is insured under a fleet or commercial policy;

(12) Notwithstanding any provision of sections 303.420 to 303.440, insurers shall be immune from civil and administrative liability for good faith efforts to comply with the terms of sections 303.420 to 303.440;

(13) Nothing in this section shall prohibit an insurer from using the services of a third-party vendor for facilitating the verification system required under sections 303.420 to 303.440.

3. The department of revenue shall promulgate rules as necessary for the implementation of sections 303.420 to 303.440. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2023, shall be invalid and void.

303.440. The verification system established under section 303.430 shall be installed and fully operational ~~on January 1, 2025~~ **no later than December 31, 2027, or as soon as technologically possible following the development and maintenance of a modernized, integrated system for the titling of vehicles, issuance and renewal of vehicle registrations, issuance and renewal of driver's licenses and identification cards, and perfection and release of liens and encumbrances on vehicles, to be funded by the motor vehicle administration technology fund as created in section 301.558**, following an appropriate testing or pilot period of not less than nine months. A water exportation permit shall not be required to withdraw water from any water source for export outside of the state by a public water system, as defined in section 640.102, where the withdrawal and ultimate end use are within the same six-digit hydrological unit code as defined by the United States Geological Survey and within thirty miles of the state border.

After the comment period, the department shall respond to comments received and shall either approve the application or deny the application if the conditions in subsection 4 of this section have not been met. If the department approves the application, it shall send its findings to the clean water commission and Missouri soil and water districts commission for review using the criteria described in subsection 4 of this section. At the next scheduled meeting, the clean water commission and Missouri soil and water districts commission shall review the department's findings. If the clean water commission and Missouri soil and water districts commission agrees with the department's decision that a permit should be issued, the clean water commission and Missouri soil and water districts commission shall send its decision back to the department for the issuance of the permit. If the clean water commission or Missouri soil and water districts commission disagrees with the department's decision for the issuance of the permit, the clean water commission and Missouri soil and water districts commission shall send its decision back to the department and the department shall deny the application. Any permit issued pursuant to this section shall state the time within which the water shall be applied to beneficial use. Permits issued pursuant to this section shall be issued for a period not to exceed three years after the date of issuance.

(1) In the absence of appeal as provided under chapter 536, the decision of the director subject to approval or disapproval of the clean water commission and Missouri soil and water districts commission shall be final.

(2) Applications for renewal of a water export permit shall be filed at least one hundred eighty days prior to the expiration date of the existing permit, and the director shall determine whether the conditions in subsection 4 of this section are still satisfied. The director's decision to renew the permit shall be subject to the clean water commission's and Missouri soil and water districts commission's review and approval or denial pursuant to this subsection.

6. The department shall promulgate rules regarding the process of sending the department's findings to the Missouri soil and water districts commission and the clean water commission for review under this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2024, shall be invalid and void.

7. (1) Before granting water supply for access and use outside the state of Missouri, the director shall consider existing and proposed in-state uses in order to guarantee that in-state users will have access to and use of all of the water required to adequately supply for beneficial uses.

(2) The director shall review the needs for water supply export every three years to determine whether the water supply continues to be adequate for municipal, agricultural, industrial, domestic, and other beneficial uses within the state.

8. Subsections 4 to 7 of this section are subject to the most recent reports, data, and information in consideration of each permit application, whether the application is for an initial permit or renewal of an active or expired permit.

9. The review conducted pursuant to subsection 4 of this section shall not be used to reduce the quantity of water authorized to be transferred pursuant to the active life of permits issued prior to such review.

10. On the filing of an application to export water outside the state, the applicant shall designate an agent in the state of Missouri for service of process and to receive other notices.

11. In the event of a conflict between the conditions of use required in Missouri and conditions required in another state, the water permit holder shall consent to conditions imposed by the director.

12. A major water user, as defined in section 256.400, may, at any time, request the director to reevaluate any existing water exportation permit using the criteria under subsections 4 and 7 of this section. The director shall create a mechanism for a major water user to submit to him or her such a request for reevaluation and shall provide to the major water user his or her findings within sixty days of the request for reevaluation. After reevaluating the permit, the director shall impose additional conditions necessary for the continued exportation of water outside the state if the director determines that the existing permit is negatively impacting the requesting major water user's beneficial use of his or her water resources. The director's decision to modify or to decline to modify the conditions in an existing permit pursuant to this subsection shall be subject to the clean water commission's and Missouri soil and water districts commission's review and approval or denial pursuant to subsection 5 of this section.

13. Nothing in this section shall preclude a person from bringing any constitutional, statutory, or common law claim to vindicate or otherwise defend the user's water rights. A permit issued under this section shall not serve as a defense to any claim brought against a water permit holder for the infringement of water rights.

14. The time-limited, active life of the permit, not to exceed three years, requires the director to determine whether there has been a substantial or material change relating to any matters set forth in subsections 3 to 5 of this section in response to renewal applications requesting a permit for authorization of the continued export of water outside the state. The director may impose additional conditions to address any such substantial or material change or may deny the permit renewal application as necessary to comply with this section based on any such substantial or material changes. The director's decision to renew the permit shall be subject to the requirements of subsection 5 of this section.

15. If the attorney general receives a complaint that provisions of this section have been violated, or, at the request of the department, the attorney general may bring an injunctive action or other appropriate action in the name of the people of the state to enforce provisions of this section. Suit may be brought in any

county where the defendant's principal place of business is located or where the withdrawal of water occurred in violation of this section.

16. Whenever a person applies for a water exportation permit, the department of natural resources shall send a written notice to the county commission of the county where the water for exportation is located.

17. Whenever the United States Drought Monitor (USDM) indicates a D2 level drought for any county for which an export permit has been issued, the department of natural resources shall reevaluate such export permit. If the USDM indicates a D3 or worse drought condition in any county, the department shall reevaluate all existing permits within the state. Whenever a state of emergency is declared by the governor under section 44.100 for all, or any part of the state, based on drought conditions, the department may reevaluate any existing water exportation permit. Any reevaluation completed under this section shall use the criteria under subsections 3 to 5 of this section. After reevaluation of the permit is complete, the department shall have the authority to impose additional conditions or revoke the permit if necessary for the continued exportation of water outside the state if the director determines that the existing permit negatively impacts beneficial use of water resources. The director's decision to modify, revoke, or make no changes to the permit shall be subject to the clean water commission's and Missouri soil and water districts commission's review and approval or denial pursuant to subsection 5 of this section."; and

10. The director of revenue may adopt any rules and regulations necessary to carry out the provisions of this section. No rule or portion of a rule promulgated pursuant to the authority of this section shall become effective unless it has been promulgated pursuant to the provisions of chapter 536.

302.272. 1. 3. The director may adopt any rules and regulations necessary to carry out the provisions of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. 5. A commercial driver's license containing a hazardous materials endorsement issued to an applicant who is seventy years of age or older shall not be issued for a period exceeding three years. 7. The fee for a commercial driver's license or renewal commercial driver's license issued for a period of three years or less shall be twenty dollars.

8. The fee for a duplicate commercial driver's license shall be twenty dollars.

9. In order for the director to properly transition driver's license requirements under the Motor Carrier Safety Improvement Act of 1999 and the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act (USA PATRIOT ACT) of 2001, the director is authorized to stagger expiration dates and make adjustments for any fees, including driver examination fees that are incurred by the driver as a result of the initial issuance of a transitional license required to comply with such acts.

10. Within thirty days after moving to this state, the holder of a commercial driver's license shall apply for a commercial driver's license in this state. The applicant shall meet all other requirements of sections 302.700 to 302.780, except that the director may waive the driving test for a commercial driver's license as required in section 302.720 if the applicant for a commercial driver's license has a valid commercial driver's license from a state which has requirements for issuance of such license comparable to those in this state.

11. Any person who falsifies any information in an application or test for a commercial driver's license shall not be licensed to operate a commercial motor vehicle, or the person's commercial driver's license shall be cancelled, for a period of one year after the director discovers such falsification.

If lawful presence is granted for a temporary period, no commercial driver's license shall be issued. The director may, by rule or regulation, establish procedures to verify the lawful presence of the applicant and establish the duration of any commercial driver's license issued under this section. (2) Any applicant for a nondomiciled commercial driver's license or commercial driver's instruction permit must present evidence satisfactory to the director that the applicant currently has employment with an employer in this state. The nondomiciled applicant must meet the same testing, driver record requirements, conditions, and is subject to the same disqualification and conviction reporting requirements applicable to resident commercial drivers.

(3) The nondomiciled commercial driver's license will expire on the same date that the documents establishing lawful presence for employment expire. The word "nondomiciled" shall appear on the face of the nondomiciled commercial driver's license. Any applicant for a Missouri nondomiciled commercial driver's license or commercial driver's instruction permit must first surrender any nondomiciled commercial driver's license issued by another state.

(4) The nondomiciled commercial driver's license applicant must pay the same fees as required for the issuance of a resident commercial driver's license or commercial driver's instruction permit.

The continuing education shall be offered by a statewide association organized for the benefit of ambulance districts or be approved by the state advisory council on emergency medical services.

3. Any ambulance district board member who fails to complete the initial training and continuing education requirements on or before the anniversary date of the member's election or appointment as required under this section shall immediately be disqualified from office. Upon such disqualification, the member's position shall be deemed vacant without further process or declaration. The vacancy shall be filled in the manner provided for in section 190.052.

190.076. In addition to the annual audit required under section 190.075, each ambulance district shall, at least once every three years, arrange for a certified public accountant or a firm of certified public

190.109. 1. The department shall, within a reasonable time after receipt of an application, cause such investigation as the department deems necessary to be made of the applicant for a ground ambulance license.

2. Any person that owned and operated a licensed ambulance on December 31, 1997, shall receive an ambulance service license from the department, unless suspended, revoked or terminated, for that ambulance service area which was, on December 31, 1997, described and filed with the department as the primary service area for its licensed ambulances on August 28, 1998, provided that the person makes application and adheres to the rules and regulations promulgated by the department pursuant to sections 190.001 to 190.245.

3. The department shall issue a new ground ambulance service license to an ambulance service that is not currently licensed by the department, or is currently licensed by the department and is seeking to expand its ambulance service area, except as provided in subsection 4 of this section, to be valid for a period of five years, unless suspended, revoked or terminated, when the director finds that the applicant meets the requirements of ambulance service licensure established pursuant to sections 190.100 to 190.245 and the rules adopted by the department pursuant to sections 190.001 to 190.245. In order to be considered for a new ambulance service license, an ambulance service shall submit to the department a letter of endorsement from each ambulance district or fire protection district that is authorized to provide ambulance service, or from each municipality not within an ambulance district or fire protection district that is authorized to provide ambulance service, in which the ambulance service proposes to operate. - (4) Has demonstrated the appropriate expertise in the operation of ambulance services; and

4. A contract between a political subdivision and a licensed ambulance service for the provision of ambulance services for that political subdivision shall expand, without further action by the department, the ambulance service area of the licensed ambulance service to include the jurisdictional boundaries of the political subdivision. The termination of the aforementioned contract shall result in a reduction of the licensed ambulance service's ambulance service area by removing the geographic area of the political subdivision from its ambulance service area, except that licensed ambulance service providers may provide ambulance services as are needed at and around the state fair grounds for protection of attendees at the state fair.

The application form shall contain such information as the department deems necessary to make a determination as to whether the ground ambulance service meets all the requirements of sections 190.001 to 190.245 and rules promulgated pursuant to sections 190.001 to 190.245.

190.112. 1. Each ambulance service licensed under sections 190.001 to 190.245 shall identify to the department an individual as the ambulance service administrator, who shall be responsible for the operations and staffing of the ambulance service.

2. Any individual identified as the ambulance service administrator under subsection 1 of this section shall be required to have achieved basic training of at least forty hours regarding the operations of an ambulance service and to complete two hours of annual continuing education to maintain the individual's status as the ambulance service administrator.

3. The training required under this section shall be offered by a statewide association organized for the benefit of ambulance districts or be approved by the state advisory council on emergency medical services. Such training shall include information on:

190.166. 1. In addition to the grounds for disciplinary action described in section 190.165, the department may refuse to issue, deny renewal of, or suspend a license required under section 190.109, or take other corrective actions as described in this section, based on any of the following considerations:

- (1) The license holder is determined to be financially insolvent;**
- (2) The ambulance service has inadequate personnel to operate the ambulance service to provide basic emergency operations. The ambulance service shall not be deemed to have such inadequate personnel as long as the ambulance service has the ability to staff a minimum of one ambulance unit twenty-four hours each day, seven days each week, with at least two licensed emergency medical technicians, and has a reasonable plan and schedule for the services of a second ambulance unit;**
- (3) The ambulance service requires an inordinate amount of mutual aid from neighboring services, such as more than ten percent of the total runs in the jurisdiction in any given month or more than would be considered prudent, and thus cannot provide an appropriate level of emergency response for the service area that would be considered prudent by the typical operator of emergency ambulance services;**
- (4) The principal manager or a board member or executive of the ambulance service is determined to be criminally liable for actions related to the license or service provided;**
- (5) The license holder or principal manager or a board member or other executive of the ambulance service is determined by the Centers for Medicare and Medicaid Services to be ineligible for participation in Medicare;**
- (6) The license holder or principal manager or a board member or other executive of the ambulance service is determined by the MO HealthNet division to be ineligible for participation in the MO HealthNet program;**
- (7) The ambulance service administrator has failed to meet the required qualifications or failed to complete the training required in section 190.112; or**
- (8) If the ambulance service is an ambulance district, three or more board members have failed to complete the training required in section 190.053.**

2. If the department determines an ambulance service is financially insolvent or its operations are insufficient as described in subsection 1 of this section, the department may require the license holder to

submit a corrective action plan within fifteen days and require implementation of such corrective action plan within thirty days.

3. The department shall provide notice of any determination of insolvency or insufficiency of operations of a license holder by the department to:

- (1) Other license holders operating in the license holder's vicinity;
- (2) Members of the general assembly who represent all or part of the license holder's service area;
- (3) The governing officials of any county or municipal entity in the license holder's service area;
- (4) The appropriate regional EMS advisory committee; and
- (5) The state advisory council on emergency medical services.

4. Upon taking any corrective action under this section, the department shall immediately engage with other license holders in the affected area to determine the extent to which ground ambulance service may be provided to the affected service area during the time in which the provisional or affected license holder is unable to provide adequate services, including any long-term service arrangements. The holder of a provisional or suspended license may enter into an agreement with other license holders to provide services to the affected area. Such agreement may be in the form of an agreement to provide services, a joint powers agreement, formal consideration, or payment for services rendered.

5. Any ambulance service operator who provides assistance in the service area of another ambulance service operator whose license to operate has been suspended under this section shall have the right to seek reasonable compensation from the ambulance service operator whose license to operate has been suspended under this section for all calls, stand-by time, and responses to medical emergencies during such time the license remains suspended. The reasonable compensation shall not be limited to only those expenses incurred in actual responses, but may include reasonable expenses to maintain the ambulance service including, but not limited to, the daily operation costs of maintaining the service, personnel wages and benefits, equipment purchases and maintenance, and other costs incurred in the operation of an ambulance service. The ambulance service operator providing assistance shall be entitled to an award of costs and reasonable attorney's fees in any action to enforce the provisions of this section."; and

House Amendment No. 11

AMEND Senate Substitute for Senate Bill No. 1298, Page 1, Section A, Line 3, by inserting after all of said section and line the following:

"292.606. 1. Fees shall be collected for a period of six years from August 28, ~~2018~~ 2024.

2. (1) Any employer required to report under subsection 1 of section 292.605, except local governments and family-owned farm operations, shall submit an annual fee to the commission of one hundred dollars along with the Tier II form. Owners or operators of petroleum retail facilities shall pay a fee of no more than fifty dollars for each such facility. Any person, firm or corporation selling, delivering or transporting petroleum or petroleum products and whose primary business deals with petroleum products or who is covered by the provisions of chapter 323, if such person, firm or corporation is paying fees under the provisions of the federal hazardous materials

transportation registration and fee assessment program, shall deduct such federal fees from those fees owed to the state under the provisions of this subsection. If the federal fees exceed or are equal to what would otherwise be owed under this subsection, such employer shall not be liable for state fees under this subsection. In relation to petroleum products "primary business" shall mean that the person, firm or corporation shall earn more than fifty percent of hazardous chemical revenues from the sale, delivery or transport of petroleum products. For the purpose of calculating fees, all grades of gasoline are considered to be one product, all grades of heating oils, diesel fuels, kerosenes, naphthas, aviation turbine fuel, and all other heavy distillate products except for grades of gasoline are considered to be one product, and all varieties of motor lubricating oil are considered to be one product. For the purposes of this section "facility" shall mean all buildings, equipment, structures and other stationary items that are located on a single site or on contiguous or adjacent sites and which are owned or operated by the same person. If more than three hazardous substances or mixtures are reported on the Tier II form, the employer shall submit an additional twenty-dollar fee for each hazardous substance or mixture. Fees collected under this subdivision shall be for each hazardous chemical on hand at any one time in excess of ten thousand pounds or for extremely hazardous substances on hand at any one time in excess of five hundred pounds or the threshold planning quantity, whichever is less, or for explosives or blasting agents on hand at any one time in excess of one hundred pounds. However, no employer shall pay more than ten thousand dollars per year in fees. Moneys acquired through litigation and any administrative fees paid pursuant to subsection 3 of this section shall not be applied toward this cap.

(2) Employers engaged in transporting hazardous materials by pipeline except local gas distribution companies regulated by the Missouri public service commission shall pay to the commission a fee of two hundred fifty dollars for each county in which they operate.

(3) Payment of fees is due each year by March first. A late fee of ten percent of the total owed, plus one percent per month of the total, may be assessed by the commission.

(4) If, on March first of each year, fees collected under this section and natural resources damages made available pursuant to section 640.235 exceed one million dollars, any excess over one million dollars shall be proportionately credited to fees payable in the succeeding year by each employer who was required to pay a fee and who did pay a fee in the year in which the excess occurred. The limit of one million dollars contained herein shall be reviewed by the commission concurrent with the review of fees as required in subsection 1 of this section.

3. Beginning January 1, 2013, any employer filing its Tier II form pursuant to subsection 1 of section 292.605 may request that the commission distribute that employer's Tier II report to the local emergency planning committees and fire departments listed in its Tier II report. Any employer opting to have the commission distribute its Tier II report shall pay an additional fee of ten dollars for each facility listed in the report at the time of filing to recoup the commission's distribution costs. Fees shall be deposited in the chemical emergency preparedness fund established under section 292.607. An employer who pays the additional fee and whose Tier II report includes all local emergency planning committees and fire departments required to be notified under subsection 1 of section 292.605 shall satisfy the reporting requirements of subsection 1 of section 292.605. The commission shall develop a mechanism for an employer to exercise its option to have the commission distribute its Tier II report.

4. Local emergency planning committees receiving funds under section 292.604 shall coordinate with the commission and the department in chemical emergency planning, training, preparedness, and response activities. Local emergency planning committees receiving funds under this section, section 260.394, sections 292.602, 292.604, 292.605, 292.615 and section 640.235 shall provide to the commission an annual report of expenditures and activities.

5. Fees collected by the department and all funds provided to local emergency planning committees shall be used for chemical emergency preparedness purposes as outlined in sections 292.600 to 292.625 and the federal act, including contingency planning for chemical releases; exercising, evaluating, and distributing plans, providing training related to chemical emergency preparedness and prevention of chemical accidents; identifying facilities required to report; processing the information submitted by facilities and making it available to the public; receiving and handling emergency notifications of chemical releases; operating a local emergency planning committee; and providing public notice of chemical preparedness activities. Local emergency planning committees receiving funds under this section may combine such funds with other local emergency planning committees to further the purposes of sections 292.600 to 292.625, or the federal act.

6. The commission shall establish criteria and guidance on how funds received by local emergency planning committees may be used."; and

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SIXTY-NINTH DAY, TUESDAY, MAY 7, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The Lord is the strength of my life. (Psalm 27:1)

O God, our Protector, whose still small voice calls us to turn aside for a moment from the weary ways of a worried world to wait upon You and to find our strength in You, make us aware of Your spirit, as we bow in prayer in this beautiful chamber. Amid the haste of daily duties and the pressure of persistent problems, may we find in Your strength for the day wisdom to make sound decisions, and the spirit of cooperation to motivate all our endeavors on behalf of our beloved Missouri.

With a consciousness of Your presence alive within us and by the use of unfailing resources of our faith, may our spirits be restored, our minds refreshed, and our bodies renewed, and together may we be made ready for the tasks and the responsibilities we face these hours together as representatives of our citizens. Now protect us from storms and grant us favorable weather.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Layton Wehmeir, David O. Bunnell, Harper Bunnell, and Grace Bunnell.

The Journal of the sixty-eighth day was approved as printed.

6. A family trust company shall have ninety days to wind up its affairs after entry of any order to cease and desist from operating as a family trust company. If a family trust company that is not a foreign family trust company is still operating after ninety days, the [secretary] director or the [secretary's] director's designee may seek an order from a circuit court for the annulment or dissolution of the company. If a foreign family trust company is still operating after ninety days, the [secretary] director or the [secretary's] director's designee may seek an injunction from a circuit court restraining the company from continuing to operate in this state.

If a family trust company fails to submit within the prescribed period its annual registration report or any other report required by sections 362.1010 to 362.1117 or rule, the [secretary] director may impose a fine of up to one hundred dollars for each day that the annual registration report or other report is overdue. Failure to provide the annual registration report within sixty days after the end of the calendar year shall automatically result in termination of the registration of a family trust company. A family trust company may have its registration automatically reinstated by submitting to the [secretary] director, on or before August thirty-first of the calendar year in which the annual registration report is due, the company's annual registration report, a five hundred dollar late fee, and the amount of any fine imposed by the [secretary] director under this section. A family trust company that fails to renew or reinstate its registration shall wind up its affairs on or before November thirtieth of the calendar year in which such failure occurs.

362.1100. 1. The [secretary] director or the [secretary's] director's designee may issue and serve upon a family trust company and a family trust company affiliated party a notice of charges if the [secretary] director or the [secretary's] director's designee has reason to believe that the family trust company affiliated party is engaging or has engaged in conduct that:

(6) Is a willful violation of a rule of the [secretary] director;

(7) Is a willful violation of an order of the [secretary] director;

(8) Is a willful breach of a written agreement with the [secretary] director; or

(9) Is an act of commission or omission or a practice that the [secretary] director or the [secretary's] director's designee has reason to believe is a breach of trust or fiduciary duty.

2. The notice of charges shall contain a statement of facts and notice of opportunity for a hearing.

3. If no hearing is requested within thirty days after the date of service of the notice of charges or if a hearing is held and the [secretary] director or [secretary's] director's designee finds that any of the charges in the notice of charges are true, the [secretary] director or [secretary's] director's designee may enter an order that removes the family trust company affiliated party from the family trust company or that restricts or prohibits the family trust company affiliated party from participating in the affairs of the family trust company.

4. A contested or default order of removal is effective when reduced to writing and served upon the family trust company and the family trust company affiliated party. An uncontested order of removal is effective as agreed.

5. (1) The chief executive officer of a family trust company or the person holding the equivalent office shall promptly notify the **[secretary] director** if such person has actual knowledge that a family trust company affiliated party is charged with a felony in a state or federal court.

(2) If a family trust company affiliated party is charged with a felony in a state or federal court or, in a court of a foreign country with which the United States maintains diplomatic relations, is charged with an offense that involves a violation of law relating to fraud, currency transaction reporting, money laundering, theft, or moral turpitude and such offense is equivalent to a felony charge under state or federal law, then the **[secretary] director** or the **[secretary's] director's** designee may enter an emergency order that suspends the family trust company affiliated party or that restricts or prohibits participation by such party in the affairs of the family trust company effective upon service of the order on the company and such family trust company affiliated party.

(3) The order shall contain notice of opportunity for a hearing, at which the family trust company affiliated party may request a postsuspension hearing to show that continued service to or participation in the affairs of the family trust company does not pose a threat to the interests of the family trust company. In accordance with applicable rules, the **[secretary] director** or **[secretary's] director's** designee shall notify the family trust company affiliated party whether the order suspending or prohibiting the family trust company affiliated party from participating in the affairs of the family trust company will be rescinded or otherwise modified. The emergency order shall remain in effect, unless otherwise modified by the **[secretary] director** or **[secretary's] director's** designee, until the criminal charge is disposed. The emergency order shall dissolve upon the final, unappealed dismissal of all charges against or the acquittal of the family trust company affiliated party. Such occurrences shall not prohibit the **[secretary] director** or the **[secretary's] director's** designee from instituting proceedings under subsection 1 of this section. If the family trust company affiliated party charged is convicted or pleads guilty or nolo contendere, regardless of adjudication, the emergency order shall become final.

6. No family trust company affiliated party removed from office under this section shall be eligible for reinstatement to such office or to any other official position in a family trust company or financial institution in this state except with the written consent of the **[secretary] director**. A family trust company affiliated party who is removed, restricted, or prohibited from participation in the affairs of a family trust company under this section may petition the **[secretary] director** for modification or termination of such removal, restriction, or prohibition.

7. The resignation, termination of employment or participation, or separation from a family trust company of the family trust company affiliated party shall not affect the jurisdiction and authority of the **[secretary] director** or the **[secretary's] director's** designee to issue a notice and proceed under this section against the family trust company affiliated party if such notice is served within six years of the date such person ceased to be a family trust company affiliated party.

(3) As compelled by a court, pursuant to a subpoena issued in accordance with state or federal law. The books and records of customers, members, and stockholders shall not be released except upon the express authorization of the customer as to his or her own accounts or a stockholder or member regarding his or her voting rights. However, information may be released without the authorization of a customer, member, or shareholder in a manner prescribed by the board of directors of a corporation or managers of a limited liability company for the purposes of verifying or corroborating the existence or amount of a customer's account if such information is reasonably

An order directing the release of information shall be immediately reviewable, and a petition by the **[secretary] director** for review of the order shall automatically stay any further proceedings in a trial court or administrative hearing until the disposition of the petition by the reviewing court. (a) Held and administered in one trust for the benefit of both settlors, **which may be** revocable by either settlor or both settlors while either or both are alive, **and by one settlor after the death or incapacity of the other**, and each settlor having the right to receive distributions of income or principal, whether mandatory or within the discretion of the trustee, from the entire trust for the joint lives of the settlors and for the survivor's life; or

(b) Held and administered in two **or more** separate shares of one trust for the benefit of each **or both** of the settlors, with the trust revocable by each settlor with respect to that settlor's separate share of that trust without the participation or consent of the other settlor, and each settlor having the right to receive distributions of income or principal, whether mandatory or within the discretion of the trustee, from that settlor's separate share for that settlor's life; or

(c) Held and administered under the terms and conditions contained in paragraphs (a) and (b) of this subdivision.

2. A qualified spousal trust may contain any other trust terms that are not inconsistent with the provisions of this section, including, without limitation, a discretionary power to distribute trust property to a person in addition to a settlor.

3. All property at any time held in a qualified spousal trust, without regard to how such property was titled prior to it being so held[;]:

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SEVENTIETH DAY, WEDNESDAY, MAY 8, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge Him, and He shall direct thy paths. (Proverbs 3:5, 6)

Our Glorious God, who has given us this morning with thunder and lightning, give us also Your powerful protective blessings as we lift our hearts to You in prayer in this historic chamber.

Grant us the blessing of wisdom, not only to make wise choices but also to find the right paths we should take. Lift high our vision that we may see clearly and be given courage to walk in Your way.

Grant us the blessing of love. Deepen our understanding, expand our sympathy, and enlarge our capacity for good. Give us grace to rise above arrogance that separates us and help us to enter the realm of high humility, where we are brought together in spirit and in love.

Grant us the blessing of faith. In these difficult and trying moments, may we keep our faith with You and in You, and may this faith keep us strong in our decisions here in the People's House.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-ninth day was approved as printed.

Representative Hudson assumed the Chair.

Speaker Plocher resumed the Chair.

The board may refuse to issue or renew the permit of any entity for one or any combination of causes stated in subsection 2 of section 332.321. The board shall notify the applicant in writing of the reasons for the refusal and shall advise the applicant of his or her right to file a complaint with the administrative hearing commission as provided by chapter 621.

The provisions of this subsection shall not apply to a federally qualified health center as defined in Section 1905(l) of the Social Security Act (42 U.S.C. Section 1396d(l)).

Section 501(c)(3), or the requirements relating to migrant, community, or health care for the homeless health centers provided in Section 330 of the Public Health Service Act (42 U.S.C. Section 254b) and federally qualified health centers as defined in Section 1905(l) (42 U.S.C. Such approvals shall be granted to applications in the order of priority established under this section and shall require full compliance thereafter with all other requirements of law as a condition to any claim for such credits. If the department ~~[of economic development]~~ disapproves an application, the taxpayer shall be notified in writing of the reasons for such disapproval. A disapproved application may be resubmitted. **If the scope of a project for which an application has been approved under this section materially changes, the taxpayer shall be eligible to receive additional tax credits in the year in which the department is notified of and approves of such change in scope, subject to the provisions of subsection 2 of section 253.550 and subsection 7 of this section, if applicable; however, if such project was originally approved prior to August 28, 2018, the department shall evaluate the change in scope of the project under the criteria in effect prior to such date. A change in project scope shall be considered material under this subsection if:**

(1) The project was not previously subject to a material change in scope for which additional tax credits were approved; and

(2) The requested amount of tax credits for the project after the change in scope is higher than the originally approved amount of tax credits.

~~[5-]~~ 6. Following approval of an application, the identity of the taxpayer contained in such application shall not be modified except:

(1) The taxpayer may add partners, members, or shareholders as part of the ownership structure, so long as the principal remains ~~[the same]~~ **a principal of the taxpayer**, provided however, that subsequent to the commencement of renovation and the expenditure of at least ten percent of the proposed rehabilitation budget, removal of the principal for failure to perform duties and the appointment of a new principal thereafter shall not constitute a change of the principal; or

(2) Where the ownership of the project is changed due to a foreclosure, deed in lieu of a foreclosure or voluntary conveyance, or a transfer in bankruptcy.

~~[6-]~~ 7. In the event that the department ~~[of economic development]~~ grants approval for tax credits equal to the total amount available **or authorized, as applicable**, under subsection 2 of section 253.550, or sufficient that

when totaled with all other approvals, the amount available **or authorized, as applicable**, under subsection 2 of section 253.550 is exhausted, all taxpayers with applications then awaiting approval or thereafter submitted for approval shall be notified by the department ~~[of economic development]~~ that no additional approvals shall be granted during the fiscal year and shall be notified of the priority given to such taxpayer's application then awaiting approval. Such applications shall be kept on file by the department ~~[of economic development]~~ and shall be considered for approval for tax credits in the order established in this section in the event that additional credits become available due to the rescission of approvals or when a new fiscal year's allocation of credits becomes available for approval **or authorized, as applicable**.

~~[7-]~~ **8.** All taxpayers with applications receiving approval on or after July 1, 2019, shall submit within ~~[sixty]~~ **one hundred twenty** days following the award of credits evidence of the capacity of the applicant to finance the costs and expenses for the rehabilitation of the eligible property in the form of a line of credit or letter of commitment subject to the lender's termination for a material adverse change impacting the extension of credit. If the department ~~[of economic development]~~ determines that a taxpayer has failed to comply with the requirements under this subsection, then the department shall notify the applicant of such failure and the applicant shall have a thirty-day period from the date of such notice to submit additional evidence to remedy the failure.

~~[8-]~~ **9.** All taxpayers with applications receiving approval on or after the effective date of this act shall commence rehabilitation within ~~[nine]~~ **twenty-four** months of the date of issuance of the letter from the department ~~[of economic development]~~ granting the approval for tax credits. "Commencement of rehabilitation" shall mean that as of the date in which actual physical work, contemplated by the architectural plans submitted with the application, has begun, the taxpayer has incurred no less than ten percent of the estimated costs of rehabilitation provided in the application. Taxpayers with approval of a project shall submit evidence of compliance with the provisions of this subsection. **Taxpayers shall notify the department of any loss of site control or of any failure to exercise any option to obtain site control within the prescribed time period within ten days of such loss or failure.** If the department ~~[of economic development]~~ determines that a taxpayer has **lost or failed to obtain site control of the eligible property or otherwise** failed to comply with the requirements provided under this section, the approval for the amount of tax credits for such taxpayer shall be rescinded ~~[and such amount of tax credits]~~. **A taxpayer may voluntarily forfeit such approval at any time by written notice to the department. Any approval rescinded or forfeited under this subsection shall then be included in the total amount of tax credits available in the year of such rescission or forfeiture,** provided under subsection 2 of section 253.550, from which approvals may be granted. Any taxpayer whose approval ~~[shall be subject to rescission]~~ **is rescinded or forfeited under this subsection** shall be notified of such from the department ~~[of economic development]~~ and, upon receipt of such notice, may submit a new application for the project. **If a taxpayer's approval is rescinded or forfeited under this subsection and such taxpayer later submits a new application for the same project, any expenditures eligible for tax credits under section 253.550 that are incurred by such taxpayer from and after the date of the rescinded or forfeited approval shall remain eligible expenditures for the purposes of determining the amount of tax credits that may be approved under section 253.550.**

~~[9-]~~ **10. (1) (a)** To claim the credit authorized under sections ~~[253.550]~~ **253.544** to 253.559, a taxpayer with approval shall apply for final approval and issuance of tax credits from the department ~~[of economic development]~~, which ~~[-in consultation with the department of natural resources,]~~ shall determine the final amount of eligible rehabilitation costs and expenses and whether the completed rehabilitation meets the **qualified rehabilitation** standards ~~[of the Secretary of the United States Department of the Interior for rehabilitation as determined by the state historic preservation officer of the Missouri department of natural resources]~~.

(b) Evidence that the completed rehabilitation meets the qualified rehabilitation standards shall be shown by one of the following:

- a. Final approval by the state historic preservation office; or
- b. An approved part 3 of the federal application.

(c) The state historic preservation office shall review each final application within sixty days and then forward the application to the National Park Service and send copies of any review comments to the applicant. If the state historic preservation office fails to review the application within sixty days, the application shall be forwarded without comments to the National Park Service and the state historic preservation office shall have no further opportunity to submit comments on such application.

(d) An award of tax credits under sections 253.544 to 253.559 shall be contingent on and awarded upon the listing of such eligible property on the National Register of Historic Places.

(2) Within seventy-five days of the department's receipt of all materials required by the department for an application for final approval and issuance of tax credits, which shall include a state approval by the state historic preservation office or an approved part 3 of the federal application for projects receiving

federal rehabilitation credits, the department shall issue to the taxpayer tax credit certificates in the amount of seventy-five percent of the lesser of:

(a) The total amount of the tax credits for which the taxpayer is eligible as provided in the taxpayer's certification of qualified expenses submitted with an application for final approval; or

(b) The total amount of tax credits approved for such project under subsection 3 of this section, including any amounts approved in connection with a material change in the scope of the project.

(3) Within one hundred twenty days of the department's receipt of all materials required by the department for an application of final approval and issuance of tax credits for a project, the department shall, unless such project is under appeal under subsection 14 of this section:

(a) Make a final determination of the total costs and expenses of rehabilitation and the amount of tax credits to be issued for such costs and expenses;

(b) Notify the taxpayer in writing of its final determination; and

(c) Issue to the taxpayer tax credit certificates in an amount equal to the remaining amount of tax credits such taxpayer is eligible to receive, as determined by the department, but was not issued in the initial tax credit issuance under subdivision (2) of this subsection.

(4) If the department determines that the amount of tax credits issued to a taxpayer in the initial tax credit issuance under subdivision (2) of this subsection is in excess of the total amount of tax credits such taxpayer is eligible to receive, the department shall notify such taxpayer, and such taxpayer shall repay the department an amount equal to such excess.

(5) For financial institutions credits authorized pursuant to sections ~~[253.550 to 253.561]~~ **253.544 to 253.559** shall be deemed to be economic development credits for purposes of section 148.064. The approval of all applications and the issuing of certificates of eligible credits to taxpayers shall be performed by the department ~~[of economic development]~~. The department ~~[of economic development]~~ shall inform a taxpayer of final approval by letter and shall issue, to the taxpayer, tax credit certificates. The taxpayer shall attach the certificate to all Missouri income tax returns on which the credit is claimed.

~~[40-]~~ **11.** Except as expressly provided in this subsection, tax credit certificates shall be issued in the final year that costs and expenses of rehabilitation of the project are incurred, or within the twelve-month period immediately following the conclusion of such rehabilitation. In the event the amount of eligible rehabilitation costs and expenses incurred by a taxpayer would result in the issuance of an amount of tax credits in excess of the amount provided under such taxpayer's approval granted under subsection ~~[4]~~ **6** of this section, such taxpayer may apply to the department for issuance of tax credits in an amount equal to such excess. Applications for issuance of tax credits in excess of the amount provided under a taxpayer's application shall be made on a form prescribed by the department. Such applications shall be subject to all provisions regarding priority provided under subsection 1 of this section.

~~[41-]~~ **12.** The department ~~[of economic development]~~ shall determine, on an annual basis, the overall economic impact to the state from the rehabilitation of eligible property.

13. (1) With regard to an application submitted under sections **253.544 to 253.559**, an applicant or an applicant's duly authorized representative may appeal any official decision, including all preliminary or final approvals, denials of approvals, or dollar amounts of issued tax credits, made by the department of economic development or the state historic preservation office. Such an appeal shall constitute an administrative review of the decision and shall not be conducted as an adjudicative proceeding.

(2) The department shall establish an equitable appeals process.

(3) The appeals process shall incorporate an independent review panel consisting of members of the private sector and the department.

(4) The department shall name an independent appeals officer as chair.

(5) An appeal shall be submitted to the designated appeals officer or review panel in writing within thirty days of receipt by the applicant or the applicant's duly authorized representative of the decision that is the subject of the appeal and shall include all information the appellant wishes the appeals officer or review panel to consider in deciding the appeal.

(6) Within fourteen days of receipt of an appeal, the appeals officer or review panel shall notify the department of economic development or the state historic preservation office that an appeal is pending, identify the decision being appealed, and forward a copy of the information submitted by the appellant. The department of economic development or the state historic preservation office may submit a written response to the appeal within thirty days.

(7) The appellant shall be entitled to one meeting with the appeals officer or review panel to discuss the appeal, and the appeals officer or review panel may schedule additional meetings at the officer's or panel's discretion. The department of economic development or the state historic preservation office may appear at any such meeting.

(8) The appeals officer or review panel shall consider the record of the decision in question; any further written submissions by the appellant, department of economic development, or state historic preservation office; and other available information and shall deliver a written decision to all parties as promptly as circumstances permit but no later than ninety days after the initial receipt of an appeal by the appeals officer or review panel.

(9) The appeals officer and the members of the review panel shall serve without compensation.”; and

Further amend the title and enacting clause accordingly.

Second Regular Session, 102nd General Assembly

SEVENTY-FIRST DAY, THURSDAY, MAY 9, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Representative Wendy Hausman.

Lord God,

King of Kings and Lord of Lords, we humbly call upon You and seek Your guidance and direction. Your word says in Matthew: *"Do not be anxious about tomorrow, for tomorrow will be anxious for itself."*

So let us not worry about the unknown. Let us inspire and motivate one another as we journey forward into the coming days. We ask for strength and wisdom to help us overcome any obstacles that may come our way. Let us have faith that we can accomplish all that we need by putting our trust in You.

In Your name we pray, Amen

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as an Honorary Page for the Day, to serve without compensation: Vicente Isaiah Perches.

The following is the report adopted by the committee in the matter of House Ethics Complaint No. 24-01:

On April 15, 2024, while acting in her capacity as the duly appointed Chair of the House Ethics Committee, Chairwoman Hannah Kelly distributed a draft report regarding a prior investigation and called for a vote of the committee on whether to adopt the report.

Chairwoman Kelly's actions to distribute the draft report were taken without prior discussions with committee members.

In taking these actions, Chairwoman Kelly maintains that she did so with the good faith belief that her actions were authorized under the rules under her authority as chair. In addition, because the committee hearing had been moved to a room without audio-visual recording equipment, had the Committee voted to take action against the Respondent, Chairman Kelly believed that it would have violated the Respondent's procedural rights that there at least be some record of the Committee's actions and deliberations under Rule 9. Based on these explanations, there is no evidence that Rep. Kelly acted in bad faith.

Notwithstanding Chairwoman Kelly's disagreements, it is the committee's conclusion that the draft report should not have been distributed in a public forum without the committee's prior approval and that this distribution violated this committee's procedural rules – specifically Rule 2(5)(g).

Accordingly, the Committee does not recommend discipline but directs Respondent to not engage in similar conduct in the future. While respectfully disagreeing with the Committee's legal conclusion, Chairwoman Kelly agrees that she will abide by the Committee's direction.

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SEVENTY-SECOND DAY, FRIDAY, MAY 10, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Representative Doug Richey.

Our gracious and merciful Heavenly Father,

As we stand here today, we do so acknowledging Your presence and goodness. Your word declares that the world and all that is within it belongs to You. The cattle on a thousand hills are Yours. The mountains quake when You speak. The universe itself, declares Your glory. We too, are to submit ourselves to Your glorious and perfect purpose.

We are taking up today's responsibilities, doing so on behalf of our great state. We ask for Your guidance and provision. May we prove ourselves to be good stewards of the people's money, for in doing so, we prove ourselves to be good stewards of Your provisions. May we prove ourselves to be examples of the character and conviction worthy of this chamber, and when we fail to do so, we ask that Your grace and mercy be granted to us.

Heavenly Father keep us all mindful that one day these desks will be filled with citizens other than ourselves. Humble and encourage us in our labor, within this chamber, and help us to faithfully hand off this mantle of responsibility to future representatives. May this day honor You. May their day honor You, as well.

In the name of Jesus, I pray. The House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Rynley Kate Gatlin and Lincoln Lee Berkbigler.

The Journal of the seventy-first day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SIXTY-FOURTH DAY, MONDAY, APRIL 29, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Representative Dirk Deaton.

Lord, today we come before You seeking Your favor as we go about our work, in this, the People's House. As Your Word tells us, "If any of You lacks wisdom, let him ask God, who gives generously to all without reproach, and it will be given him." Almighty God, we ask now for Your wisdom as we enter the final weeks of this legislative session.

Furthermore, may the members of this body have the desire and strength to do what is right, but may You assist us also in knowing what is right and just under the circumstances.

While emotions often run high under this hallowed dome, let us view our actions and the relationships we share not in terms of one session, or even one General Assembly, but in light of eternity.

Now, before concluding, let us rightly offer words of praise to our Creator. In the words of the famous hymn: "Praise God, from whom all blessings flow; Praise Him, all creatures here below; Praise Him above, ye heavenly host; Praise Father, Son, and Holy Ghost!"

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Lydia Joy Swofford, Brock Page, Claire Page, Jett Page, Maverick Beardslee, and Max Beardslee.

The Journal of the sixty-third day was approved as printed.

There was a moment of silence in memory of former Representative Richard "R.B." Grisham.

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SIXTY-FIFTH DAY, TUESDAY, APRIL 30, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

O give thanks unto the Lord; for He is good: for His mercy endureth forever. (Psalm 106:1)

O God of eternal truth and love, who is worthy of a nobler praise than our lips can utter and worthy of a greater love than our hearts can offer, in Your presence we bow; in this moment, into Your hands we commit our lives here in the People's House.

May our thoughts become channels for Your goodness; may the dreams in our hearts find their fulfillment in You; and may the work of our day be honest and true. Together, may we build a greater Missouri upon the foundations of the faith of our ancestors and our faith in the possibility of a new day.

Open our eyes to the manifestations of Your spirit in our world. Give us courage in weakness and steady us when we would fall. Make us a people grateful for our privileges, faithful in our stewardship, and sensitive to the needs of our citizens.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Mutahera Sahibi, Nuhzatullah Mangal, Ferishta Hussaini, Hilal Safi, and Madelynn Bell.

The Journal of the sixty-fourth day was approved as printed by the following vote:

(6) "Provider", a physician, hospital, dentist, podiatrist, chiropractor, pharmacy, licensed ambulance service, or optometrist, licensed by this state.

2. Upon receipt of an assignment of benefits made by the insured to a provider, the insurer shall issue the instrument of payment for a claim for payment for health care services in the name of the provider. All claims shall be paid within thirty days of the receipt by the insurer of all documents reasonably needed to determine the claim.

5. When a patient's health benefit plan does not include or require payment to out-of-network providers for all or most covered services, which would otherwise be covered if the patient received such services from a provider in the health benefit plan's network, including but not limited to health maintenance organization plans, as such term is defined in section 354.400, or a health benefit plan offered by a carrier consistent with subdivision (19) of section 376.426, payment for all services shall be made directly to the providers when the health carrier has authorized such services to be received from a provider outside the health benefit plan's network.

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SIXTY-SIXTH DAY, WEDNESDAY, MAY 1, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The fear of the Lord is the beginning of wisdom: a good understanding have all they that do His commandments: His praise endureth forever. (Psalm 111:10)

God of Glory and Lord of Life, in these days bursting with the beauty of spring, we bow in Your presence grateful to be alive in a day like this. In this Chamber we open our hearts to daily devotions and endeavor to make them channels for Your power in our state and in our hallways. Keep our thinking clear and clean, our emotions in complete control, and give us the mind to keep ourselves healthy and fit for finer service to You and for greater service to our people.

Give to these Representatives faith, hope and love that they may lead our state into the right paths of enduring peace and abounding grace.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-fifth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SIXTY-SEVENTH DAY, THURSDAY, MAY 2, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Have no anxiety about anything; but in everything by prayer and supplication with thanksgiving let your requests be made known unto God. (Philippians 4:6)

Eternal Shepherd of our souls, whose mercy is from everlasting to everlasting and whose truth endures forever, in this quiet moment of prayer may we hear Your voice speaking to us and with receptive minds may we respond on this National Day of Prayer. Always and in all ways, You are very, very near. Help us to be aware of Your presence and to keep ourselves open to the leading of Your spirit. Strengthen us when we fail; support us when we fall; and sustain us when we falter.

Open our eyes that we may see the higher virtues; open our ears that we may hear the greater voices as they speak to us; open our hands that we may deal wisely and justly the opportunities that life hands us – not that we may always win but that we may play fairly and honorably.

And the House says, “Amen!”

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-sixth day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SIXTIETH DAY, MONDAY, APRIL 22, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Representative Ed Lewis.

Dear Lord and our Creator God,

Thank You for allowing us to serve in the People's House of Missouri. We are humbled to be able to serve here in this Chamber and I pray we continue to recognize You as the Author of life and the Author of our salvation as well. I thank You for Jesus, who the Apostle Paul tells us *"is the image of the invisible God, the firstborn over all creation. For in him all things were created: things in heaven and on earth, visible and invisible, whether thrones or powers or rulers or authorities; all things have been created through him and for him. He is before all things, and in him all things hold together."*

Lord, I pray that we remember that all thrones, powers, rulers and authorities are granted by You and that we are but servants. I pray we make good decisions today as we continue to move legislation for the betterment of our constituents and all the citizens of Missouri.

Bless our efforts today and help us as we always strive to do what is in Your will, and all the people in the House said, "Amen."

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-ninth day was approved as corrected.

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SIXTY-FIRST DAY, TUESDAY, APRIL 23, 2024

The House met pursuant to adjournment.

Speaker Pro Tem Henderson in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Cleanse Thou me from secret faults. (Psalm 19:12)

O loving God, facing the demanding duties of this day and conscious of our pressing problems, we deeply feel our need of You, so we come lifting our hearts to You in prayer. Make us ready for every responsibility, equal to every experience and adequate for every activity, including softball! May we be more than a match for the various opportunities in this historic chamber.

Like a good team member, unite the thoughts of our hearts by the inspiration of Your Holy Spirit, that we may perfectly love You, worthily magnify Your holy name, and truly serve our state well this day and every day.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Luke Dykstra, Edie Harlin, Madie Kemp, Karlo Krstanovic, Jack Reed, Jackson Roth, and Clairra Huebl.

Representative Patterson moved that the Journal of the sixtieth day be approved as printed.

Representative Baker offered **House Amendment No. 1**.

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SIXTY-SECOND DAY, WEDNESDAY, APRIL 24, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

A faithful man shall abound with blessings. (Proverbs 28:20)

Eternal Guide of our spirits, we rejoice in the glory of a new day and in the beginning of another day of noble legislative activity. During this time when the foundations of the world seem to be changing and some bitterness would bite the best of us, we would use this hallowed moment of prayer to be assured of Your presence and to tap into the spiritual resources we need as we face the pressing duties of these heavy hours.

May we feel Your spirit leading us as we cast our votes; may we possess Your power which holds us steady amid the constant pressures of daily political life; and may our trust in You deliver us from those tensions which would tear us to pieces and from those worries which would wear us out. All through this day may we think our best, do our best, and be our best, and thus be worthy of our calling to this high office as representatives of our people.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-first day was approved as printed by the following vote:

House Amendment No. 2

AMEND House Amendment No. 1 to House Bill No. 1991, Page 1, Line 4, by deleting said line and inserting in lieu thereof the following:

""210.212. 1. As used in this section, the following terms mean:

(1) "Aquatic activity", an activity involving a pool or other body of water, including canoeing, that may expose a child to a risk of serious injury because of the inherent danger of the activity;

(2) "Camp counselor", an employee of a summer camp who interacts with and is responsible for the supervision and safety of children at a summer camp and engages in activities including, but not limited to, planning and leading group events, maintaining a schedule of activities for children at the camp, and responding to safety or behavioral incidents;

(3) "Medical emergency", an injury or the sudden and, at the time, unexpected onset of a health condition that manifests itself by symptoms of sufficient severity that would lead a prudent layperson, possessing an average knowledge of health and medicine, to believe that the absence of immediate medical care could result in:

(a) Placing the person's health in significant jeopardy;

(b) Serious impairment to a bodily function;

(c) Serious dysfunction of any bodily organ or part; or

(d) Inadequately controlled pain;

(4) "Summer camp", a program operated from May to September by a person or organization with the primary function of providing a summer recreational program for children five years of age or older and providing no child care for children under five years of age in the same space or in the same outdoor play area simultaneously.

2. Any person or organization operating a summer camp in this state shall ensure that employees of the summer camp are certified in operating equipment used in any aquatic activity offered by the summer camp.

3. (1) Any person or organization operating a summer camp in this state shall establish and retain onsite a written site-specific emergency plan, which shall be approved by the director of the summer camp, outlining procedures that address the following emergency situations:

(2) Summer camp employees, including the director and camp counselors, shall be trained in implementing the emergency plan procedures provided for under subdivision (1) of this subsection.

4. At least fifty percent of the camp counselors employed by a summer camp, and any director employed by a summer camp, shall be trained in cardiopulmonary resuscitation and in the use of an automated external defibrillator.

5. Any aquatic activity offered by a summer camp to children attending the summer camp and any related equipment shall be inspected annually by the relevant state department including, but not limited to, the department of health and senior services, the department of public safety, or the department of conservation. Such inspections may be completed by local agencies if the standards employed by local personnel are substantially equivalent to state standards and local personnel are available for enforcement of such standards.

6. The department of elementary and secondary education shall maintain a list of all licensed summer camps in this state and any complaints against any of those summer camps. Such information shall be made available to the public.

7. It shall be unlawful for any person or organization to establish, maintain, or operate a summer camp that has not obtained a license from the department of elementary and secondary education. 11. The department of elementary and secondary education may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

SIXTY-THIRD DAY, THURSDAY, APRIL 25, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

Why art thou cast down, O my soul? Hope thou in God. (Psalm 42:5)

Our Creator in heaven and on earth, who loves and blesses all creation, teach us to totally trust You and to live in harmony with everyone.

Forgive those stressful moments when we find it difficult to believe in You, to trust one another, and to have faith in ourselves. We are weighted down by the problems we face as a state and by the circumstances without any thought of changing ourselves or of letting Your spirit change us.

So we pause in Your presence, praying that you will change us, restoring our faith in You, restoring our belief in one another, and renewing our respect for ourselves and our citizens in our beloved and beautiful Missouri.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the sixty-second day was approved as printed.

CONSTITUTIONAL OBJECTIONS

Representative Lavender offered an objection to **SS#2 HCS HB 2634**, which was appended to the bill.

April 25, 2024

Mr. Speaker,

SS#2 HCS HB 2634 violates the Federal Administrative Rules for Medicaid in the CMS Handbook regarding the Affordable Care Act. It tramples on Missourians' right to choose their provider to receive non-abortion healthcare, as guaranteed by federal law.

This legislation puts every Medicaid dollar Missouri receives at risk. This would throw Missouri into economic peril from which we may never recover.

By signing **SS#2 HCS HB 2634**, we are risking Missouri's economic future and limiting access to healthcare for thousands of our citizens in an effort to further the majority party's crusade against Planned Parenthood.

I am unwilling to risk the lives of thousands of women, and the economic health of our state, for a headline.

This is unacceptable and I would like to note my opposition.

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

FIFTY-SIXTH DAY, MONDAY, APRIL 15, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Representative Hardy Billington.

Our Father in Heaven. We do not know what will happen tomorrow. For what is our life? It is just a vapor that will vanish away. So God what can we do? Our life on Earth is short, and we must be born again to have everlasting life.

As His word tells us in John 3:16, *“For God so loved the world that he gave his only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life.”*

May God bless the people in our chamber, may God bless Missouri, and may God bless the United States of America.

In Jesus’s name,

And the House said “Amen!”

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-fifth day was approved as printed.

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

FIFTY-SEVENTH DAY, TUESDAY, APRIL 16, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

He leadeth me in the paths of righteousness for His name's sake. (Psalm 23:3)

Eternal God, and Shepherd, whose love never lets us go, whose patience never lets us down, hear us again as we offer to You our morning prayer in this great chamber. We come out of a sense of need, out of a conviction that You are with us, and we would find our confidence and our courage in the support of Your sustaining strength and love.

We pray for light upon our way, love along our path, and life amid the daily duties of our demanding day. Center our lives and the lives of our citizens around faith rather than fear, around mercy rather than cruelty, and around high principles rather than low prejudices. Strengthen us where we are weak, hold us firm when we would fall, steady us when we start to slip, and lift us up when we fall.

Remind us of the joy which has undergirded Missouri, the freedom which is our rich heritage, and of our faith in You which has made and still makes our State great, strong, and wonderful!

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Speaker appointed the following to act as Honorary Pages for the Day, to serve without compensation: Hannah McDonald, Landon O'Donnell, and Colby Kupaks.

The Journal of the fifty-sixth day was approved as printed by the following vote:

Further amend said bill, Page 3, Section 67.2810, Line 23, by deleting the word "**subdivision**" and inserting in lieu thereof the word "**subdivisions**"; and

Further amend said bill, Page 5, Section 67.2815, Line 19, by deleting the word "twenty" and inserting in lieu thereof "~~twenty~~ thirty"; and

Further amend said section, Page 6, Line 67, by inserting after all of said section and line the following:

"67.2817. 1. Notwithstanding any other contractual agreement to the contrary, each assessment contract shall be reviewed, approved, and executed by the clean energy development board and these duties shall not be delegated. Any attempted delegations of these duties shall be void.

2. An assessment contract shall not be approved, executed, submitted, or otherwise presented for recording unless a clean energy development board verifies that the following criteria are satisfied:

(1) The PACE assessments are assessed in equal annual installments;

(2) The PACE assessment may be paid in full at any time without prepayment penalty. The pay-off letter shall specify the amount of any fee or charge by a lender or loan service agent to obtain the total balance due. The release of the assessment shall be recorded within thirty days of the receipt of the amounts identified in the pay-off letter;

(3) The assessment contract shall disclose applicable penalties, interest penalties, or late fees under the contract and describe generally the interest and penalties imposed under chapter 140 relating to the collection of delinquent property taxes;

(4) The clean energy development board shall provide a separate statement to the owner of the residential property of the penalties or late fees authorized under the assessment contract and of the penalties and interest penalties under chapter 140 for the applicable tax collector as of the date of the assessment contract;

(5) The clean energy development board has confirmed that the property owner is current on property taxes for the project property;

(6) The property that shall be subject to the assessment contract has no recorded and outstanding involuntary liens in excess of one thousand dollars;

(7) The property owner shall not currently be a party to any bankruptcy proceeding where any existing lien holder of the property is named as a creditor;

(8) The term of the assessment contract shall not exceed the weighted average useful life of the qualified improvements to which the greatest portion of funds disbursed under the assessment contract is attributable, not to exceed ~~twenty~~ **thirty** years. The clean energy development board shall determine useful life for purposes of this subdivision based upon credible third-party standards or certification criteria that have been established by appropriate government agencies or nationally recognized standards and testing organizations;

(9) The property owner is current on all mortgage debt on the subject property and has no more than one late payment during the twelve months immediately preceding the application date on any mortgage debt; and

(10) The clean energy development board shall not enter into an assessment contract or levy or collect a special assessment for a project without making a finding that there are sufficient resources to complete the project and that the estimated economic benefit expected from the project during the financing period is equal to or greater than the cost of the project.

3. Any assessment contract for a project that, combined with any existing and outstanding indebtedness secured by the benefitted property, results in a loan-to-value ratio between eighty percent and ninety-seven percent of the true value in money, as determined by the assessor pursuant to chapter 137, plus ten percent of such amount, of the benefitted property prior to the project as determined by reference to the assessment records for tax purposes for the most recent completed assessment by the county, or city not within a county, shall include provision of an insurance policy providing coverage for any remaining cost of fulfilling the assessment contract, including any accumulated interest, in the event the property is foreclosed upon, if such product exists. Such insurance policy shall run with the land in the same manner as the other obligations set forth in the assessment contract.

4. The property owner executing the PACE assessment contract shall have a three-day right to cancel the qualifying improvements proposed for financing under the PACE assessment contract. The three-day right to cancel shall expire at midnight of the third business day after a property owner signs the assessment contract. The clean energy development board shall be required to provide a printed form that is presented to the property owner no later than the time of signing of the assessment contract detailing the property owner's right to cancel. An electronic form may be provided if the owner consents electronically to receiving an electronic form.

5. Prior to the execution of an assessment contract, the clean energy development board shall advise the property owner in writing that any delinquent assessment shall be a lien on the property subject to the assessment contract and that the obligations under the PACE assessment contract continue as an obligation against the improved property if the property owner sells or refinances the property and that a purchaser or lender may require that before the owner may sell or refinance the property that the owner may be required to pay the assessment contract in full.

6. Prior to the execution of an assessment contract, the clean energy development board shall advise the property owner in writing that if the property owner pays his or her property taxes and special assessments via a lender or loan servicer's escrow program, the special assessment will cause the owner's monthly escrow requirements to increase and increase the owner's total monthly payment to the lender or the loan servicer. The clean energy development board shall further advise the property owner that if the special assessment results in an escrow shortage that the owner will be required to pay the shortage in a lump-sum payment or catch up the shortage over twelve months.

7. The clean energy development board, within three days of entering an assessment contract, shall provide any holder of a first mortgage loan a copy of the assessment contract and a statement that includes a brief description of the project, the cost of the project, the annual assessment that will be levied, and the number of annual assessments. Transmittal shall be by United States mail to the holder of the first mortgage loan of record.

8. The clean energy development board shall maintain a public website with current information about the PACE program as the board deems appropriate to inform consumers regarding the PACE program. The website shall list approved contractors for the PACE program. The website shall disclose the process for property owners or their successors to request information about the assessment contract, the status of the assessment contract, and for all questions including contract information to obtain a payoff amount for the release of an assessment contract.

9. The clean energy development board, its agents, contractor, or other third party shall not make any representation as to the income tax deductibility of an assessment.

67.2830. 1. A clean energy development board may issue bonds payable from special assessment revenues generated by assessment contracts and any other revenues pledged thereto. The bonds shall be authorized by resolution of the clean energy development board, shall bear such date or dates, and shall mature at such time or times as the resolution shall specify, provided that the term of any bonds issued for a clean energy conduit financing shall not exceed ~~twenty~~ **thirty** years. The bonds shall be in such denomination, bear interest at such rate, be in such form, be issued in such manner, be payable in such place or places, and be subject to redemption as such resolution may provide. Notwithstanding any provision to the contrary under this section, issuance of the bonds shall conform to the requirements of subsection 1 of section 108.170.

2. Any bonds issued under this section shall not constitute an indebtedness of the state or any municipality. Neither the state nor any municipality shall be liable on such bonds, and the form of such bonds shall contain a statement to such effect."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

It is more blessed to give than to receive. (Acts 20:35)

O God and Maker of us all, who has created us in Your own image and made us a living soul that we might live in fellowship with You, grant us Your blessings as we come to You in morning prayer. Make us great in thought, gentle in word, and generous in deed.

Remind us again that it is better to give than to receive, better to minister to others than to be ministered to ourselves, better to be governed by Your spirit than to be goaded by our own selfish desires and pleasures.

Bless all elected officials, and especially these representatives of our people. May the benediction of Your spirit abide in their hearts and lead them on the paths of righteousness, truth, and humility forever in our state. Bless our Missouri with favorable weather and the gift of a gentle rain for our farmers.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-seventh day was approved as printed by the following vote:

House Amendment No. 1

AMEND House Committee Substitute for House Bill No. 2489, Page 2, Section 67.307, Line 31, by inserting after all of said section and line the following:

"191.265. Any noncompete clause of an employment contract between an employer and a physician licensed under chapter 334 that restricts the right of the physician to practice medicine in any geographic area for any period of time after the termination of such employment relationship shall be void and unenforceable, provided that nothing in this section shall render void or unenforceable the remaining provisions of any such employment contract."; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

Representative Windham offered **House Amendment No. 1 to House Amendment No. 1**.

House Amendment No. 1

to

House Amendment No. 1

AMEND House Amendment No. 1 to House Committee Substitute for House Bill No. 2489, Page 1, Line 8, by inserting after all of said line the following:

"Further amend said bill, Page 11, Section 285.545, Line 144, by inserting after all of said section and line the following:

"290.180. 1. As used in this section, the following terms mean:

(1) "Department", the department of labor and industrial relations;

(2) "Meal period" or "meal break", an approved period of time in a nonwork status that interrupts a basic workday or a period of overtime work for the purpose of permitting employees to eat or engage in permitted personal activities, which may be paid or unpaid. A "meal period" shall provide bona fide breaks in the workday. If an employee is not excused from job duties, or if he or she is recalled to job duties, the employee is entitled to pay for compensable work, including work that is de minimis in nature.

2. Except as provided under subsection 3 of this section, every employer in this state shall allow its employees a meal period not less than thirty consecutive minutes for each eight-hour shift. In no event shall an employee be at the place of employment for a period longer than five and one-half hours without a meal break.

3. Nothing in this section requires the employer to pay the employee during the meal break.

4. This section does not apply to employment that is covered by a valid collective-bargaining agreement or other written agreement between an employer and employee. The department may grant exemptions to employers in cases where:

- (1) Requiring compliance would adversely affect public safety;
- (2) The duties of a position may only be performed by one employee;
- (3) The employer employs fewer than five employees on a shift at a single place of business provided the exemption shall apply only to the employees on such shift; or
- (4) The continuous nature of an employer's operations requires that employees be available to respond to urgent or unusual conditions at all times and such employees are compensated for meal periods.

5. Any employer who violates the provisions of this section shall be subject to a fine of not less than three hundred dollars, increased by an additional three hundred dollars for each subsequent violation, but not to exceed one thousand two hundred dollars for each violation.

6. The department may promulgate all necessary rules and regulations for the administration of this section. Any rule or portion of a rule, as that term is defined in section 536.010, that is created under the authority delegated in this section shall become effective only if it complies with and is subject to all of the provisions of chapter 536 and, if applicable, section 536.028. This section and chapter 536 are nonseverable and if any of the powers vested with the general assembly pursuant to chapter 536 to review, to delay the effective date, or to disapprove and annul a rule are subsequently held unconstitutional, then the grant of rulemaking authority and any rule proposed or adopted after August 28, 2024, shall be invalid and void."; and"; and

Further amend said bill by amending the title, enacting clause, and intersectional references accordingly.

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

FIFTY-NINTH DAY, THURSDAY, APRIL 18, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

The fear of the Lord is the beginning of wisdom: a good understanding have all they that do His commandments.
(Psalm 111:10)

O Ancient God, the Creator and Sustainer of all people, without whose benediction all our labor is in vain, we pray that we may build our lives not upon the shifting sands of a selfish spirit but upon the eternal rock of truth and love – so we would dedicate ourselves anew to You. Keep us restless until we find our rest in You; keep us dissatisfied until we find our satisfaction in the doing of Your will; keep us ever searching until we find the end of our seeking in our devotion to You and to the coming of Your kingdom on earth.

Throughout the deliberations, debates, and votes of this day may we be mindful of the altar within our hearts, where a constant reminder of Your presence may save us from cynicism and may lead us to a more creative life in You in the People's House.

And the House says, "Amen!"

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-eighth day was approved as printed by the following vote:

JOURNAL OF THE HOUSE

Second Regular Session, 102nd General Assembly

FIFTY-THIRD DAY, TUESDAY, APRIL 9, 2024

The House met pursuant to adjournment.

Speaker Plocher in the Chair.

Prayer by Reverend Monsignor Robert A. Kurwicki, Chaplain.

“My presence shall go with thee, and I will give thee rest.” (Exodus 33:14)

O God and Creator of us all, beyond whose enduring love we cannot drift, in the glory of a beautiful day, we lift our hearts and minds to You as we devote ourselves to the political duties that demand our attention. We would be quiet in Your presence and trust in the assurance of Your sustaining strength.

We ask Your blessing on these representatives of our people as they think together, plan together, and work together for the good of our state. Help them to take the tensions and the trials of their tasks, the stress and strain of modern life in their stride and to overcome them by learning to relax both body and mind, by continuing to think wise and healthy thoughts, and by taking time to keep Your spirit real in their hearts and offices.

And the House says, “Amen!”

The Pledge of Allegiance to the flag was recited.

The Journal of the fifty-first day was approved as printed by the following vote:
